(57) CLAIM

I claim the ornamental design for a user interface and display for appliances, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a new user interface and display;

FIG. 2 is a second perspective view of a new user interface and display;

FIG. 3 is a top plan view of the user interface and display shown in FIG. 2;

FIG. 4 is a front elevational view of the user interface and display shown in FIG. 2;

FIG. 5 is a left side elevational view of the user interface and display shown in FIG. 2; and,

FIG. 6 is a right side elevational view of the user interface and display shown in FIG. 2.

The broken lines showing a curling iron are for illustrative purposes only and form no part of the claimed design.
