(57) **CLAIM**

The ornamental design for a container for transporting substrates, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of the container for transporting substrates;

FIG. 2 is a rear view of the container for transporting substrates;

FIG. 3 is a plan view of the container for transporting substrates;

FIG. 4 is a bottom plan view of the container for transporting substrates;

FIG. 5 is a right side view of the container for transporting substrates;

FIG. 6 is a left side view of the container for transporting substrates; and,

FIG. 7 is a perspective view taken from the front, left and top side of the container for transporting substrates.

The broken line showing of the environment is for illustrative purpose only and forms no part of the claimed design.
