(57) **CLAIM**

The ornamental design for a cart, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a cart showing my new design;

FIG. 2 is a left or right side view thereof;

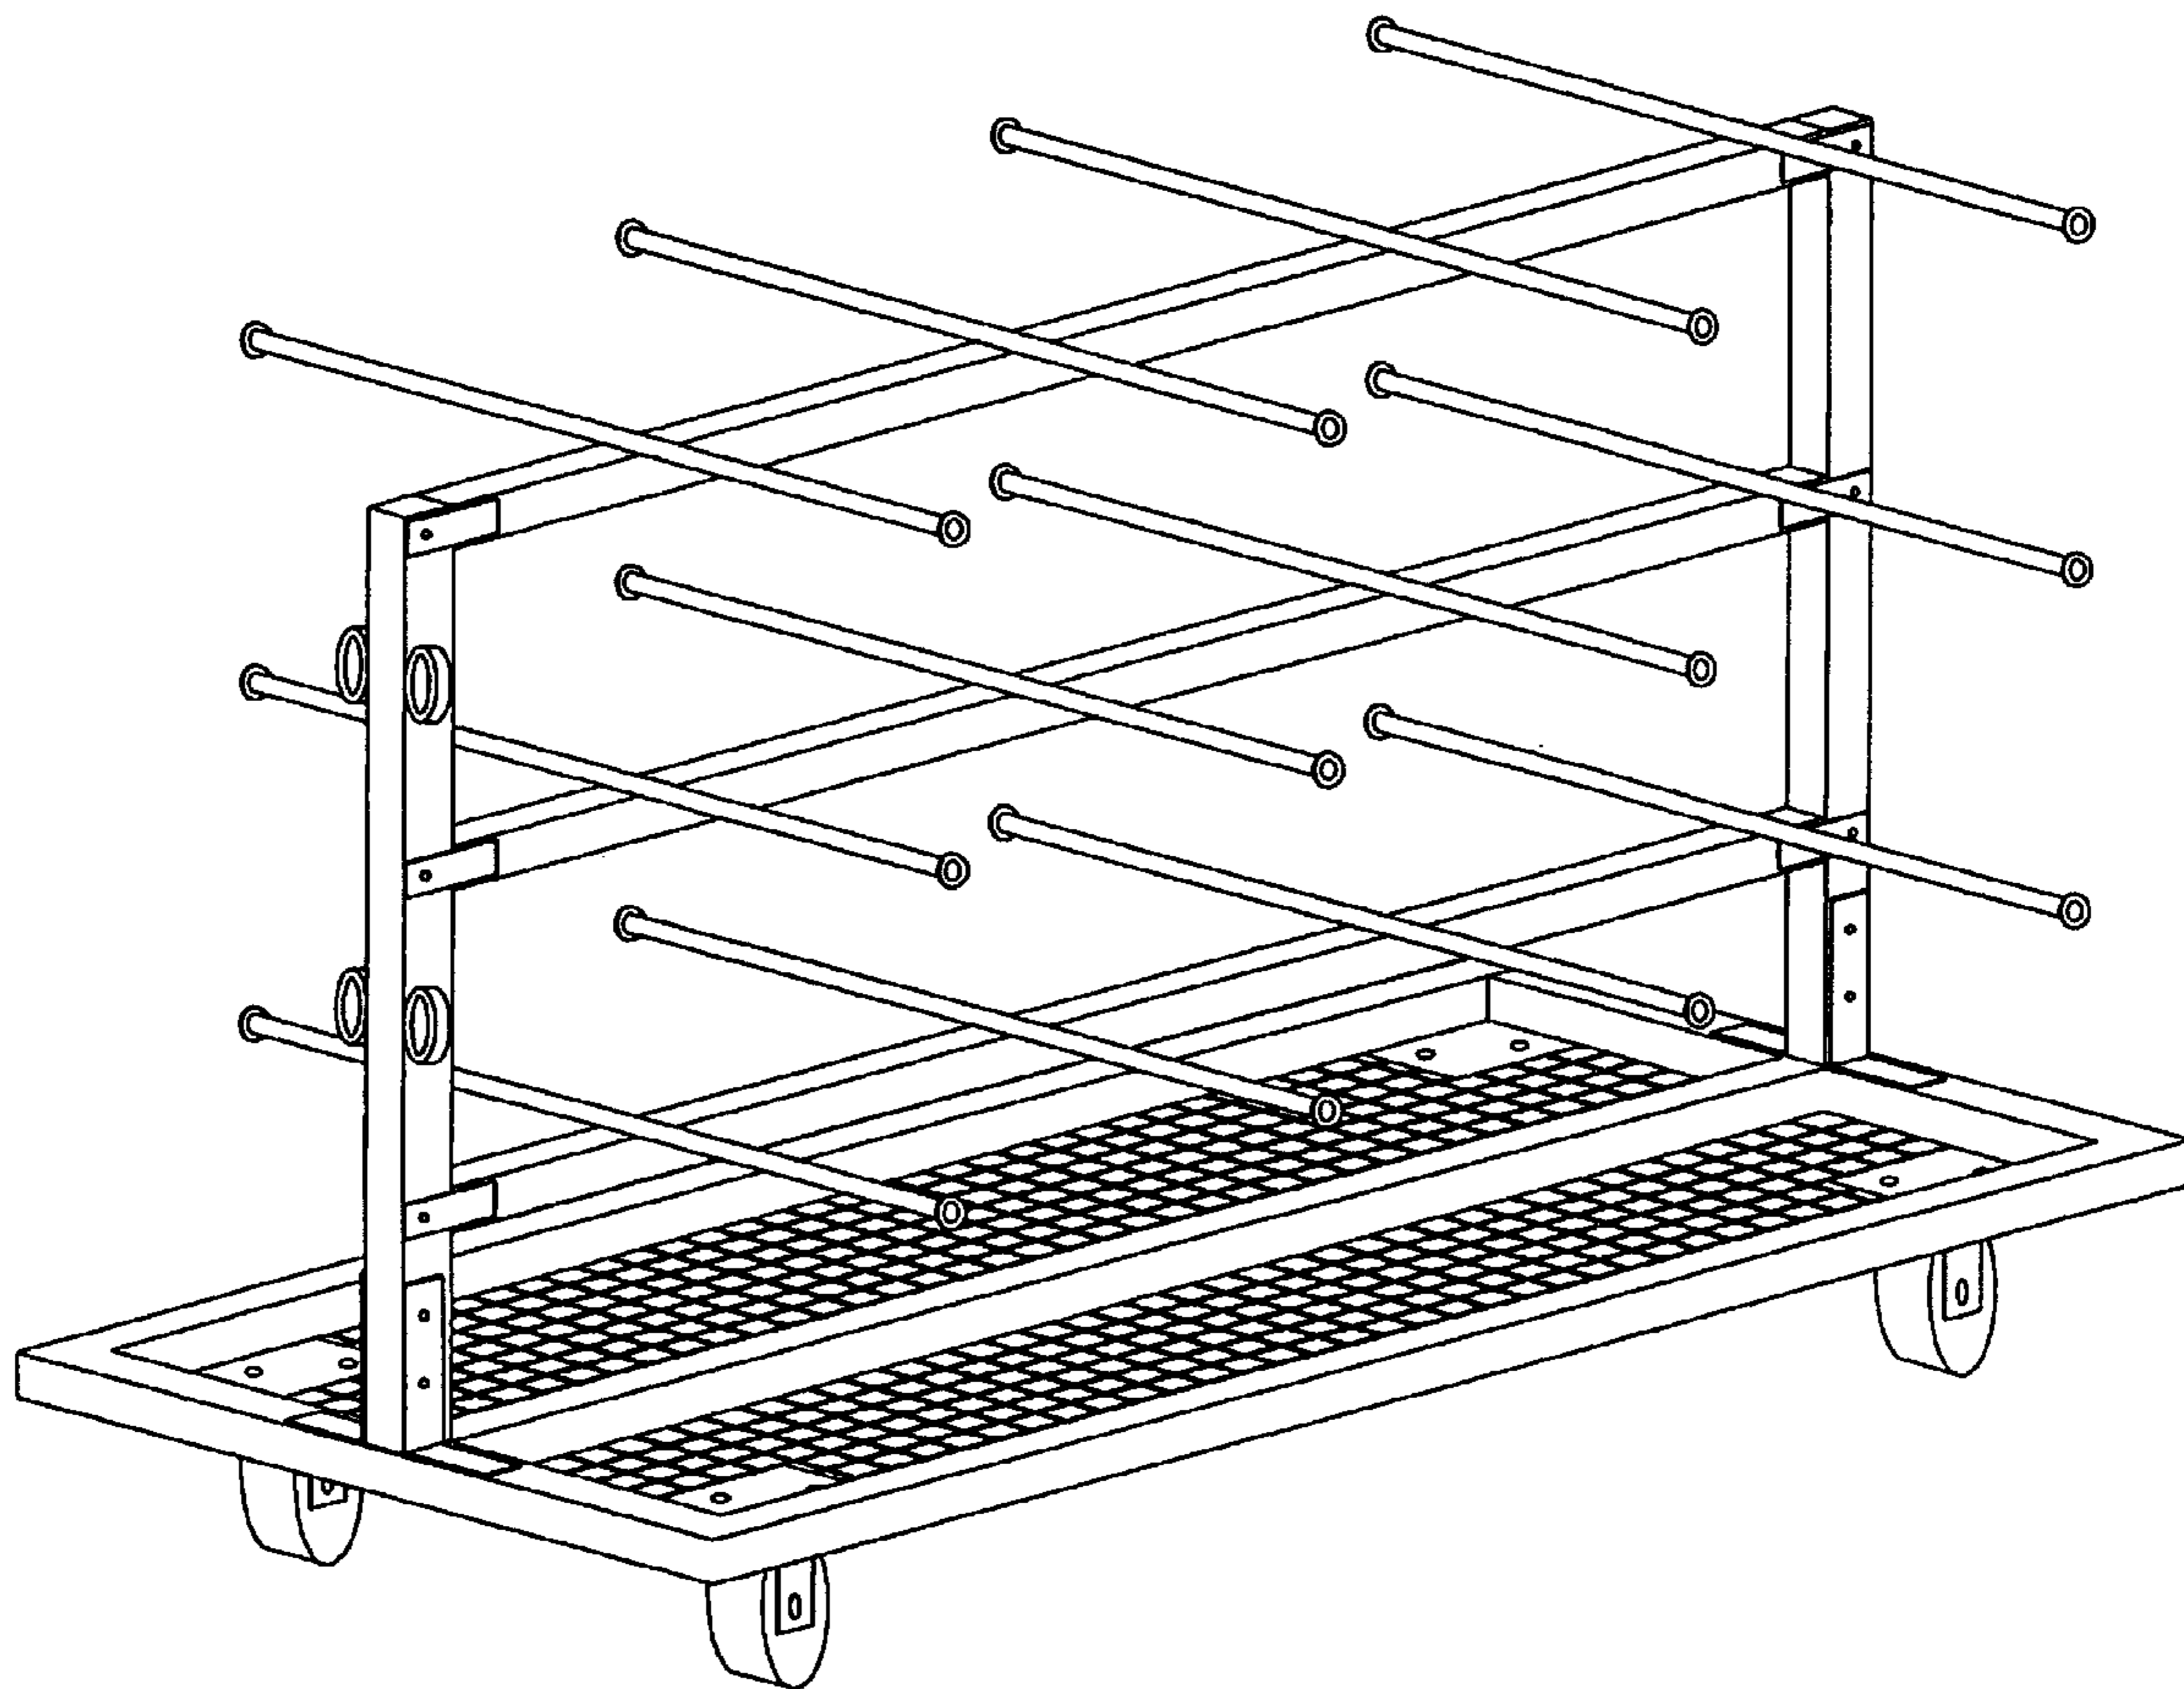

FIG. 3 is a front or rear end view thereof;

FIG. 4 is a top plan view thereof; and,

FIG. 5 is a bottom plan view thereof.

The cart features a plurality of larger horizontal members arranged between vertical support members attached to a base member. Each of said larger horizontal members supports a plurality of smaller horizontal members oriented substantially perpendicular to said larger horizontal members and said vertical support members.
