(57) **CLAIM**

The ornamental design for collar, vent and dart designs for a shirt, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the collar, vent, and dart designs for a shirt, showing my new design;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is an enlarged front elevational view of the collar portion of the design;

FIG. 4 is another enlarged right perspective view of the collar portion of the design, the left perspective view being a mirror image;

FIG. 5 is another enlarged front elevational view of one of the side vent portions, the other side vent portion being identical;

FIG. 6 is another enlarged rear elevational view of one of the side vent portions, the other side vent portion being identical;

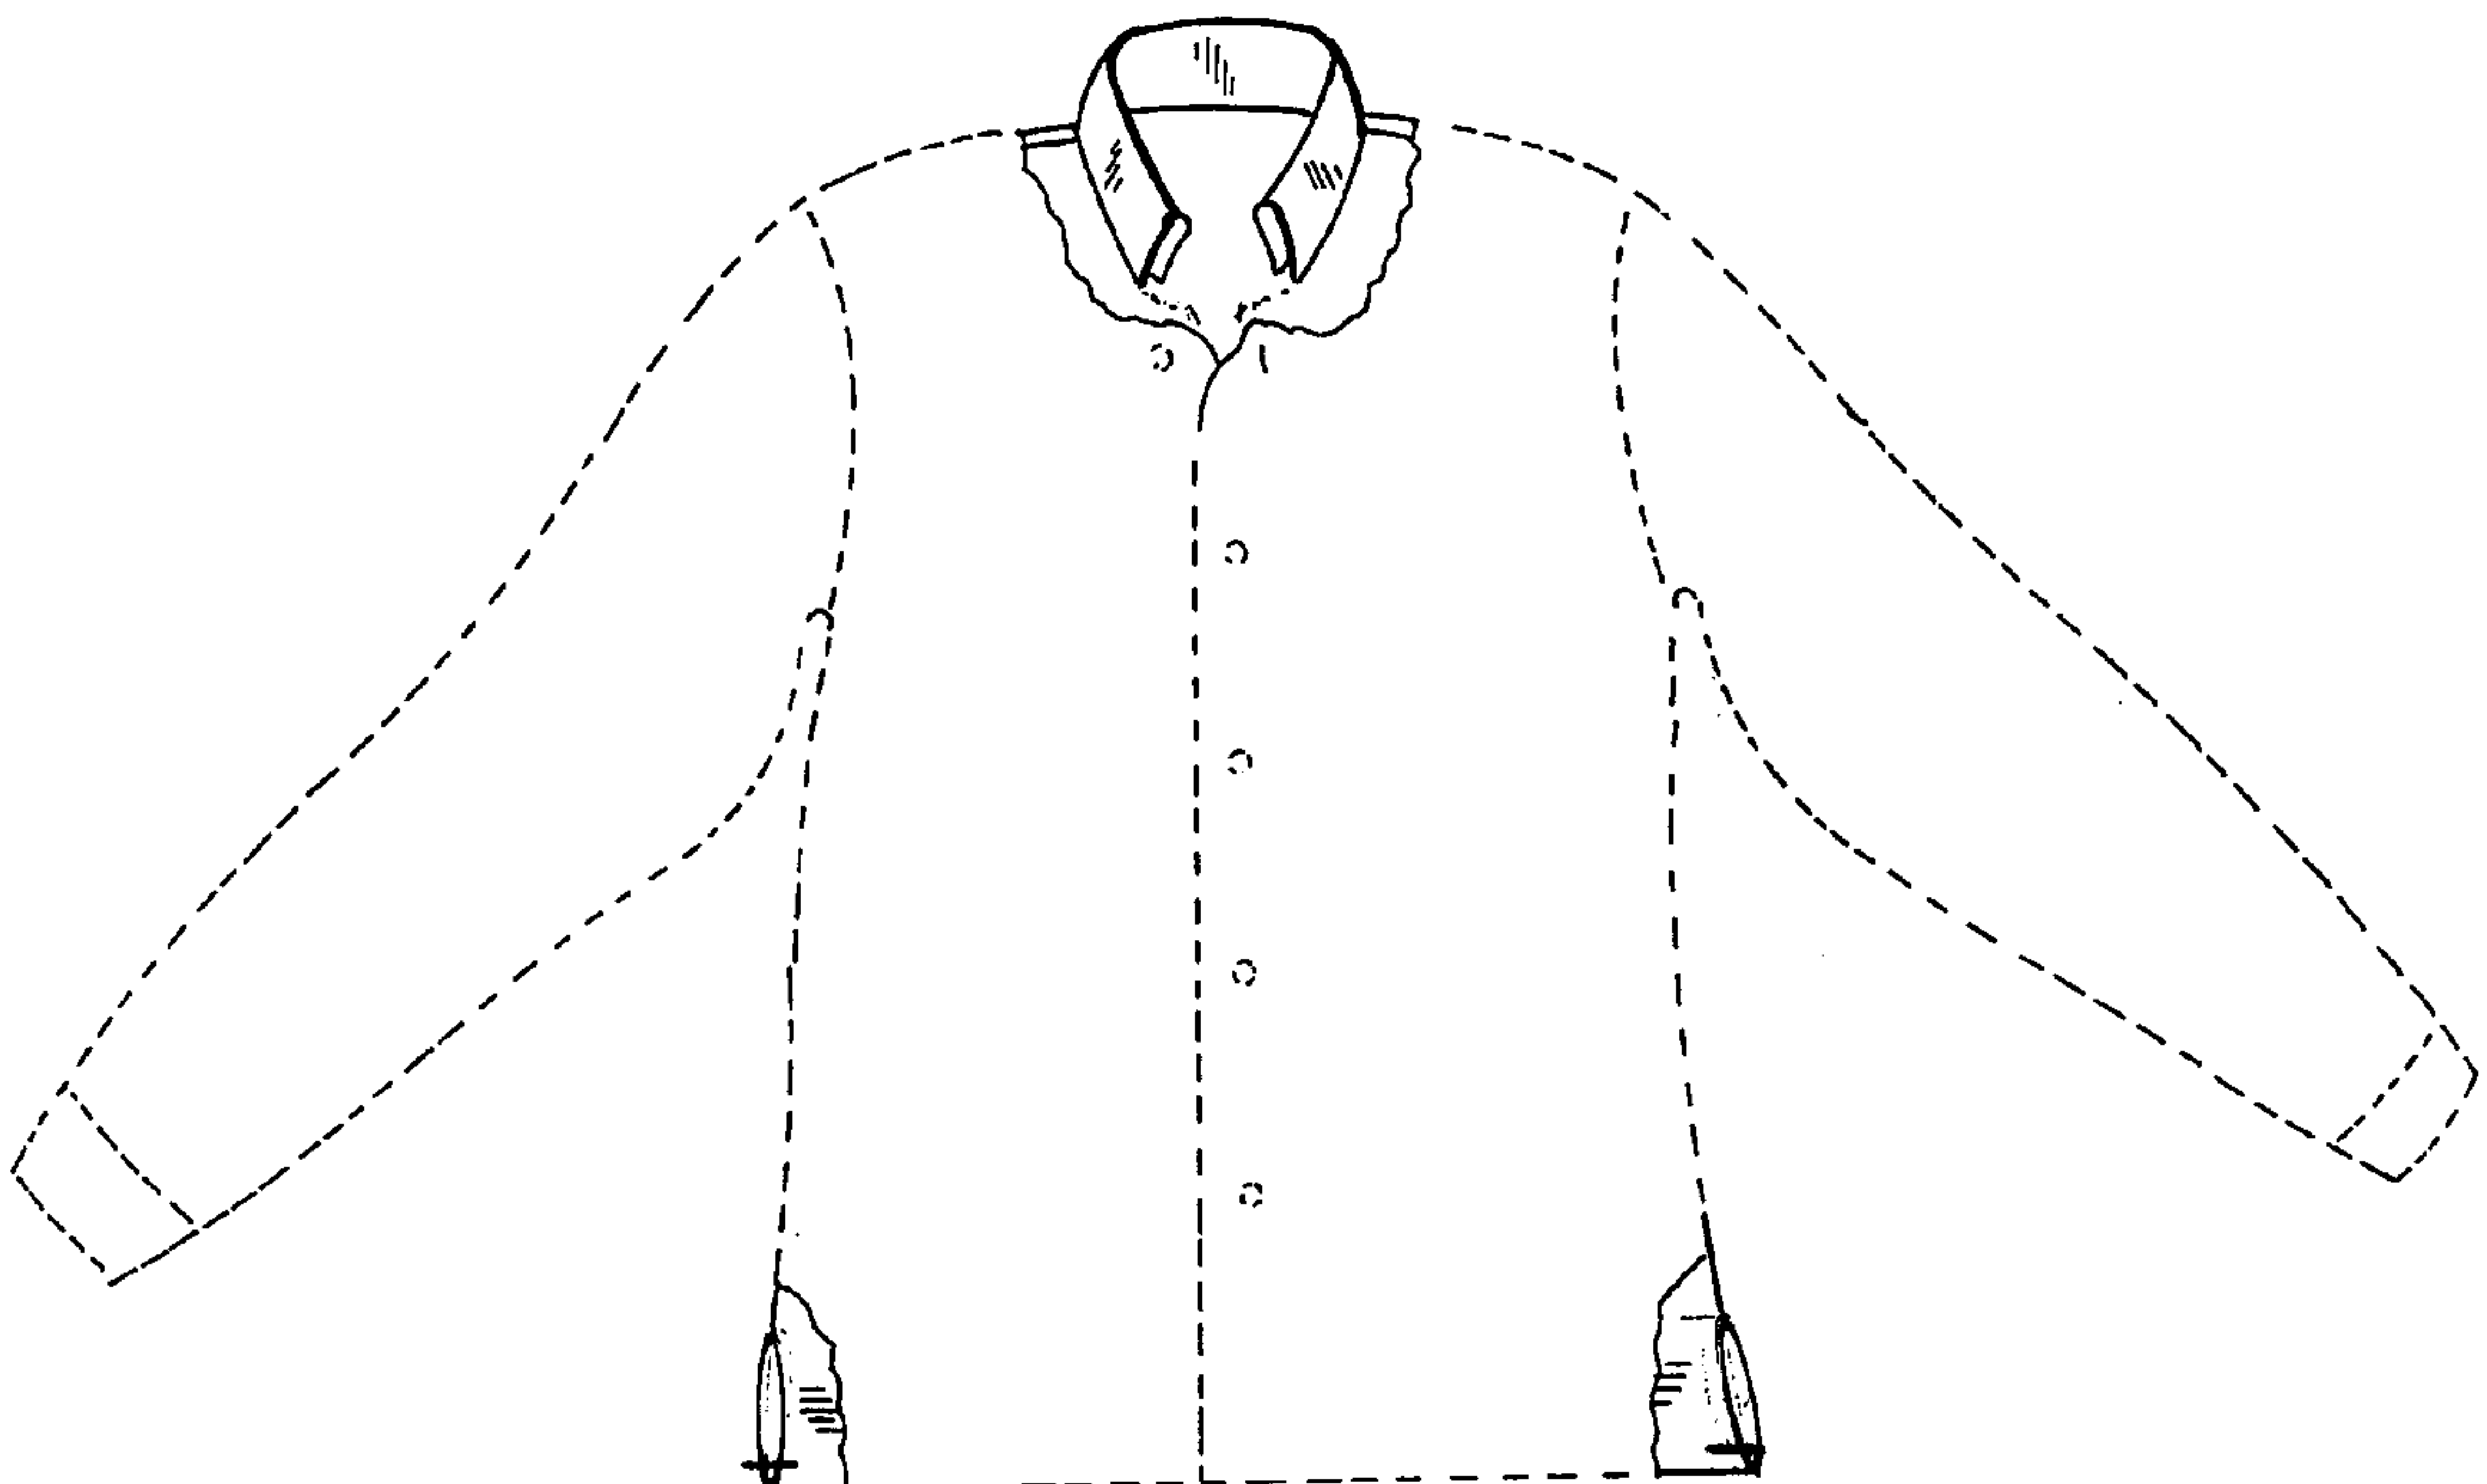

FIG. 7 is another enlarged front elevational view of the right dart portion, the left dart portion being a mirror image thereof; and,

FIG. 8 is another enlarged sectional view taken along the line 8—8 of FIG. 7, the right dart portion section being identical to the left dart portion section.

The claimed design is embodied in the arrangement of the collar, darts, and vents, as shown in FIGS. 1 and 2. The separate detailed views are included to further clarify the design shown in these two views.

The broken line showing of a shirt, in FIGS. 1–8, is for illustrative purposes only and forms no part of the claimed design.
