(57) **CLAIM**

The ornamental design for a gift kit for a combination candle, pen, paper, bag and match, as shown and described.

DESCRIPTION

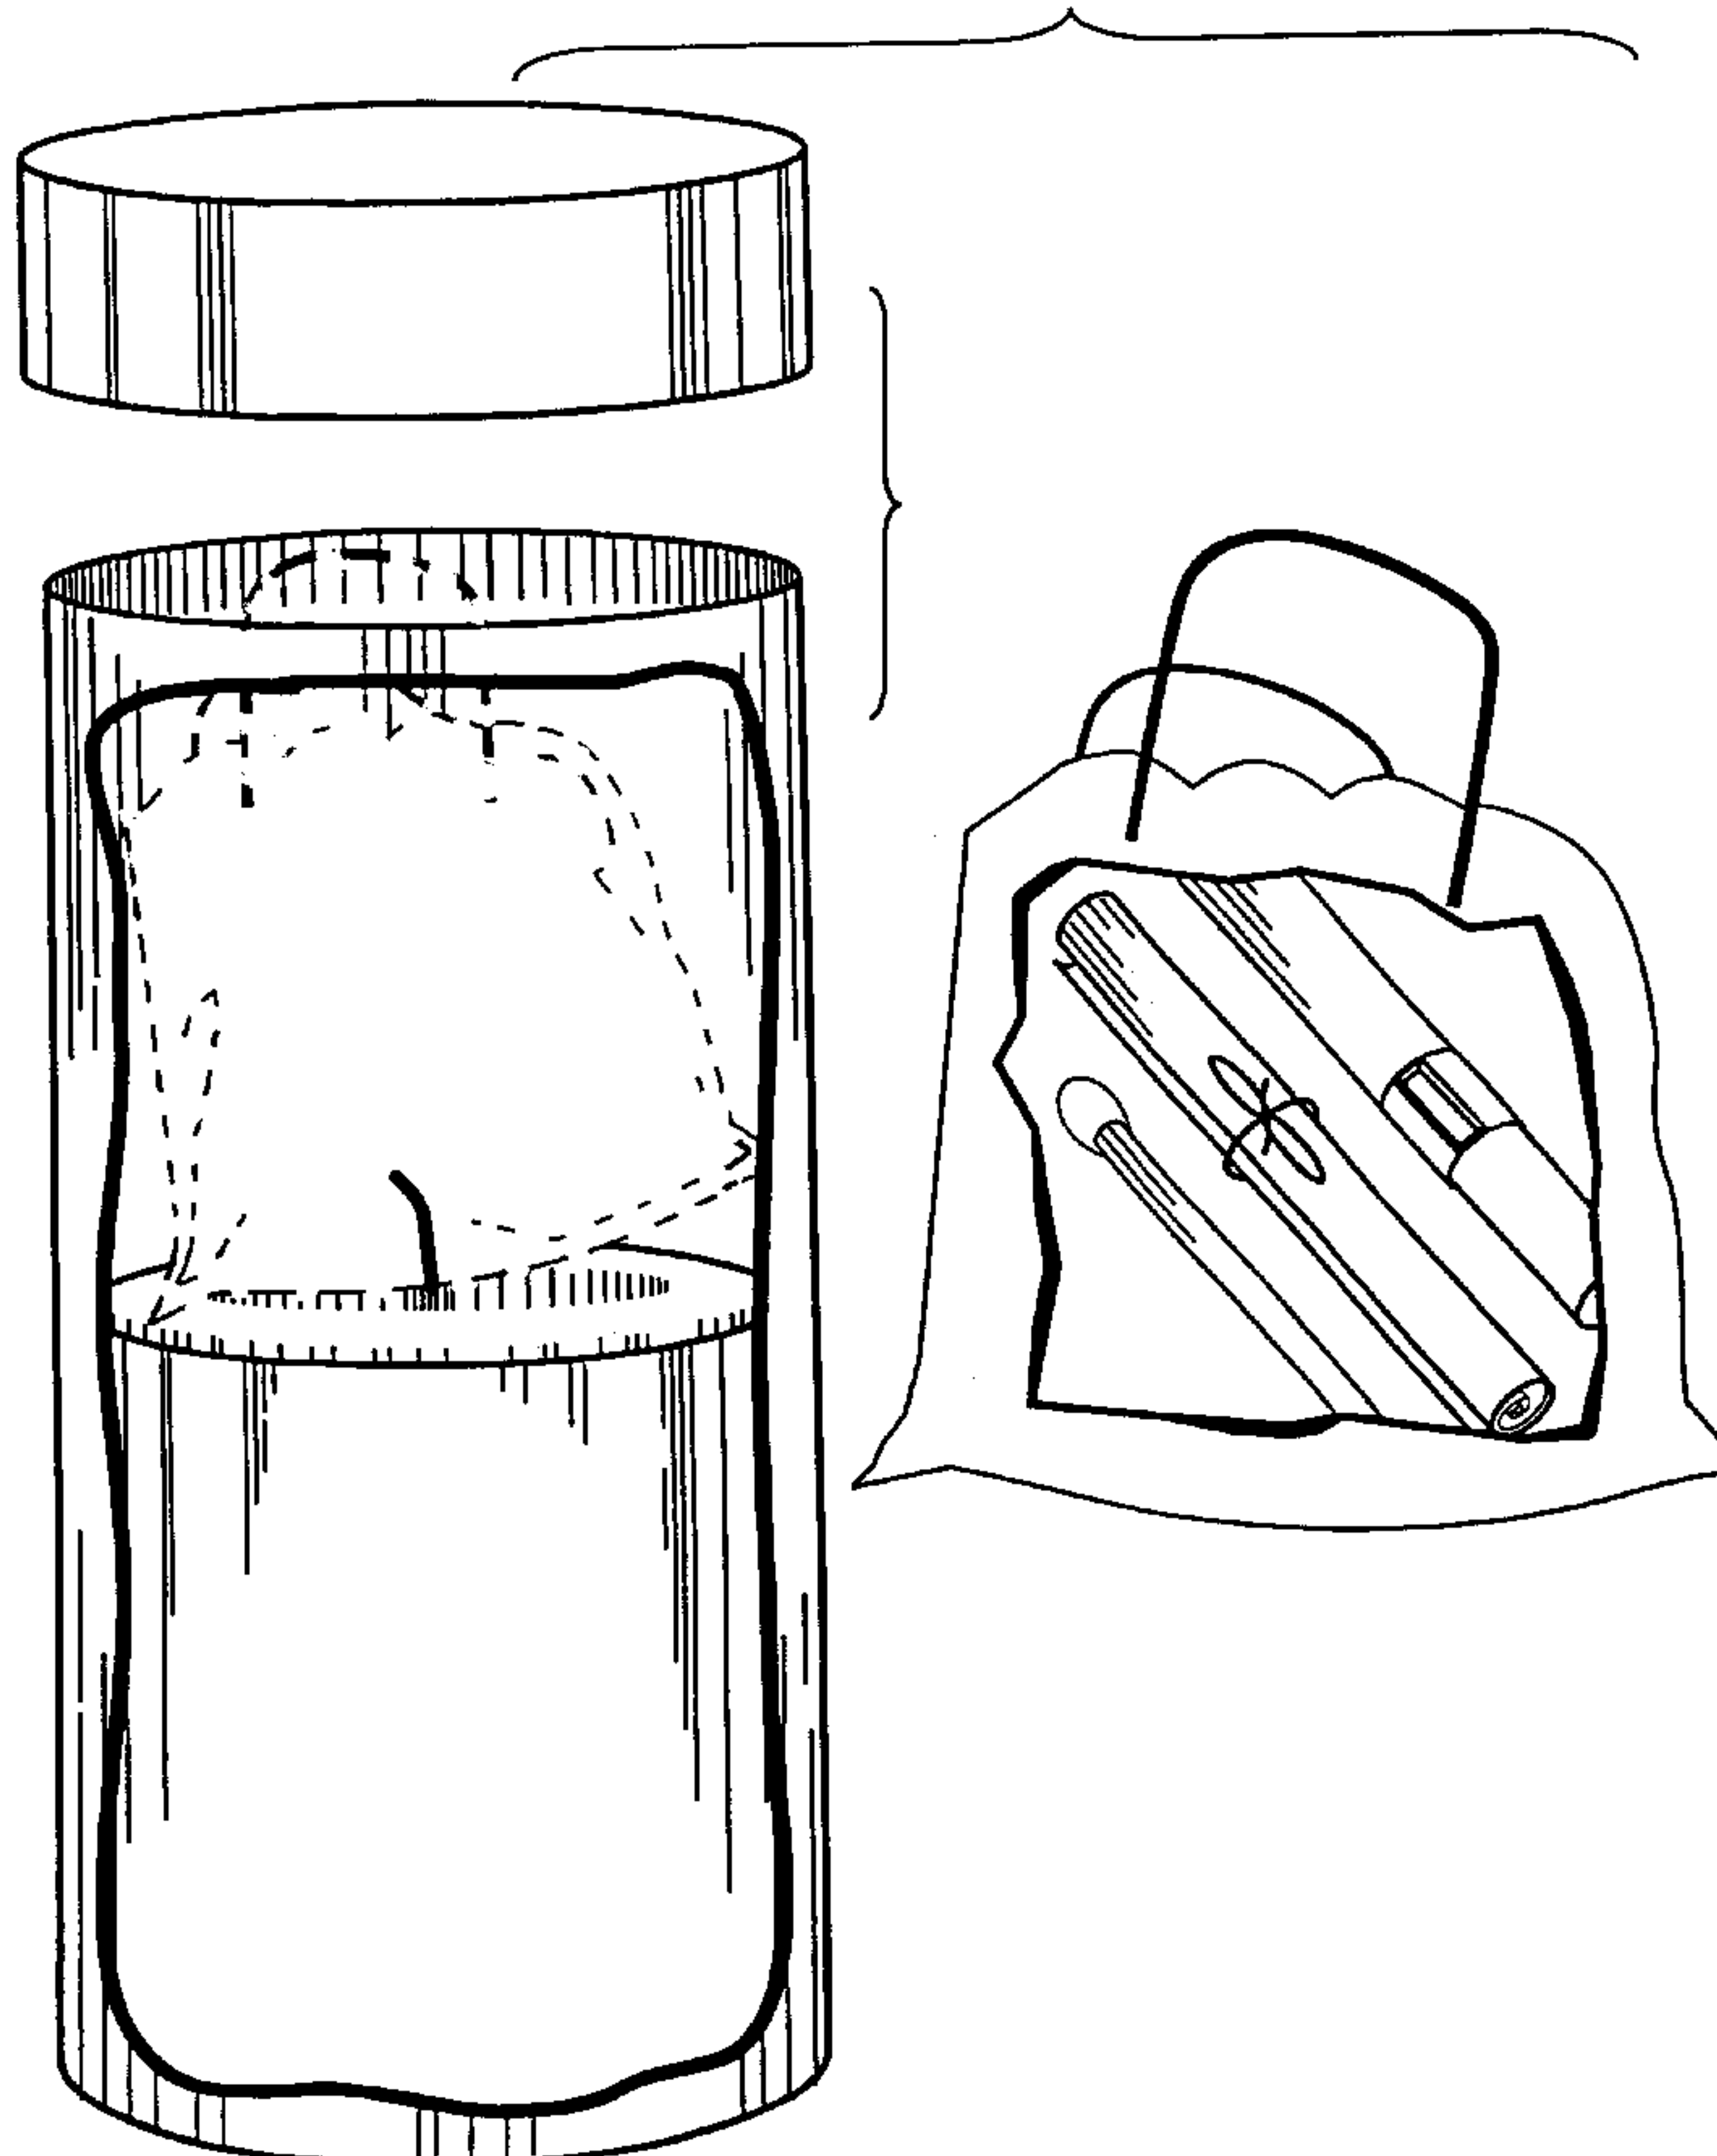

FIG. 1 is an exploded front perspective view of a gift kit for a combination candle, pen, paper, bag, and match showing my new design, the gift kit is partially drawn for purposes of illustration;

FIG. 2 is a perspective front view thereof; and,

FIG. 3 is a perspective front view thereof, in a dissembled condition.

The top and bottom of the design are flat and unornamented. The sides and rear view of the various components are the same as the front view, with the exception that the tying of the string and paper affixed thereto appear only on the front view. Any broken line illustration of environmental structure in the drawing is not part of the design sought to be patented.
