(57) **CLAIM**

The ornamental design for balloon inflation stand, as shown  
and described.

**DESCRIPTION**

The FIGURE is a perspective view of the balloon inflation  
stand, wherein the left side that is hidden from view is a  
plane surface having hanger rods extending therefrom and is  
substantially identical to the right side, the rear surface is  
plane surface, the top surface is a plane surface, and the  
bottom surface is a plane surface.
