(57) **CLAIM**

The ornamental design for a rear sling adapter for a firearm,  
as shown and described.

**DESCRIPTION**

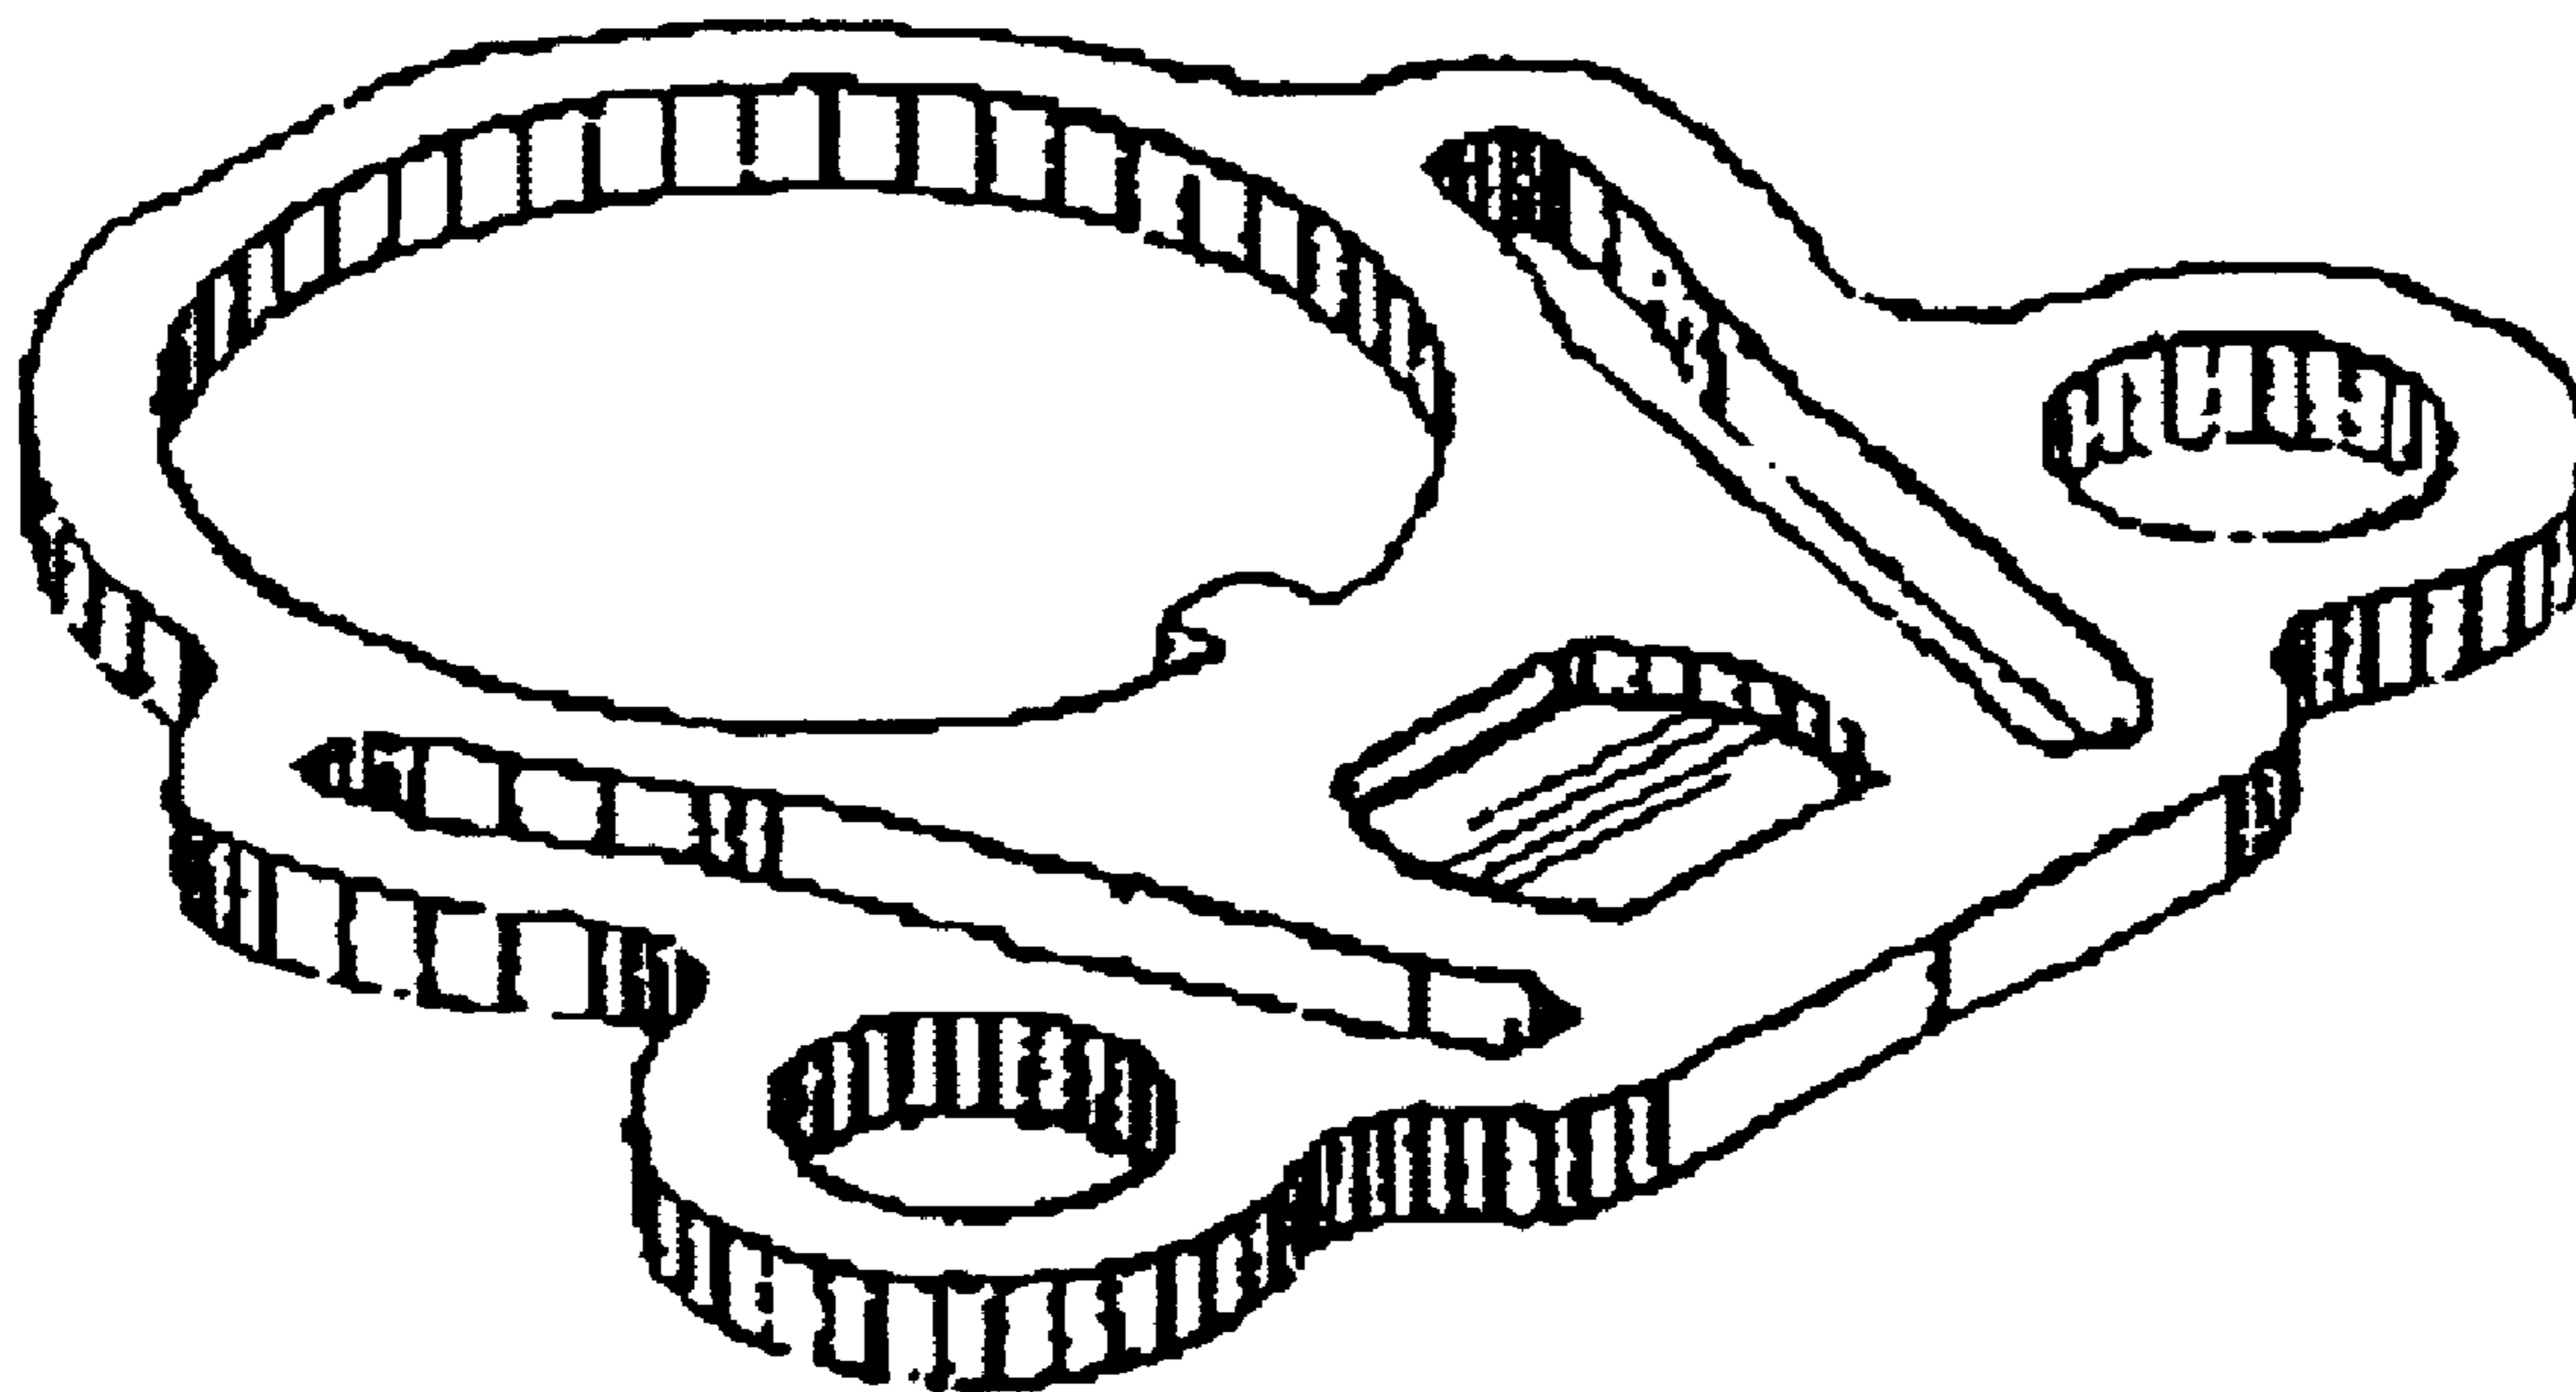

FIG. 1 is a front perspective view of the rear sling adapter  
for a firearm showing my new design;

FIG. 2 is a rear perspective view thereof; and,

FIG. 3 is a top plan view thereof.

The sling adapter is installed between the stock and receiver  
of a firearm, over the buffer tube, and allows a sling or other  
article to be attached at the point of installation.
