(57) **CLAIM**

The ornamental design for duck dental floss holder, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a duck dental floss holder according to the present invention, with a strand of dental floss shown in phantom lines, not forming a part of the present invention.

FIG. 2 is a top and left side perspective view of the duck dental floss holder.

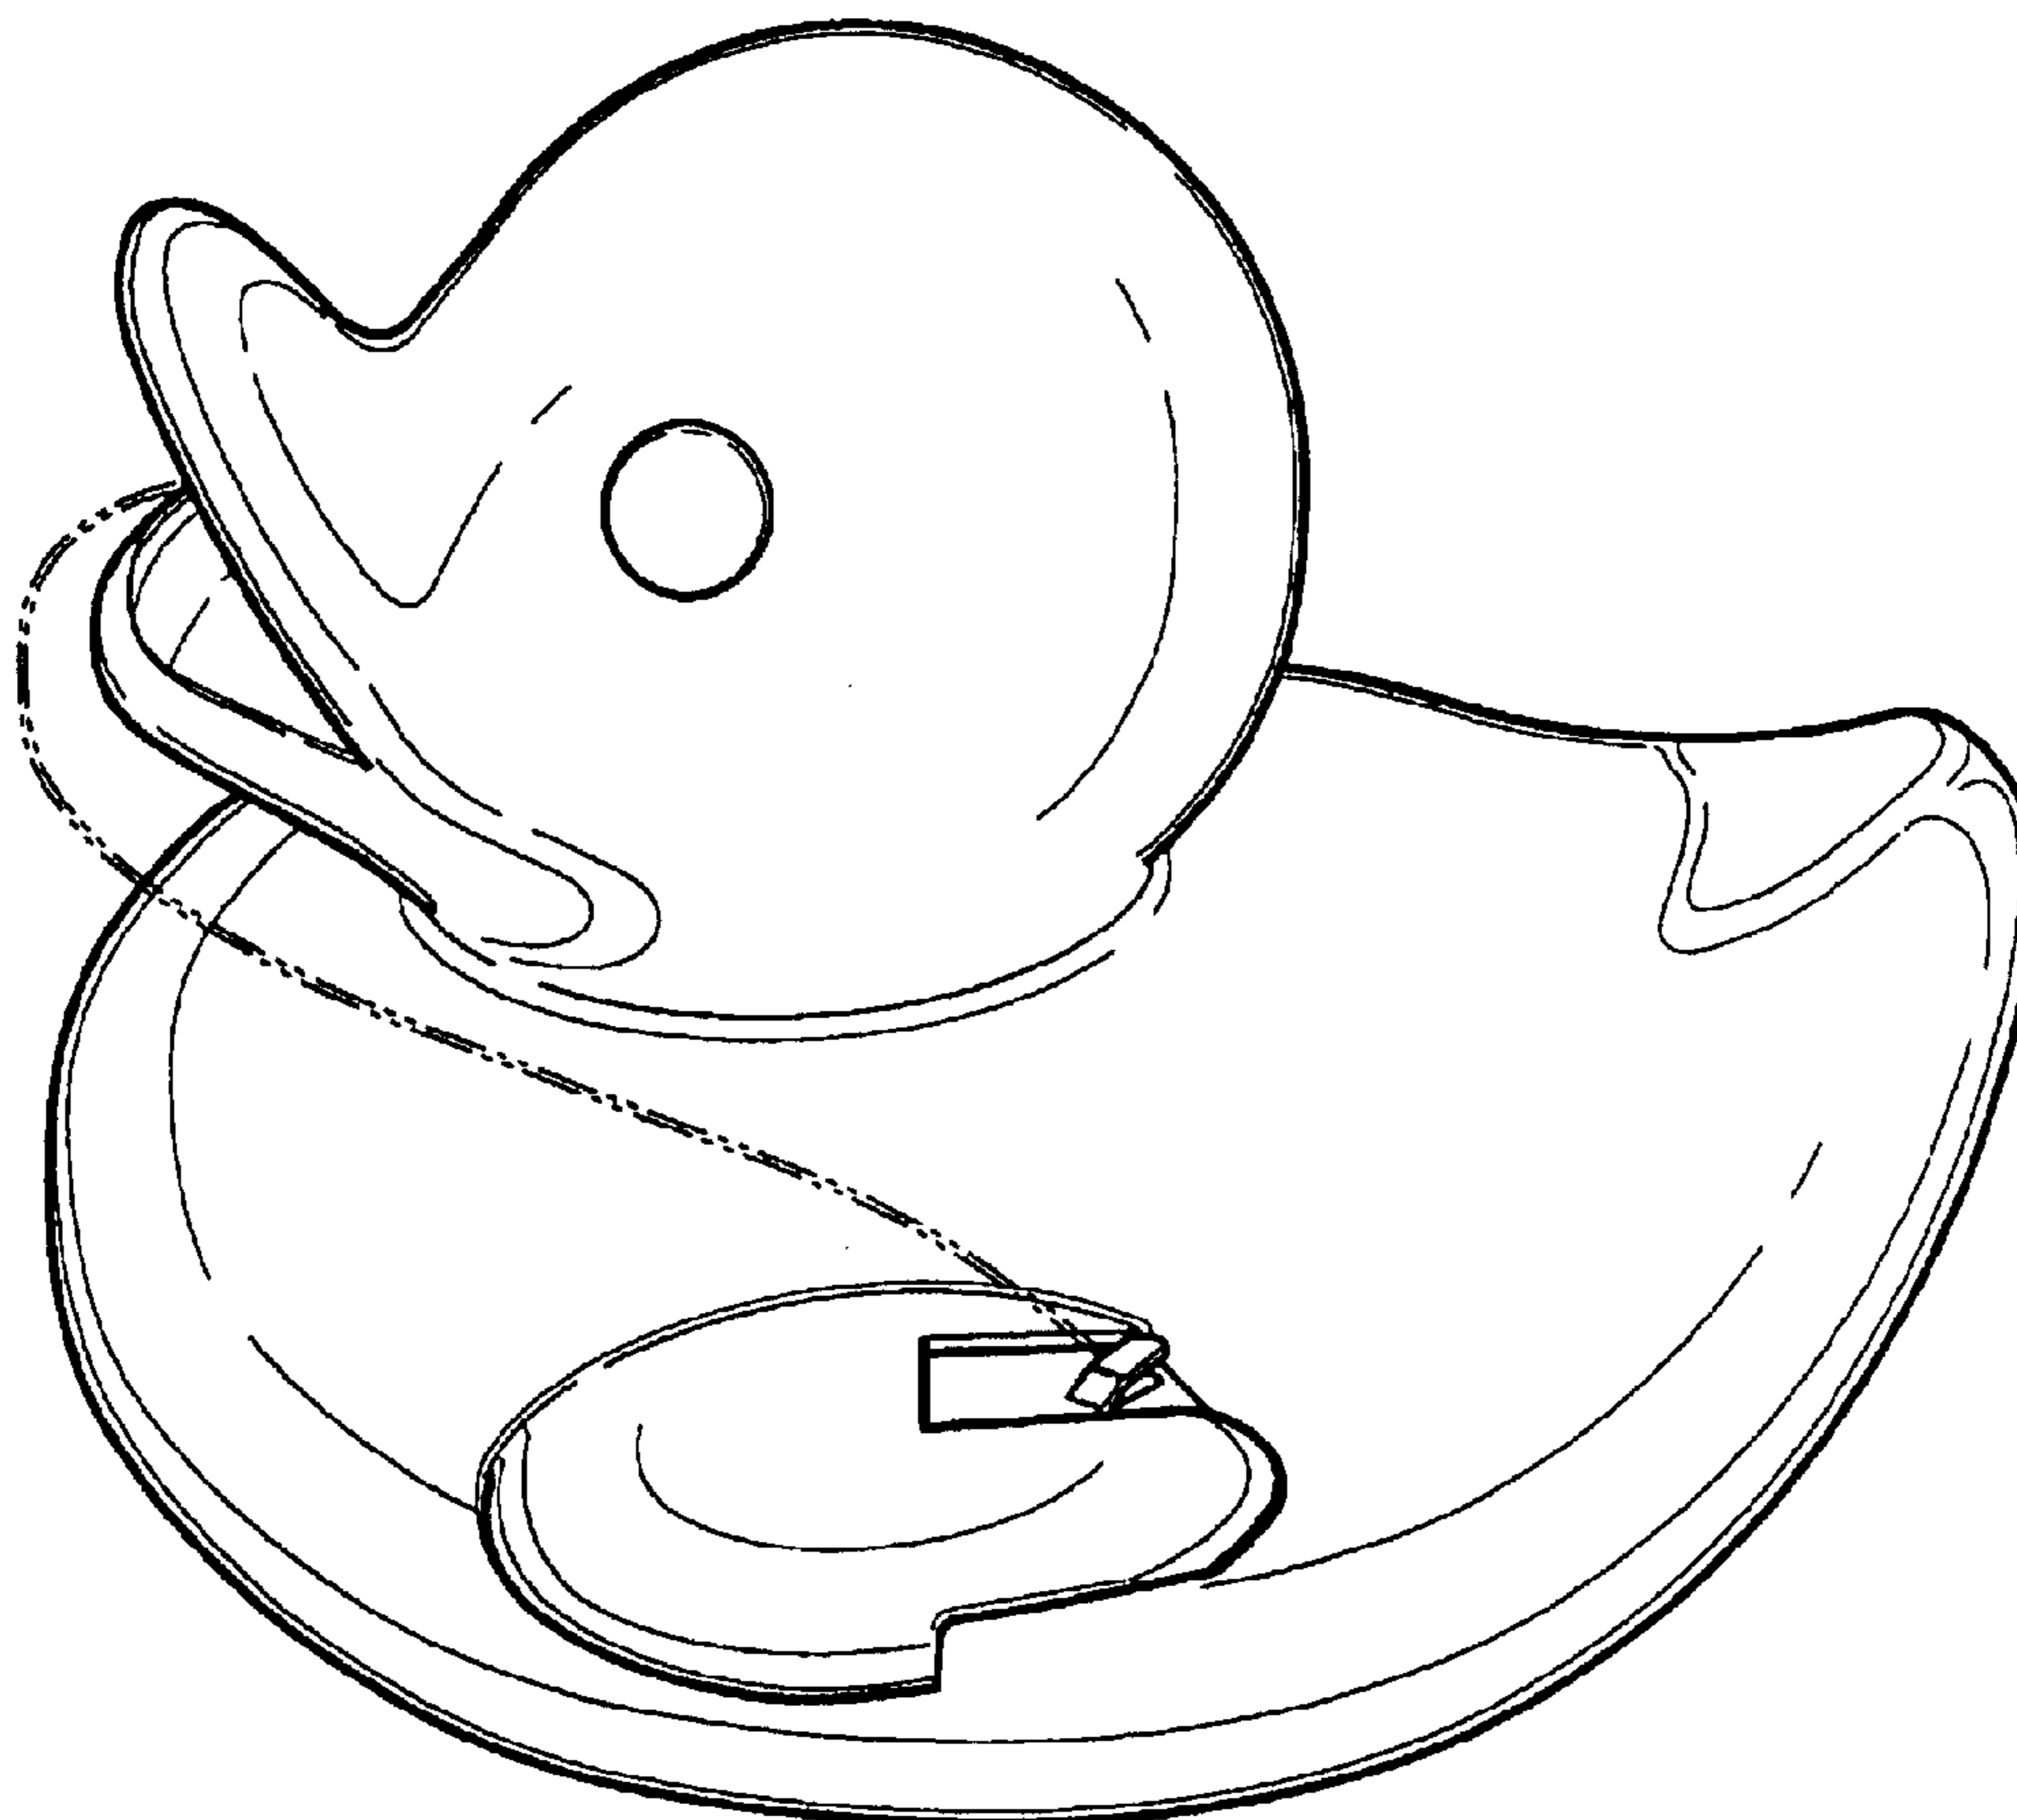

FIG. 3 is a rear view of the duck dental floss holder shown in FIGS. 1 and 2, with a strand of dental floss shown in phantom lines, not forming a part of the present invention.

FIG. 4 is a top and right side perspective view of the duck dental floss holder; and,

FIG. 5 is a bottom view of the duck dental floss holder shown in FIGS. 1-4.

The broken lines showing a strand of dental floss are for illustrative purposes only and do not form part of the claimed design.
