The present invention relates to an ornamental design for a moving step panel of an escalator or moving walk.

FIG. 1 is a perspective view of a two-tone moving step panel for escalator showing my new design, the stippling shading intended to represent color contrast;

FIG. 1A is an enlarged view of a portion of FIG. 1 further showing a portion of the inventive design; and,

FIG. 2 is a view taken along line 2—2 of FIG. 1, further showing a portion of the inventive design thereof.

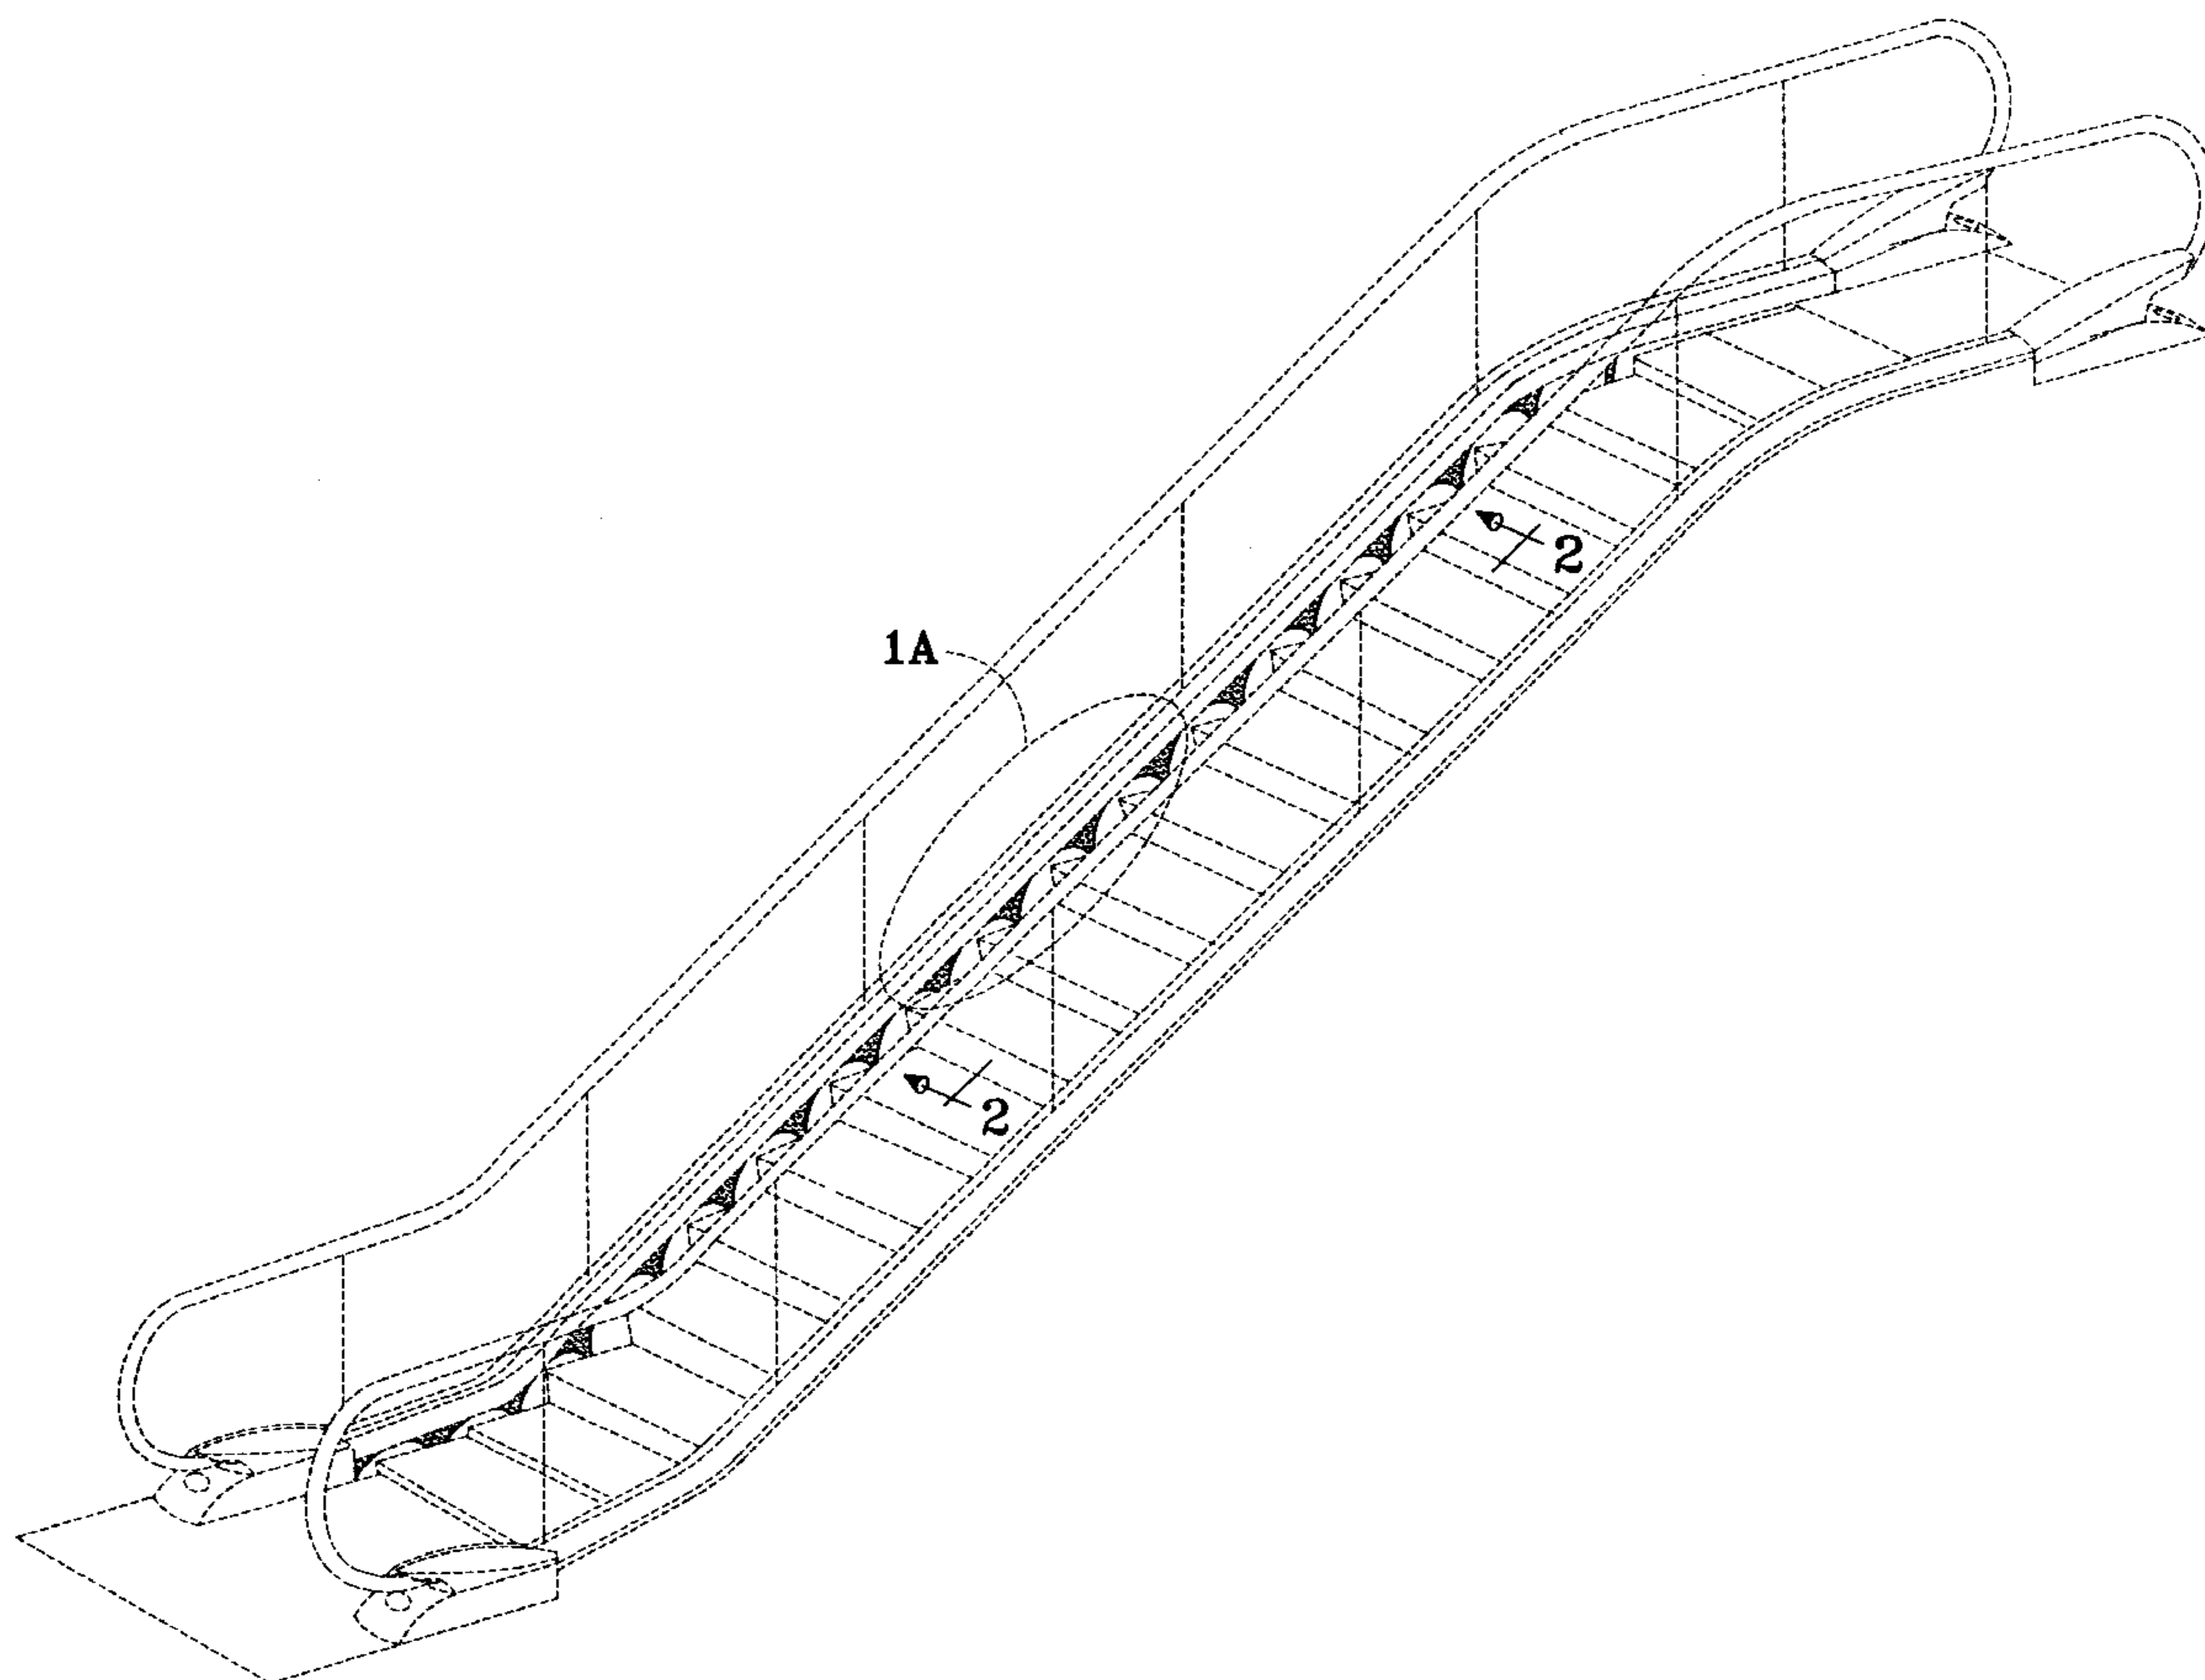

The broken line showing of an escalator in the figures is for illustrative purposes only and forms no part of the claimed design.
