DESCRIPTION

FIG. 1 is a top plan view of a portion of an all terrain vehicle body and seat according to a preferred embodiment of the present invention;
FIG. 2 is a left side view thereof; and,
FIG. 3 is a right side view thereof.
The portions of the claimed all terrain vehicle which are not shown in the drawing form no part of the claimed design. The broken lines immediately adjacent the shaded areas represent the boundaries of the claimed design while the other broken lines which show environment or structure are for illustrative purposes only; the broken lines form no part of the claimed design.
