(57) **CLAIM**

The ornamental design for a motorcycle exhaust muffler, as  
shown and described.

**DESCRIPTION**

The article in which the design is embodied comprises a  
motorcycle muffler intended to be installed as an integral  
component of a motorcycle as a part of the motorcycle's  
engine exhaust assembly.

Characteristic features of the article in which the design is  
embodied comprise conical tapering of a forward end of  
such article and fins extending radially outwardly from the  
opposite end of such article.

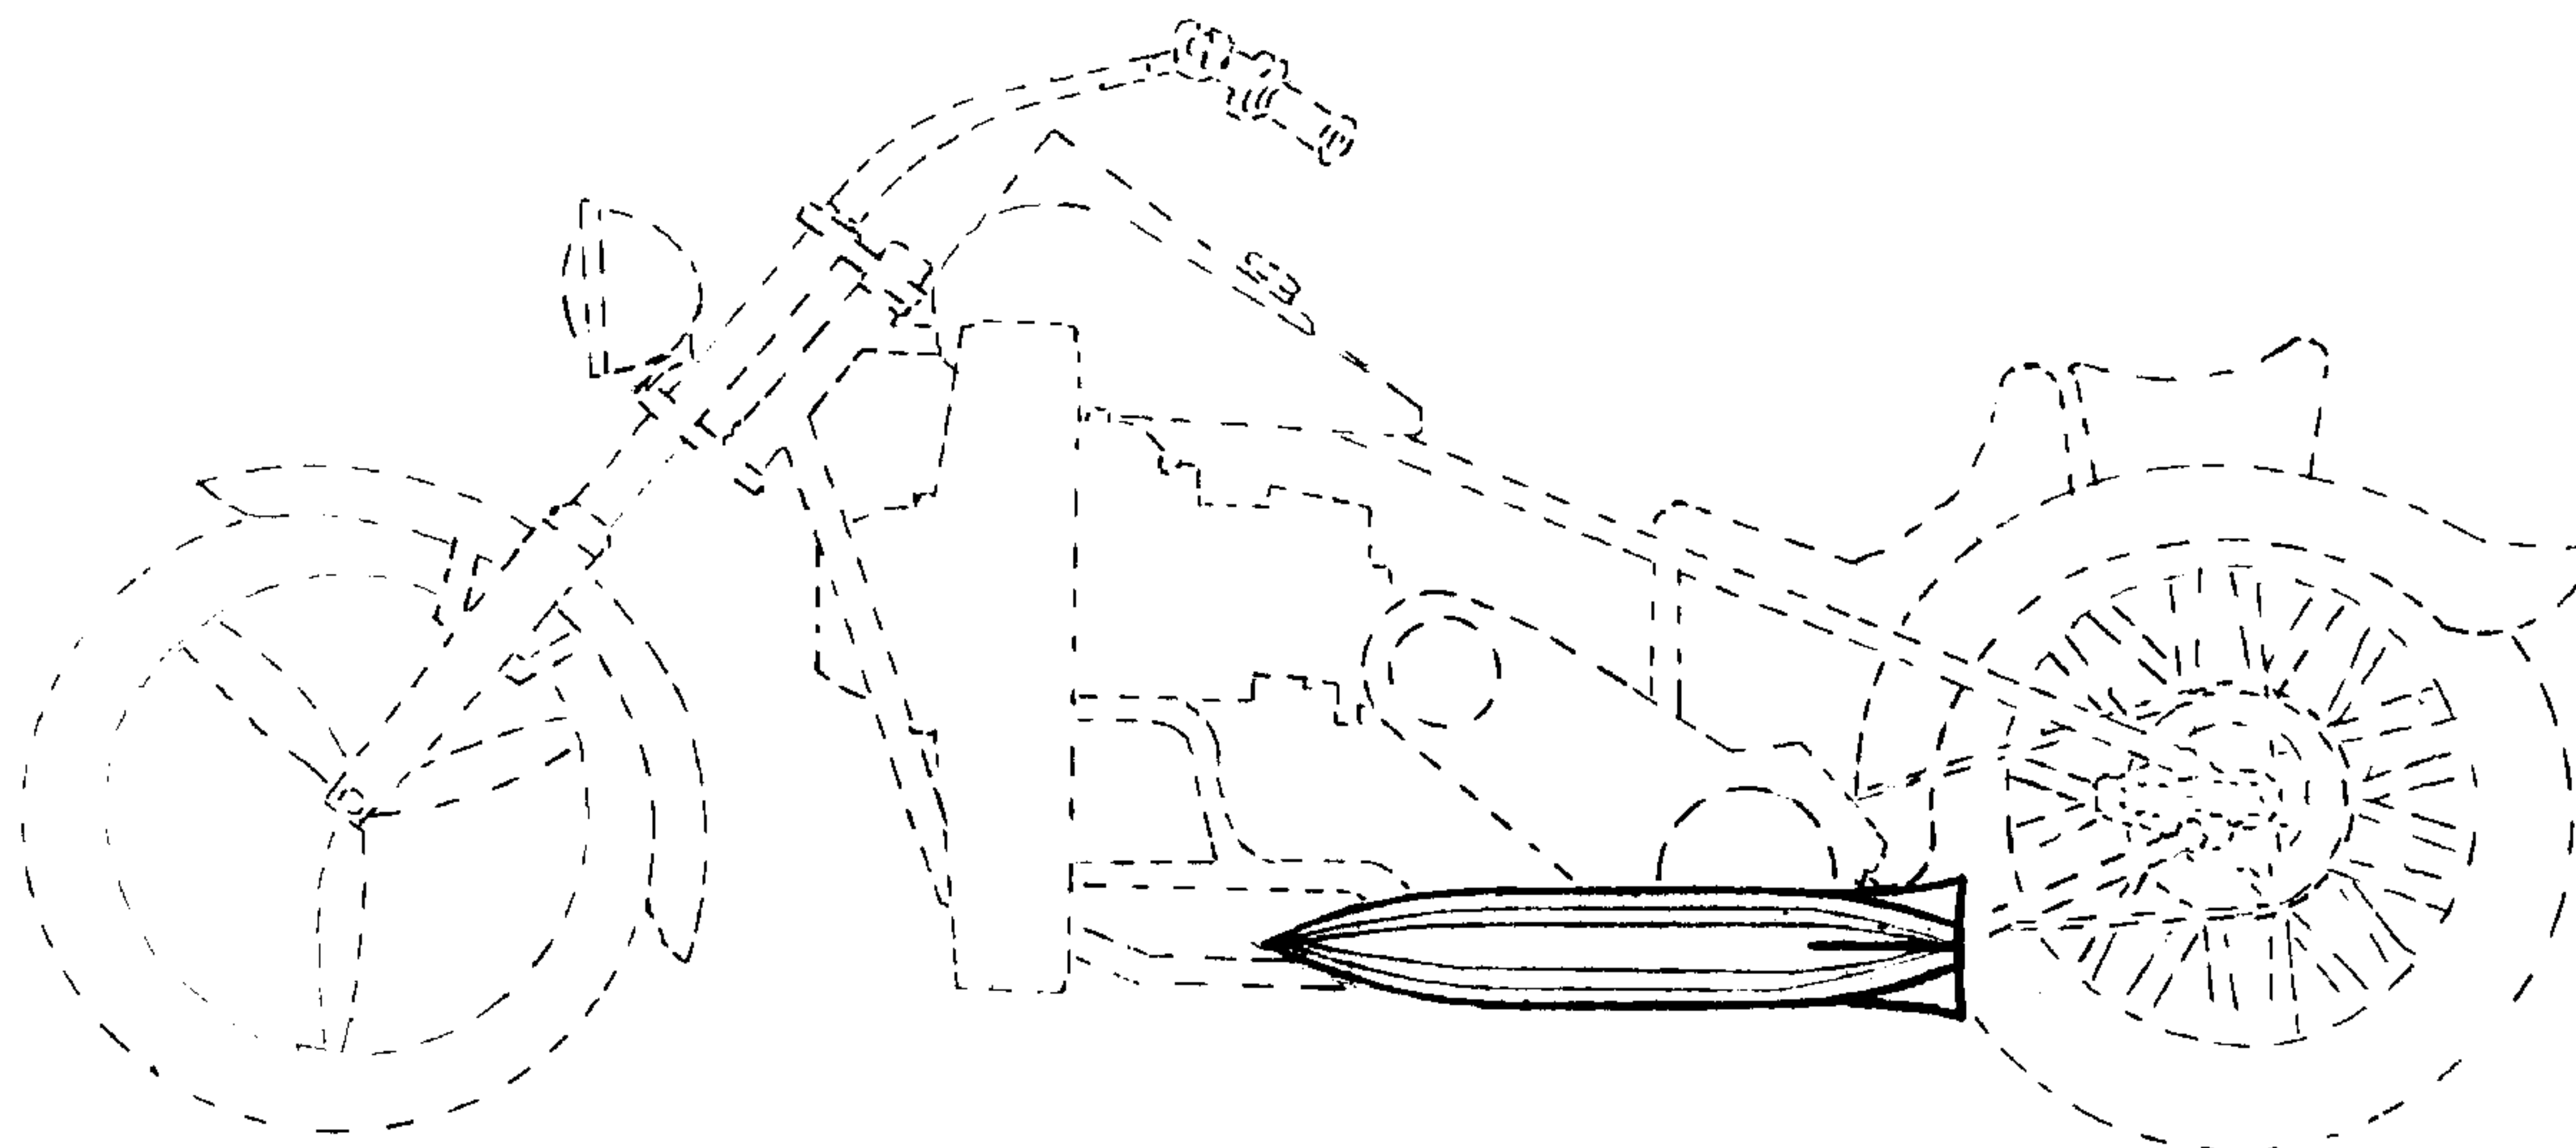

FIG. 1 is a side elevational view of a motorcycle exhaust  
muffler, showing my new design;

FIG. 2 is a top plan view thereof; and,

FIG. 3 is a rear elevational view thereof.

The broken lines in the drawings represent environmental  
structure only and form no part of the claimed design.
