(57) **CLAIM**

The ornamental design for a tire pressure gauge, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the tire pressure gauge; FIG. 2 is a rear elevational view of the tire pressure gauge; FIG. 3 is a top plan view of the tire pressure gauge; FIG. 4 is a bottom plan view of the tire pressure gauge; FIG. 5 is a right side elevation view of the tire pressure gauge; FIG. 6 is a left elevational view of the tire pressure gauge; FIG. 7 is a perspective view of the tire pressure gauge; and, FIG. 8 is a perspective view of a second embodiment of the tire pressure gauge.

The second embodiment differs from the first embodiment only in the addition of the metal rings shown in FIG. 8.
