(57) **CLAIM**

The ornamental design for a combination telephone and clock radio, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the design for the combination telephone and clock radio having attached thereto an environmental feature, namely an antenna; and, FIG. 2 is a rear perspective view of the design for the combination telephone and clock radio of FIG. 1.

The broken lines provided in the above views are used to indicate environmental structure and form no part of the claimed design.
