(57) **CLAIM**

We claim the ornamental design for a top portion of a container and viscous flowable food product, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a top portion of a container and viscous flowable food product according to our new design. FIG. 2 is a top front perspective view thereof with the broken lines showing the remainder of the container which forms no part of the claimed design; and, FIG. 3 is a sectional view taken along line 3—3 of FIG. 2. The color black represents a contrasting color.
