(57) **CLAIM**

The ornamental design for a telephone with built-in caller ID and memory, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a telephone with built-in caller ID and memory showing my new design.

FIG. 2 is a back view of the telephone with built-in caller ID and memory.

FIG. 3 is a right side view of the telephone with built-in caller ID and memory.

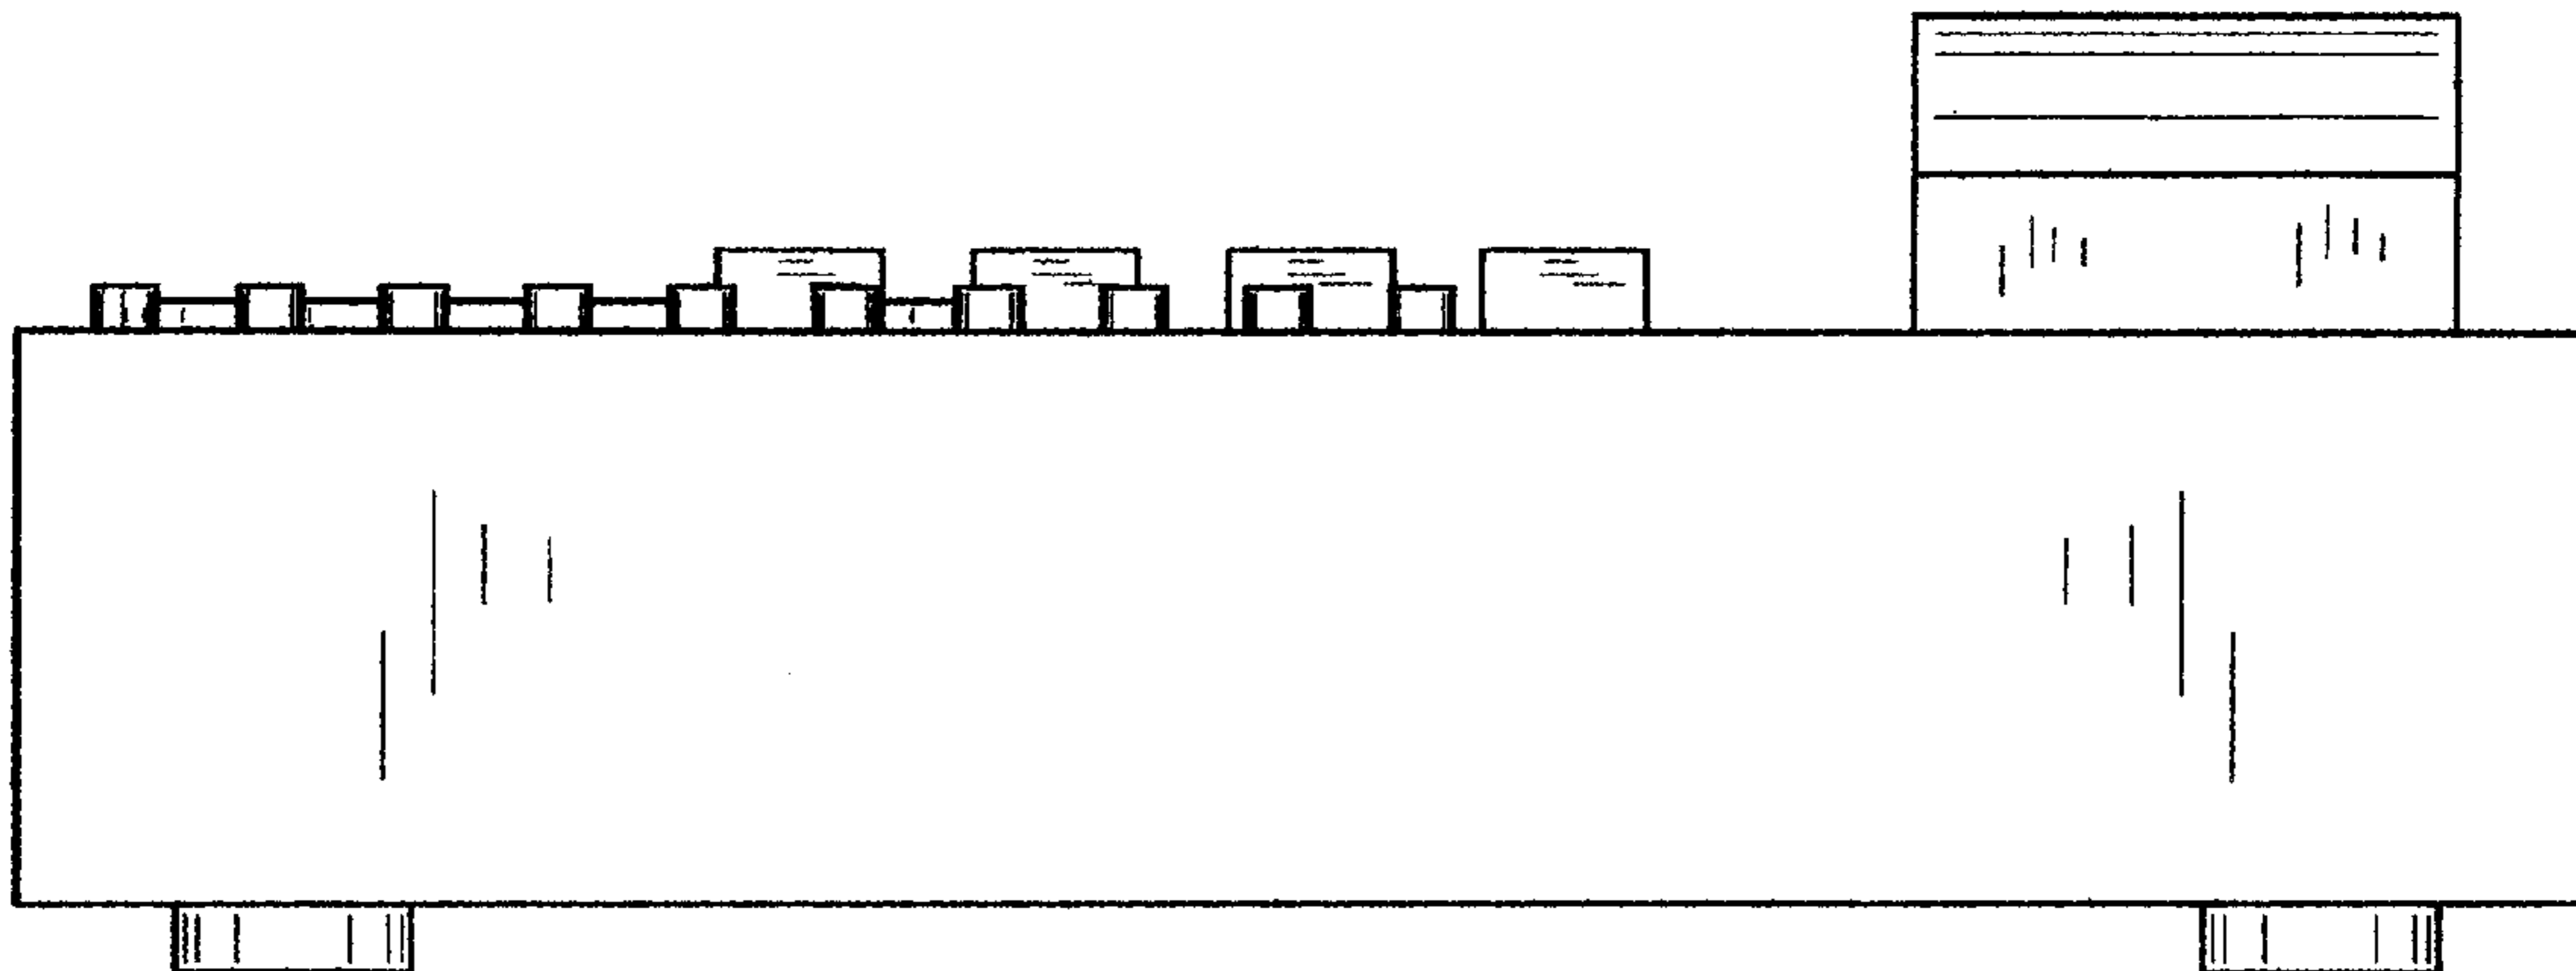

FIG. 4 is a left side view of the telephone with built-in caller ID and memory.

FIG. 5 is a top view of the telephone with built-in caller ID and memory; and,

FIG. 6 is a bottom view of the telephone with built-in caller ID and memory.

The broken lines are for environmental purposes only and form no part of the claimed design.
