DESCRIPTION

FIG. 1 is a back view of an infant and document transport harness embodying my new design;
FIG. 2 is front view thereof;
FIG. 3 is a front side perspective view thereof;
FIG. 4 is a bottom plan view of the inside of the transport harness in a planar condition;
FIG. 5 is a top plan view of the outside of the transport harness in a planar condition; and,
FIG. 6 is a front side perspective view thereof with pouches in a collapsed condition.
It being understood that the broken lines illustrated on the harness represent stitching.
