(57) **CLAIM**

The ornamental design for a watch holding device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an illustrative watch holding device embodying my inventive design;

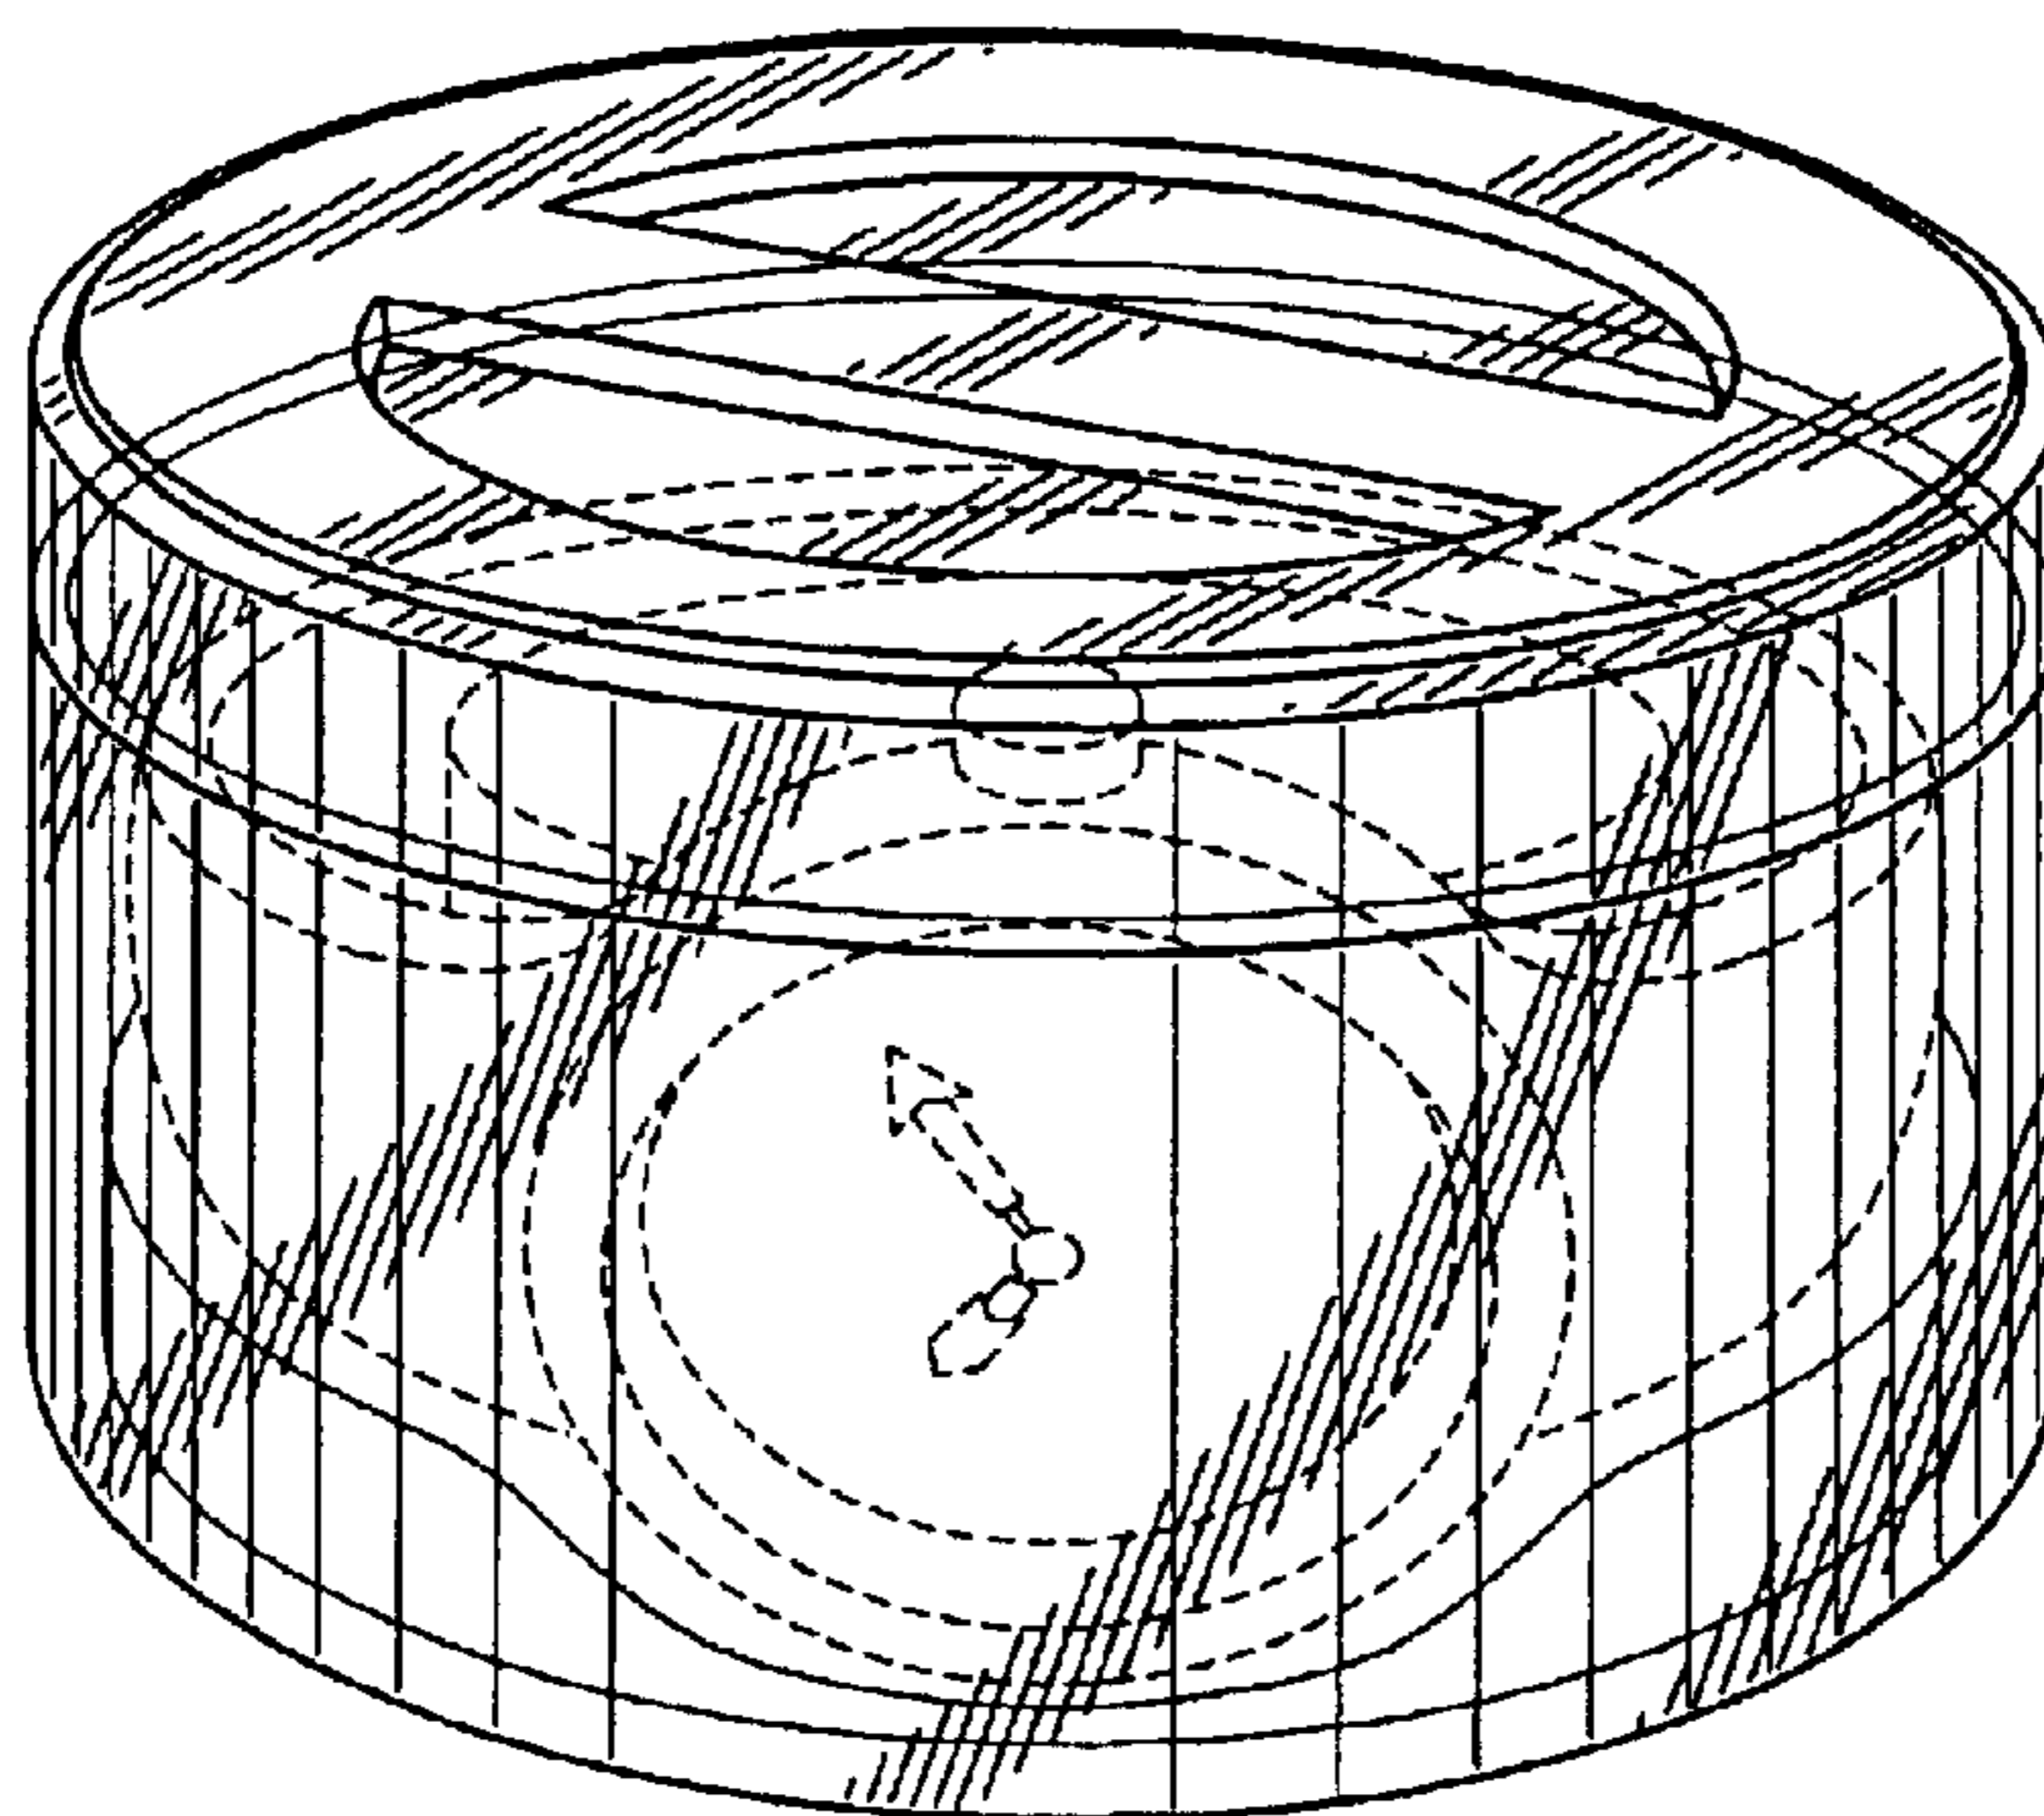

FIG. 2 is a front elevational view of the watch holding device of FIG. 1;

FIG. 3 is a top plan view of the illustrative watch holding device of FIG. 1; and,

FIG. 4 is a perspective view of another illustrative watch holding device embodying my inventive design, wherein the front elevational view and top plan view are similar to FIGS. 2-3 respectively, and wherein the watch stand is shown in solid lines as the appearance of this feature is also being claimed in this embodiment.

The broken lines shown in the figures are for illustrative and exemplary purposes only and form no part of the claimed design.
