(57) **CLAIM**

The ornamental design for a convertible/armchair, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a convertible/armchair; FIG. 2 is a front view thereof;

FIG. 3 is a right side view thereof in a first condition or chair sitting condition and the left side view is a mirror image thereof;

FIG. 4 is a rear view thereof

FIG. 5 is a top view thereof in the first condition or chair sitting condition;

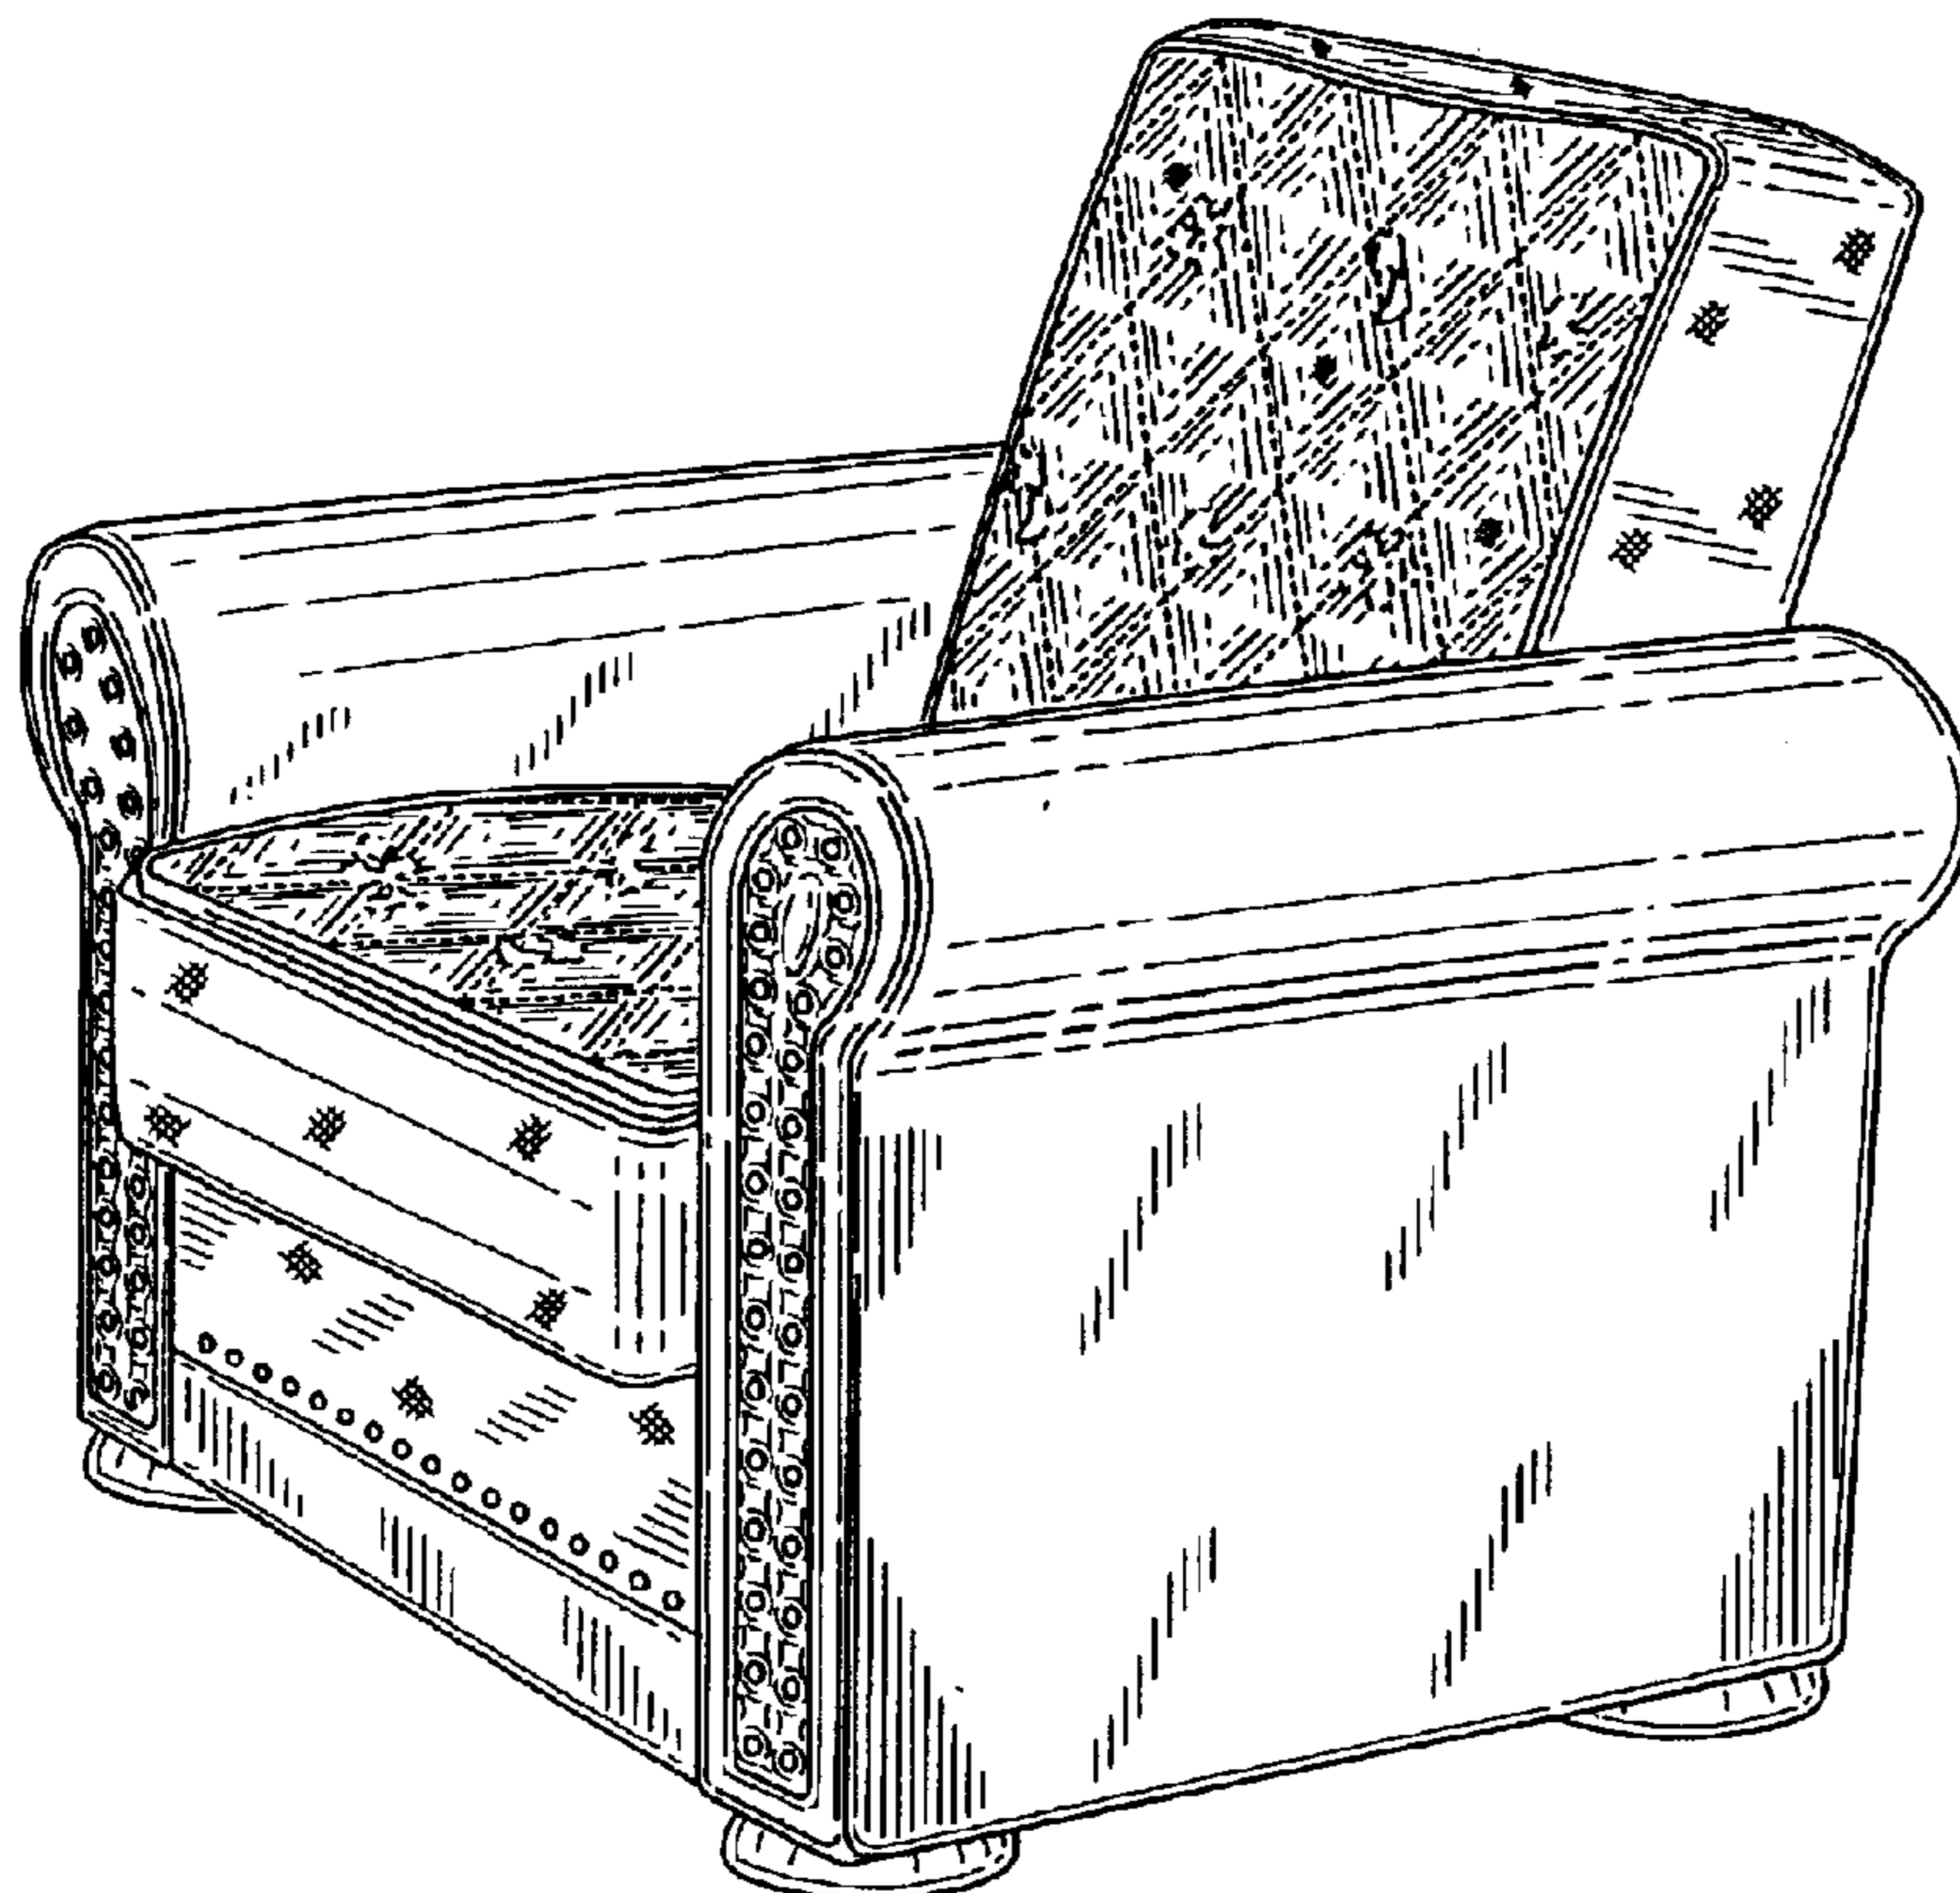

FIG. 6 is a top view thereof in a second condition or bed/reclining condition; and,

FIG. 7 is a right side view thereof in the second condition or bed/reclining condition and the left side view is a mirror image thereof.

The uneven broken lines on the front backrest and the seat are for illustrative purposes only and form no part of the claimed design. The other even short dashed broken lines represent stitching.

The fragmented crosshatch pattern shown in the drawing represents fabric and is repeated throughout the areas shown.
