(57) **CLAIM**

The ornamental design of a gasoline tank cap and compass, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view illustrating a first preferred embodiment of a gasoline tank cap with compass of the present invention; FIG. 2 is a top plan view of FIG. 1; FIG. 3 is a side view of FIG. 1; and, FIG. 4 is a perspective view illustrating a second preferred embodiment of a gasoline tank cap with compass of the present invention. The broken line showing is for illustrative purposes only and forms no part of the claimed design.
