(57) **CLAIM**

The ornamental design for an embossed surface pattern applied to a handheld device, as shown and described.

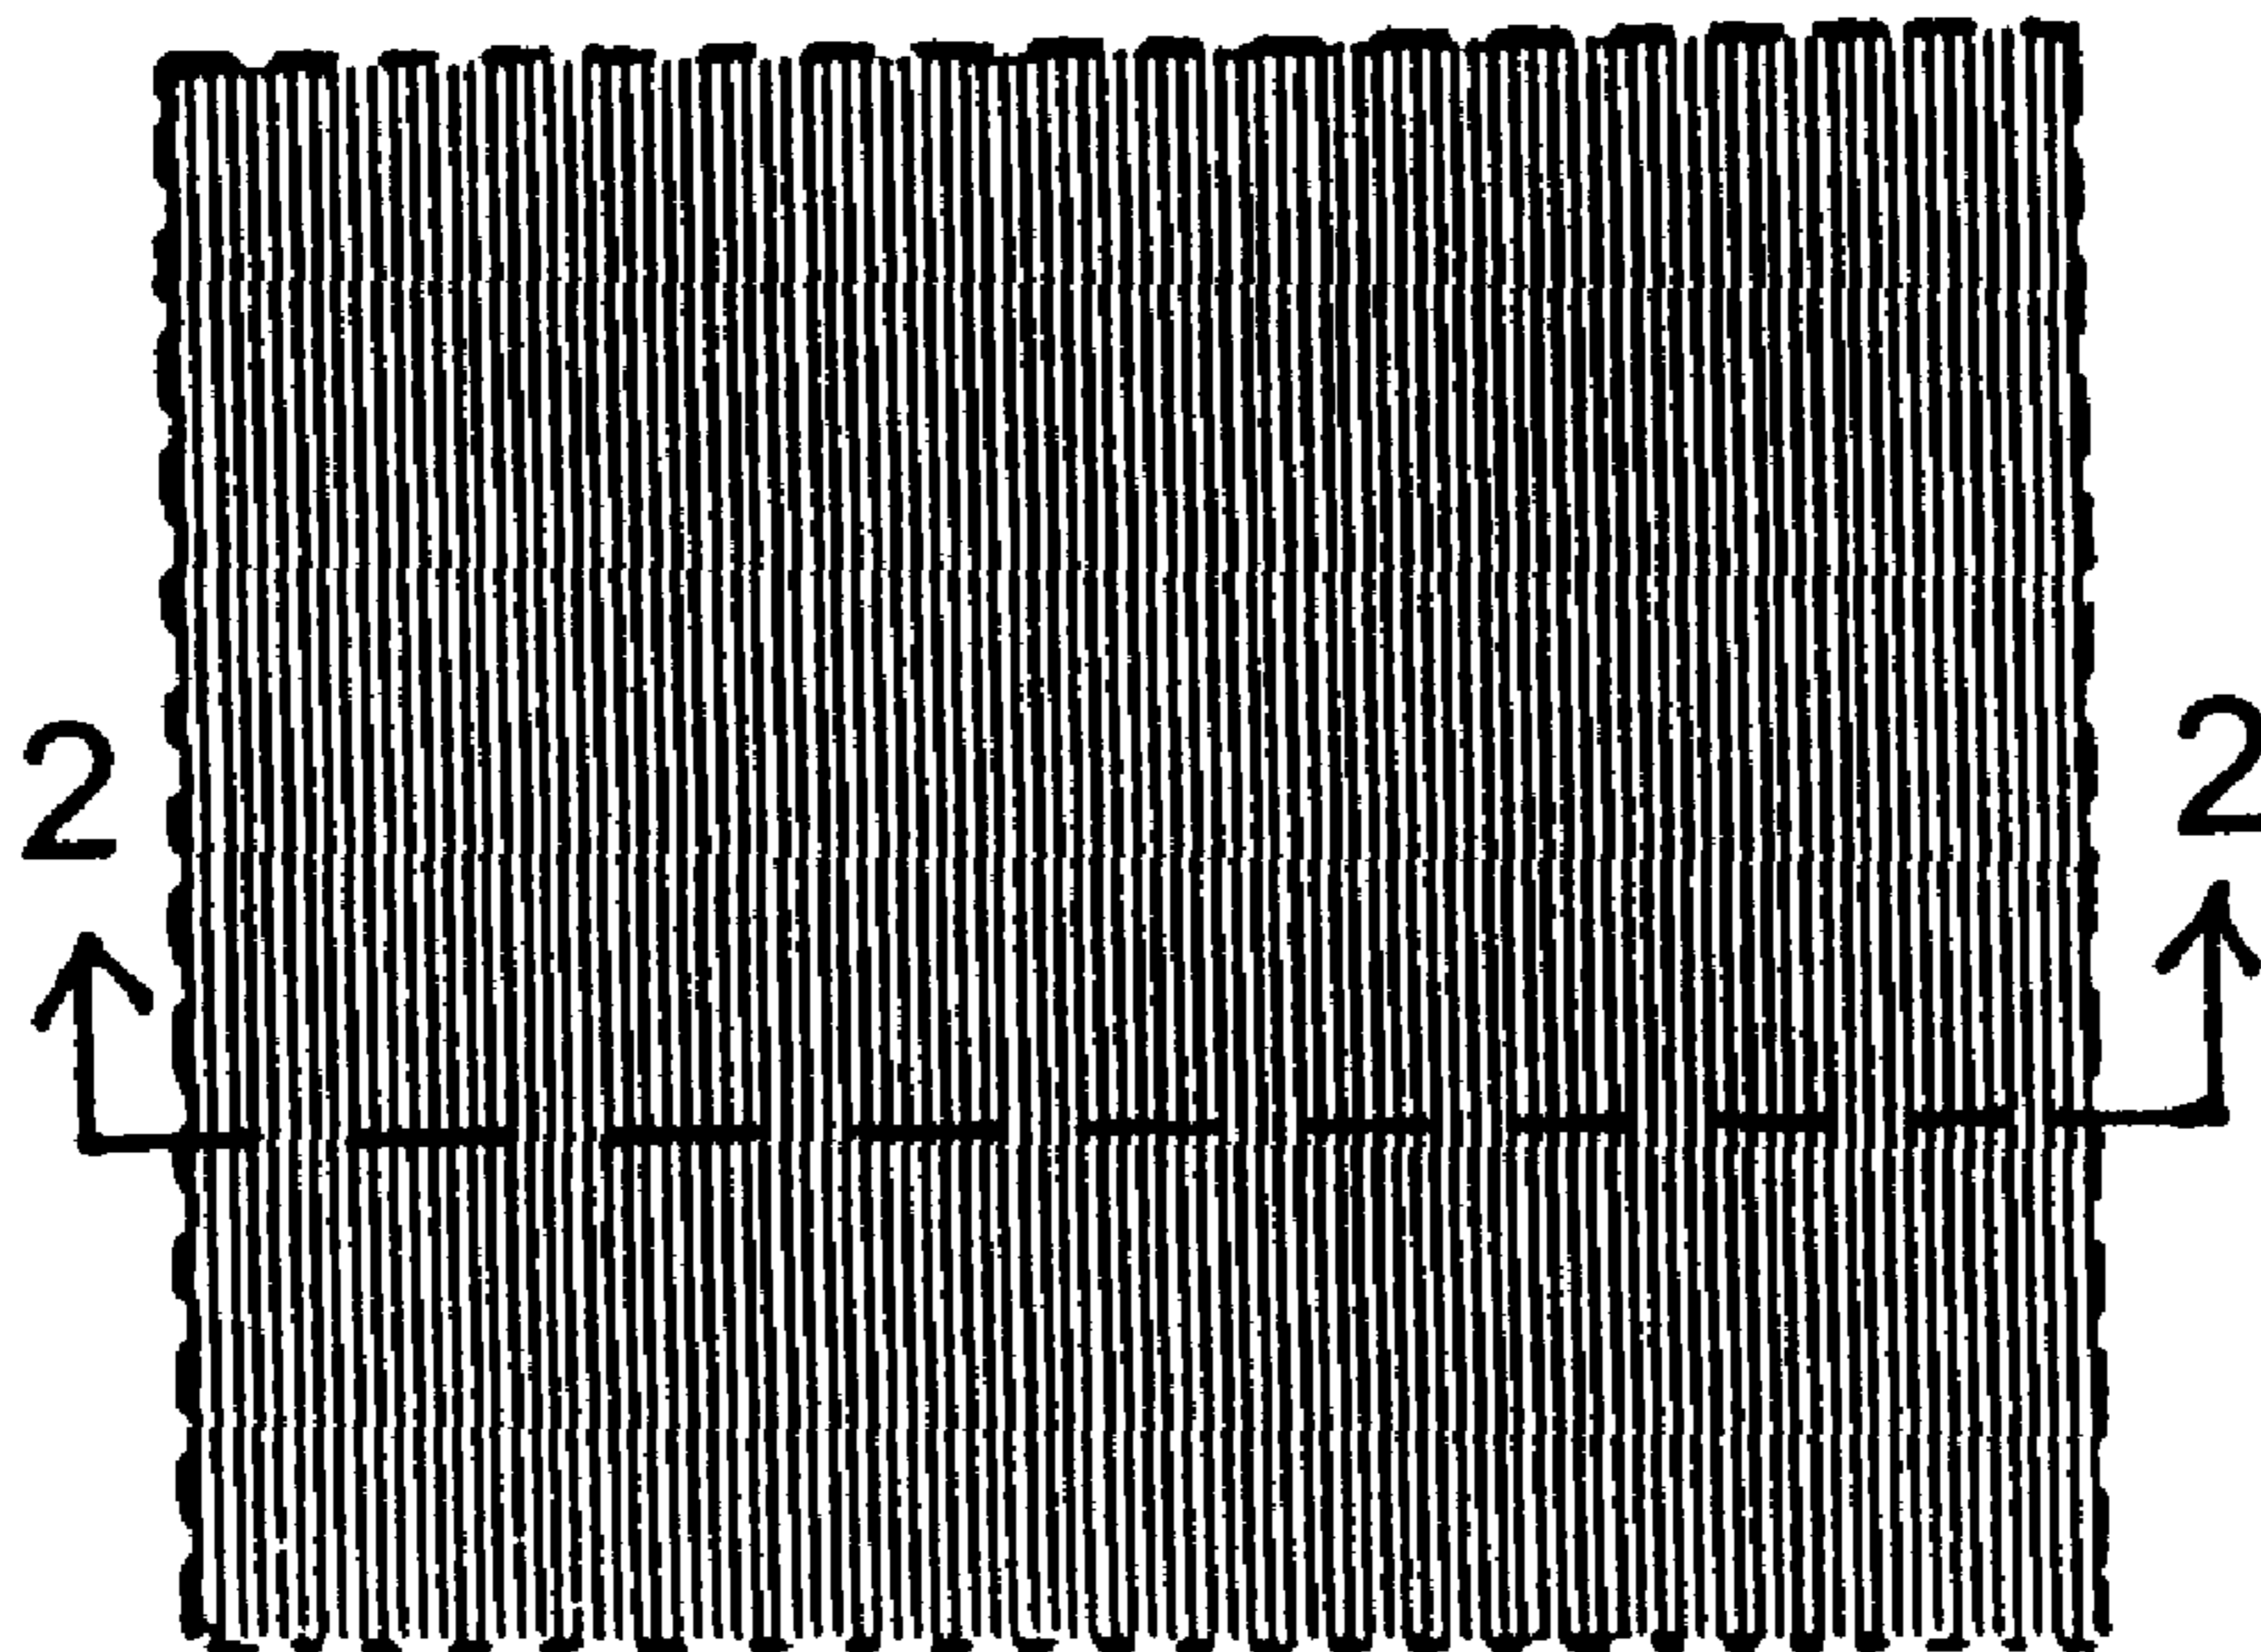

DESCRIPTION

FIG. 1 is a plan view of an embossed surface pattern applied to a handheld device showing my new design, wherein the broken lines showing of the boundary is for illustrative purposes only and forms no part of the claimed design, it being understood that the surface pattern repeats uniformly throughout the length and width thereof;

FIG. 2 is an enlarged and cross-sectional view thereof, taken on line 2—2 in FIG. 1; and,

FIG. 3 is an elevational view thereof, wherein the handheld device is shown in broken lines for illustrative purposes only and forms no part of the claimed design.
