(57) **CLAIM**

What is claimed is the ornamental design for a operating room ductwork, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation of the operating room ductwork of Applicants' invention.

FIG. 2 is a left side elevation of the operating room ductwork of Applicants' invention taken at an angle of 45 degrees relative to the front view of FIG. 1, the right side being a mirror image thereof.

FIG. 3 is a top view of the operating room ductwork of Applicants' invention; and,

FIG. 4 is a bottom view of the operating room ductwork of Applicants' invention.

There is no rear view shown, the same being unornamented and not visible in normal use of the invention.
