(57) **CLAIM**

I claim the ornamental design for a pendant, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the pendant of the present invention.

FIG. 2 is a front view of the pendant of the present invention.

FIG. 3 is a side view of the pendant of the present invention.

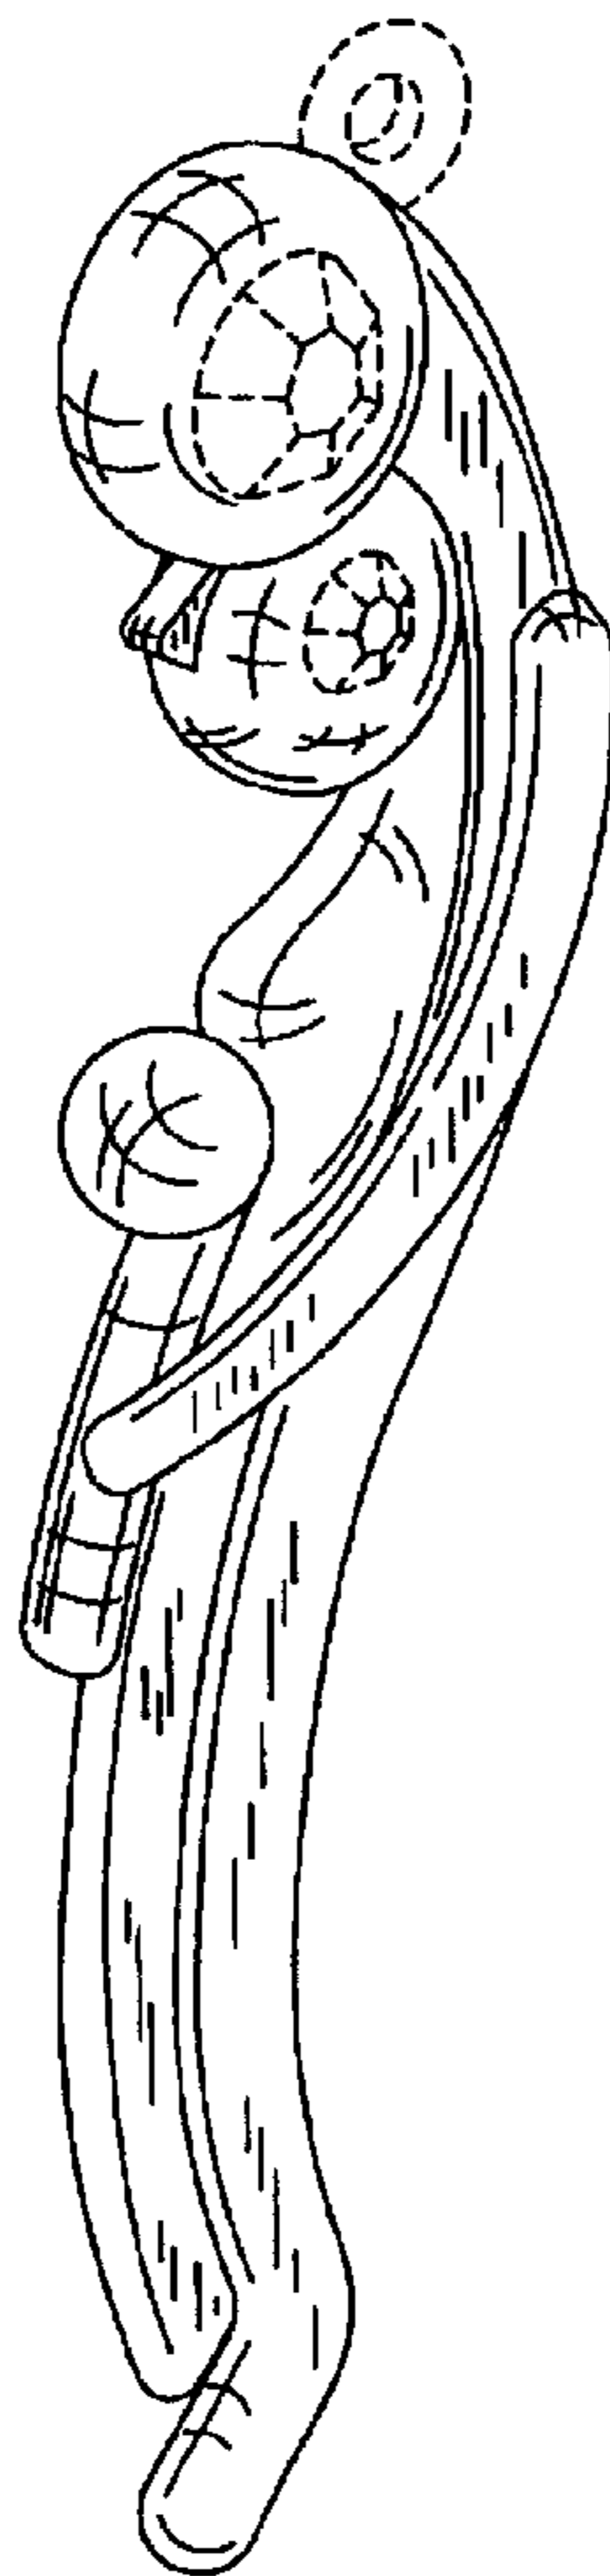

FIG. 4 is a back view of the pendant of the present invention.

FIG. 5 is a top plan view of the pendant of the present invention; and,

FIG. 6 is a bottom plan view of the pendant of the present invention.

The sides of the pendant of the present invention are mirror images of each other, and therefore only one side of the present invention is depicted in the figures.
