(57) **CLAIM**

An ornamental design for a gun safe door with three arm handle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a door for a gun safe according to the design and illustrating the position of the door in relation to the cabinet of a gun safe, the logo on which does not comprise a necessary element of the design; FIG. 2 is a front view of the design of FIG. 1; FIG. 3 is a right side view of the design, the left side view being similar to FIG. 3; FIG. 4 is an enlarged front view of the handle for the gun safe door shown separately for ease of illustration; FIG. 5 is an enlarged side view of a handle for a gun safe door shown separately for ease of illustration; FIG. 6 is an enlarged top view of a gun safe door shown separately for ease of illustration; FIG. 7 is an enlarged front view of a tumbler lock for the gun safe door shown separately for ease of illustration, and, FIG. 8 is an enlarged bottom view of the tumbler lock for a gun safe shown separately for ease of illustration. The broken lines are for illustrative purposes only and forms no part of the claimed design.
