(57) **CLAIM**

I claim the ornamental design for the seat-belt cover, as shown and described.

DESCRIPTION

A child safety cover for prevention of access from children to automobile seat-belts.

FIG. 1 is a top plan view of the seat-belt cover of the present design.

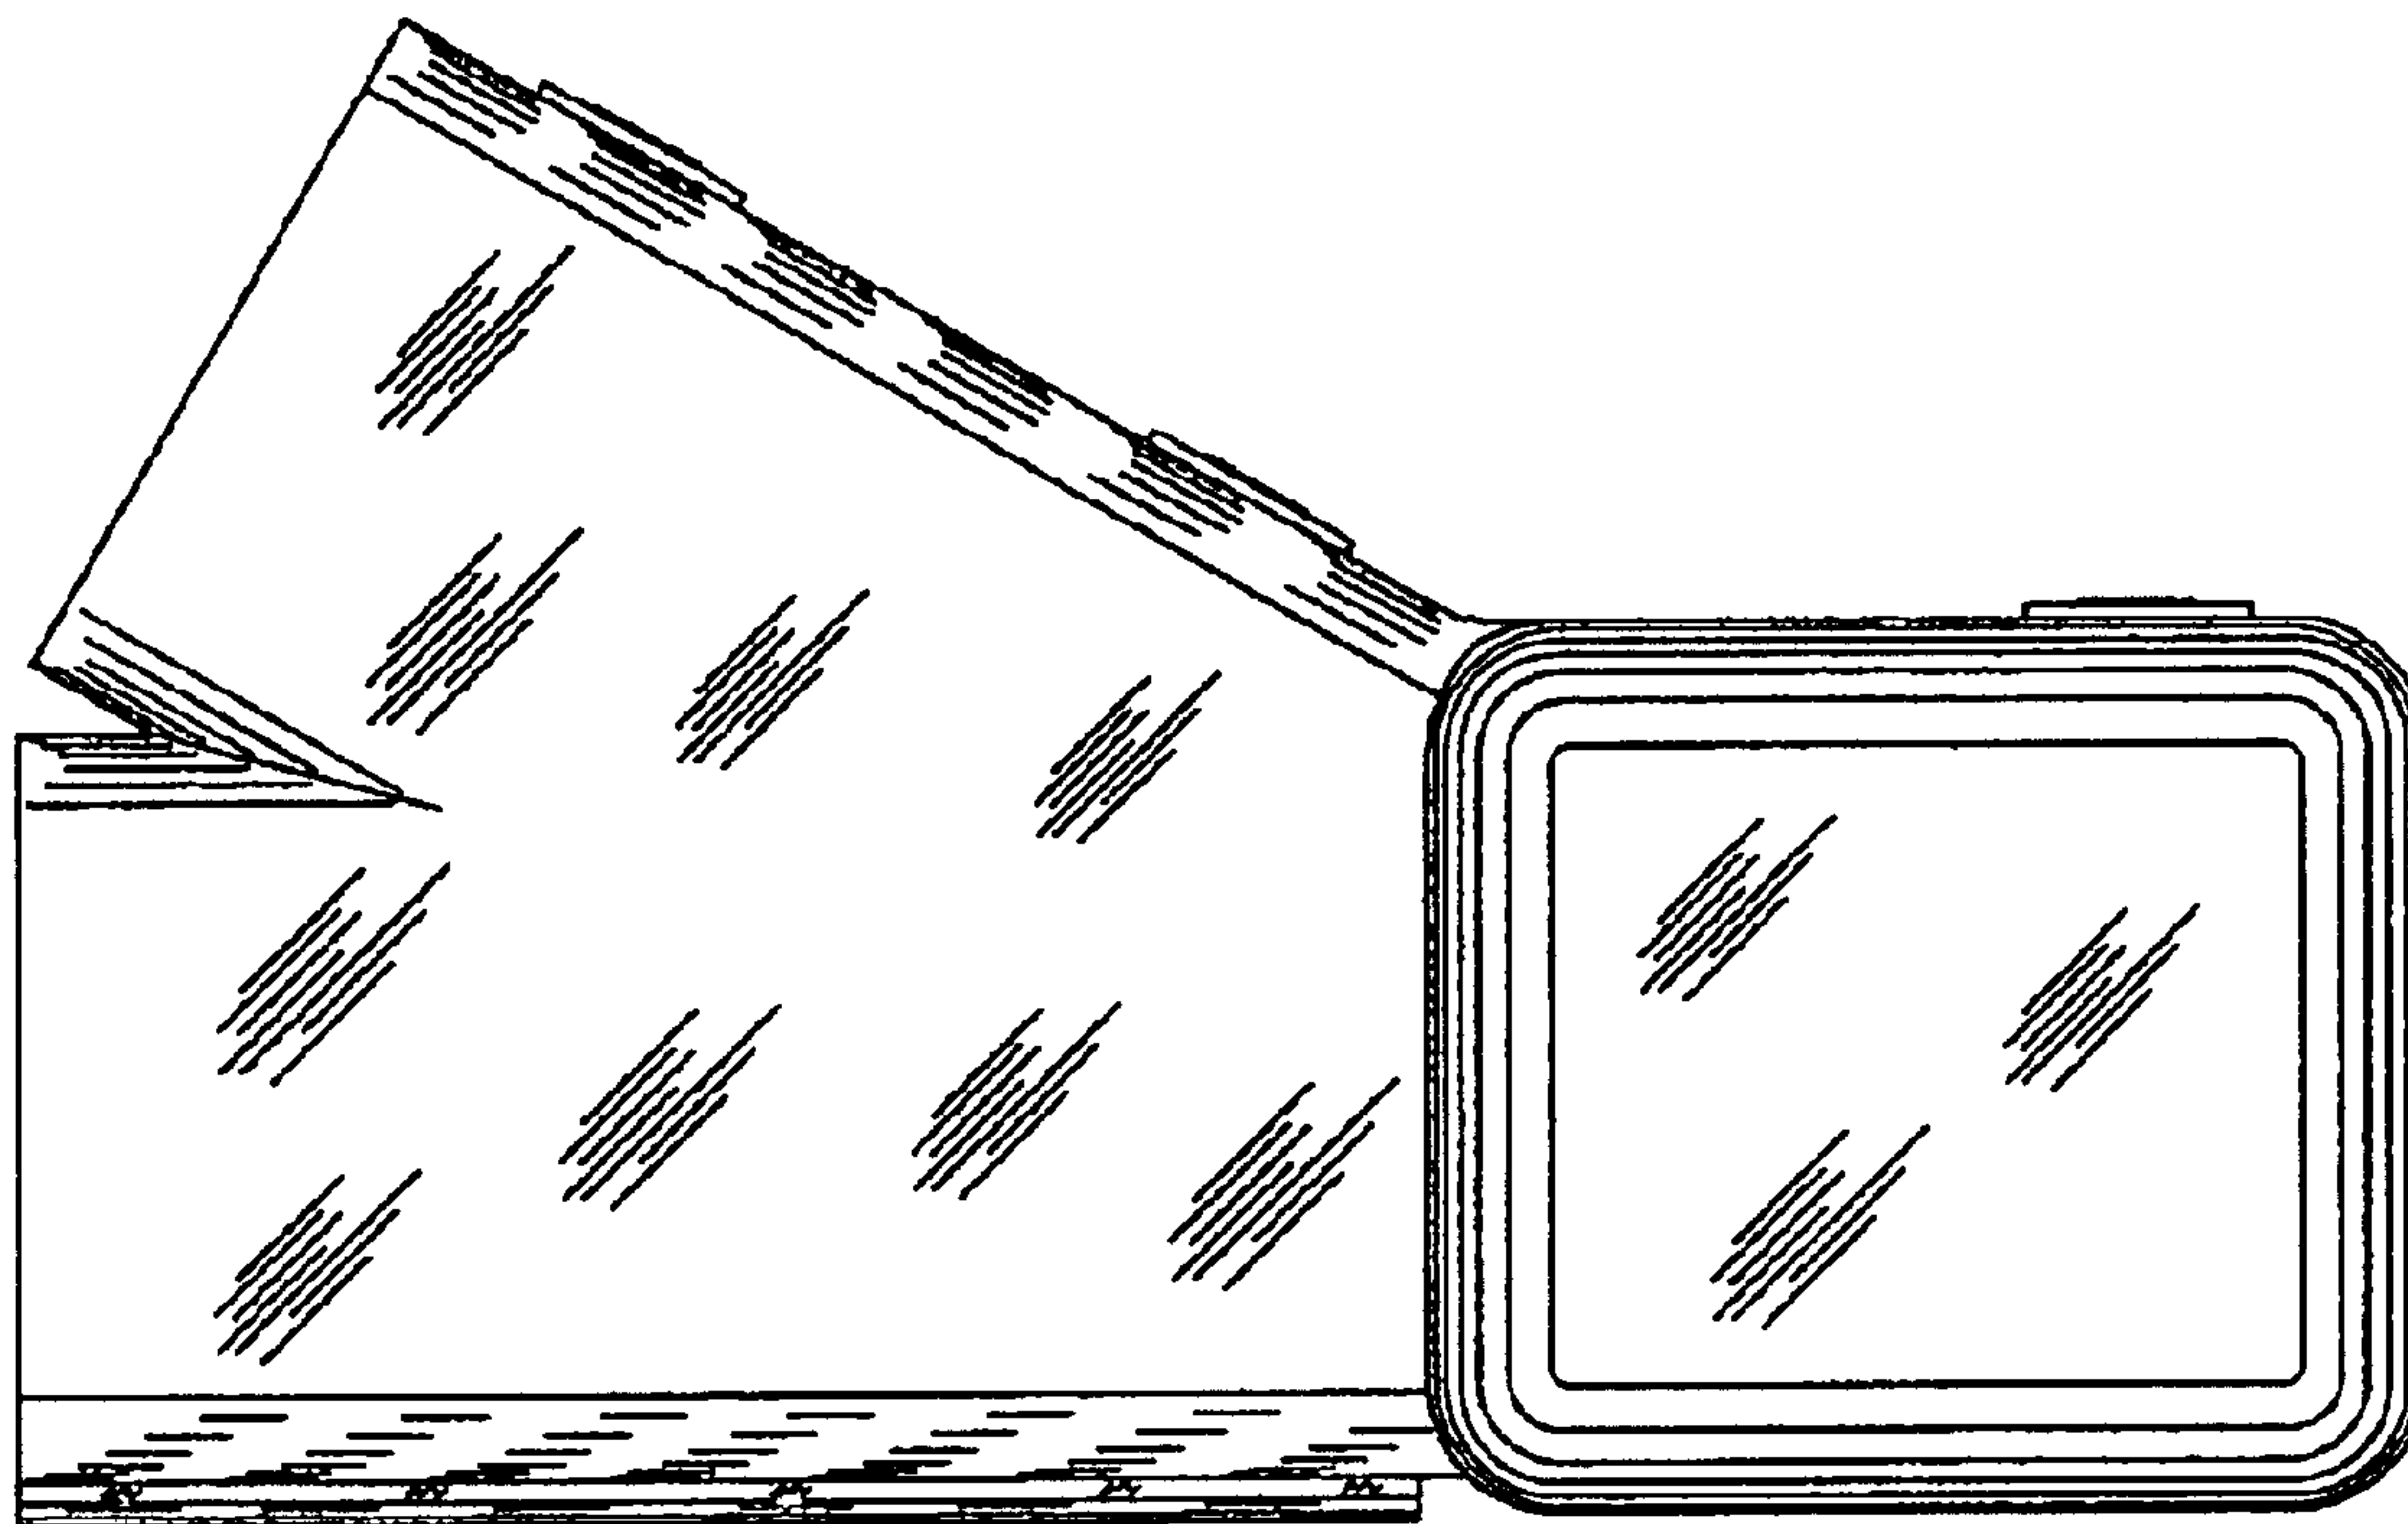

FIG. 2 is a bottom plan view of the seat-belt cover of the present design.

