(57) **CLAIM**

The ornamental design for a display cabinet, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the design for the display cabinet having a number of environment features, namely, a support structure and speaker receptacle; FIG. 2 is a rear perspective view of the design for the display cabinet of FIG. 1 further illustrating the environmental speaker receptacles and support structure introduced in FIG. 1. FIG. 2 also illustrates environmental vent panels respectively located at the lower left and right portions of the display cabinet; FIG. 3 is a top view of the display cabinet of FIG. 1; and, FIG. 4 is a right side view of the display cabinet of FIG. 1, the left side view being a mirror image thereof.
