(57) **CLAIM**

The ornamental design for a vehicle steering wheel cover having a design of illuminated flames made of light-transmissive material, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a vehicle steering wheel cover having a design of illuminated flames made of light transmissive material showing my new design. FIG. 2 is a front elevational view thereof; and, FIG. 3 is an enlarged right side elevational view thereof. The broken line showing of environmental structure is for illustrative purposes only and forms no part of the claimed design.
