(57) **CLAIM**

The ornamental design for a pattern for an embossed wipe, as shown and described.

**DESCRIPTION**

The sole FIGURE is a top plan view of a pattern for an embossed wipe showing our new design. The broken lines in the drawing define the boundaries of the wipe or similar article to which the pattern is applied, and form no part of the claimed design. It is understood that the claimed pattern repeats uniformly throughout the width and length of the wipe or similar article.
