(57) **CLAIM**

The ornamental design for a bocce ball, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a bocce ball showing my new design, with the side elevational views and rear elevational view appearing the same as the front elevational view shown, with the solid hatching indicating a uniform, contrasting color with the body of the ball; and, FIG. 2 is a top plan view thereof, with the bottom plan view appearing the same as the top plan view shown.
