(57) **CLAIM**

The ornamental design for a lighted hair extension, as shown and described.

DESCRIPTION

The sole FIGURE, a black and white photograph, is a fragmentary plan view of a portion of a lighted hair extension, showing my new design. The FIGURE shows the light from a light source that is illuminating the portion of the lighted hair extension. The lighted hair extension is of indeterminate length; it being understood that the portion shown in the FIGURE may be repeated indeterminately in either or both directions.