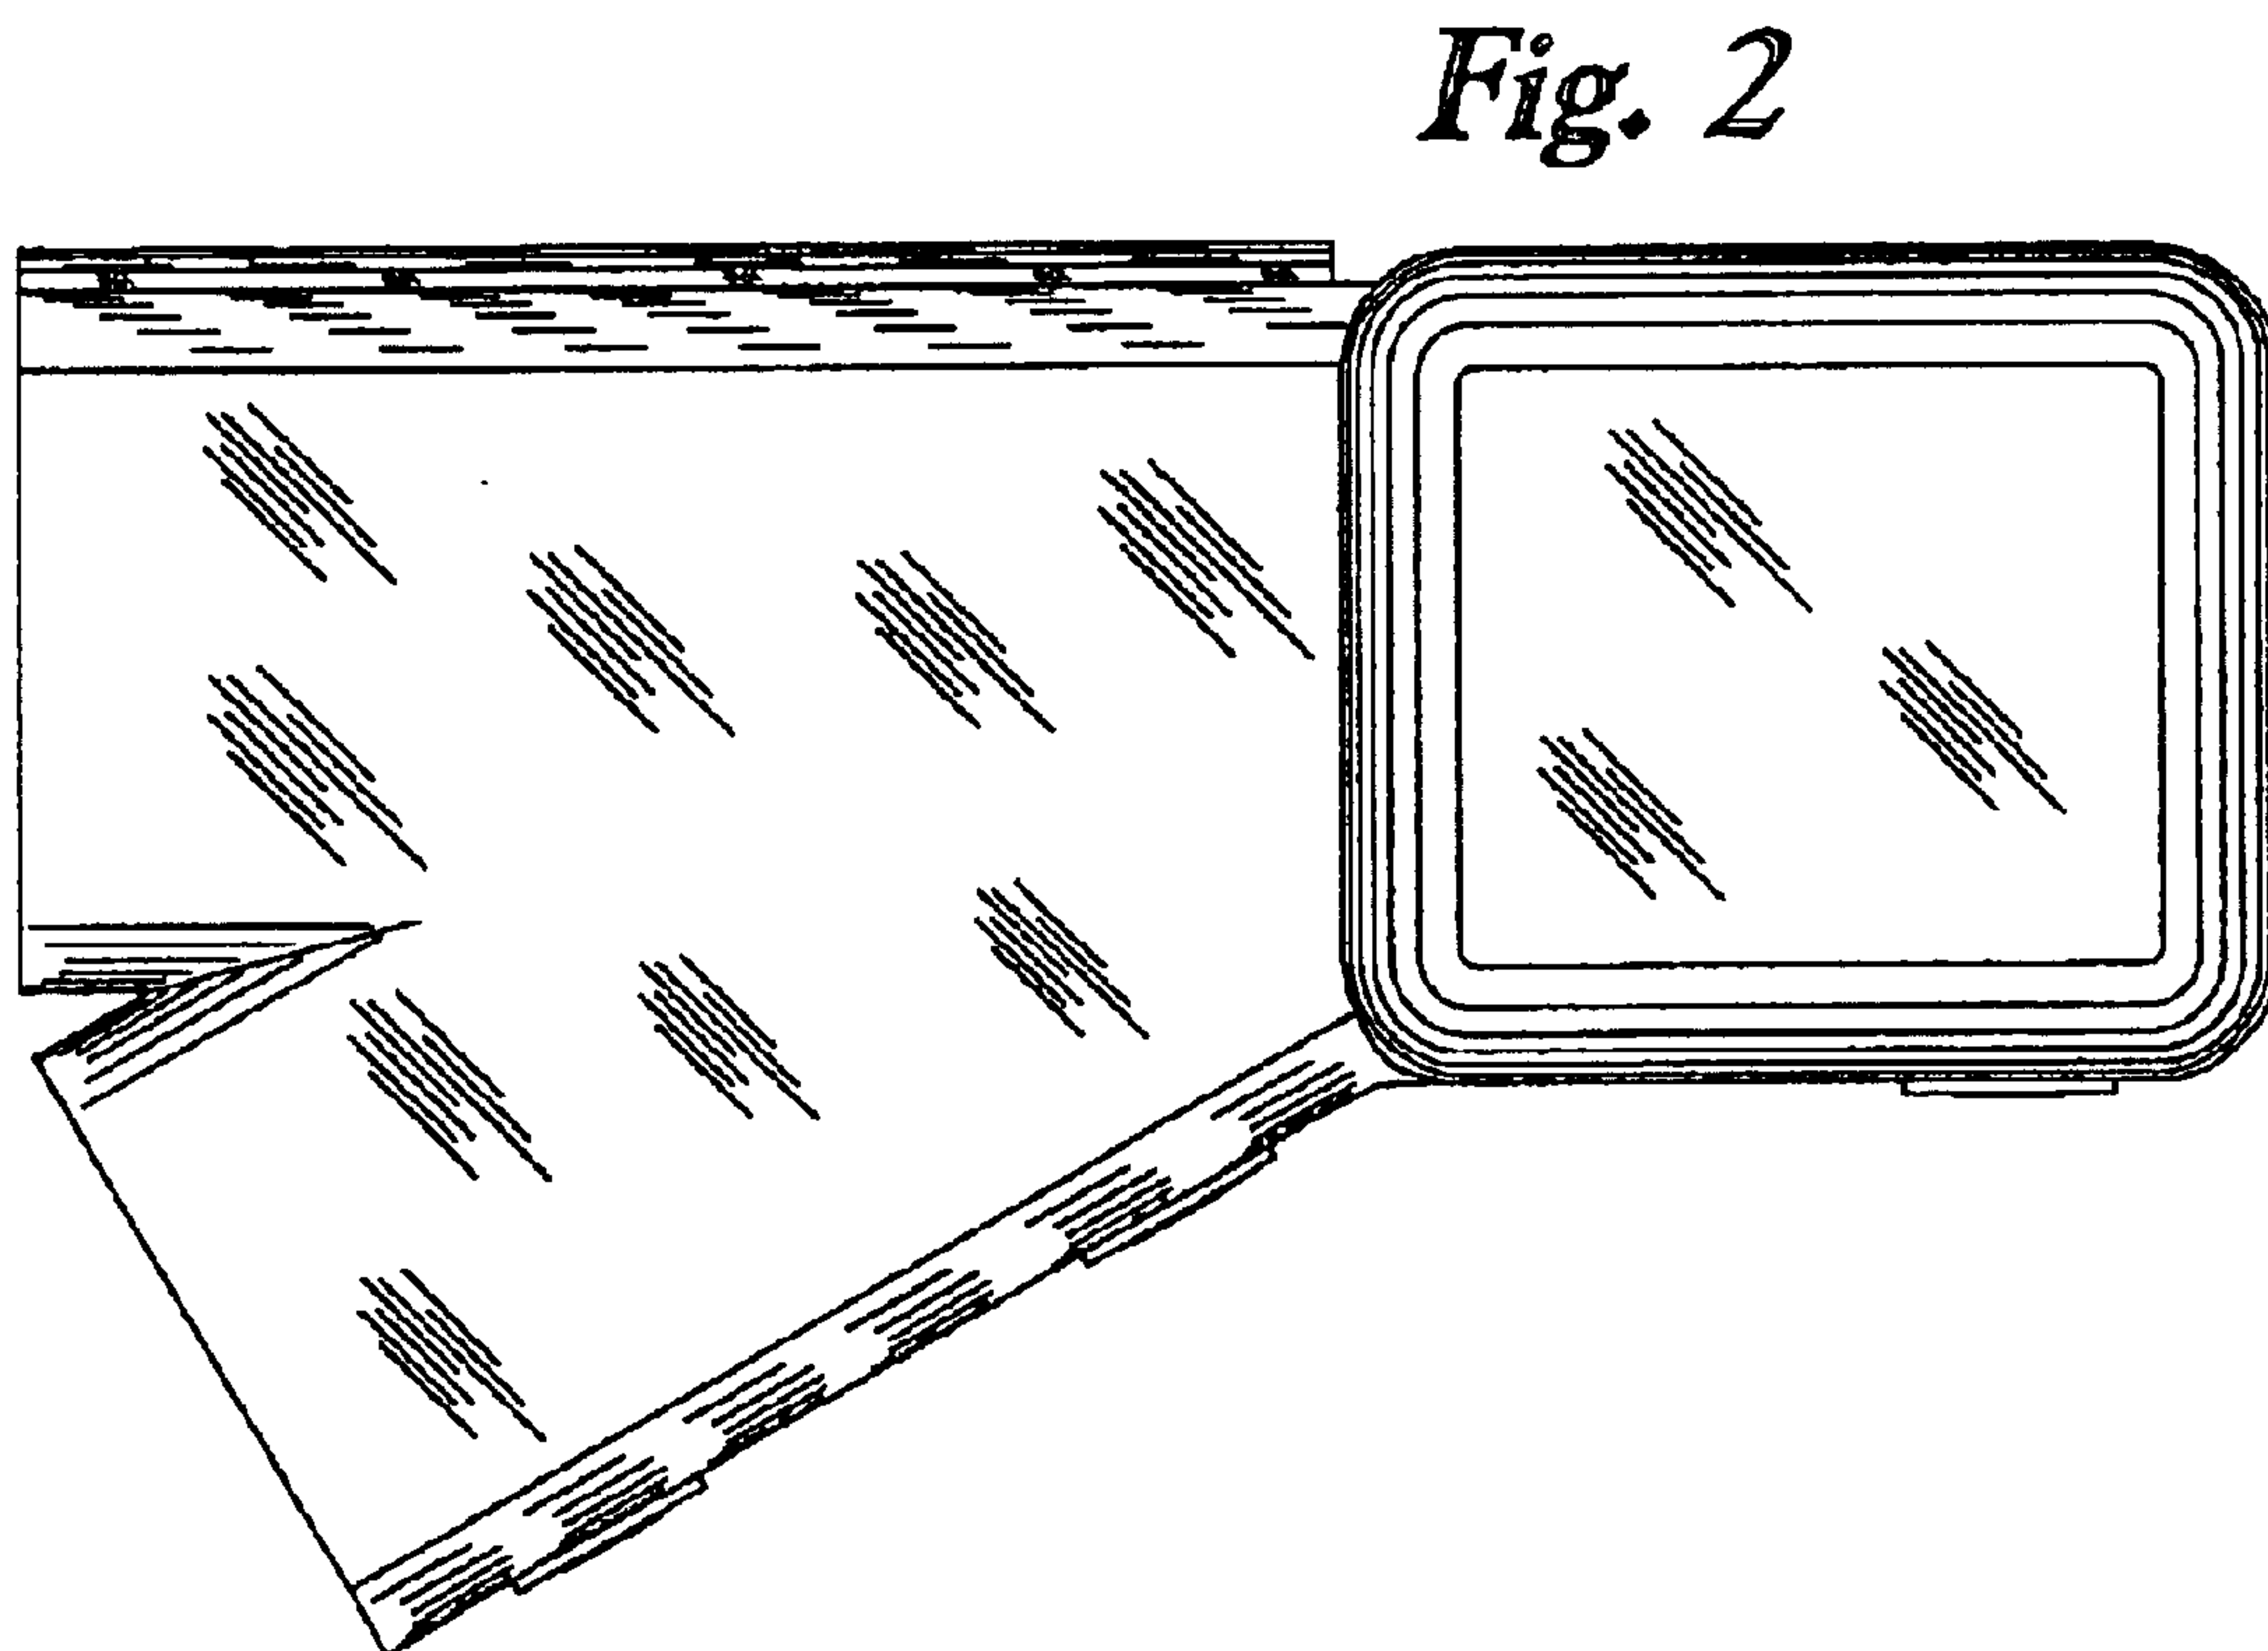

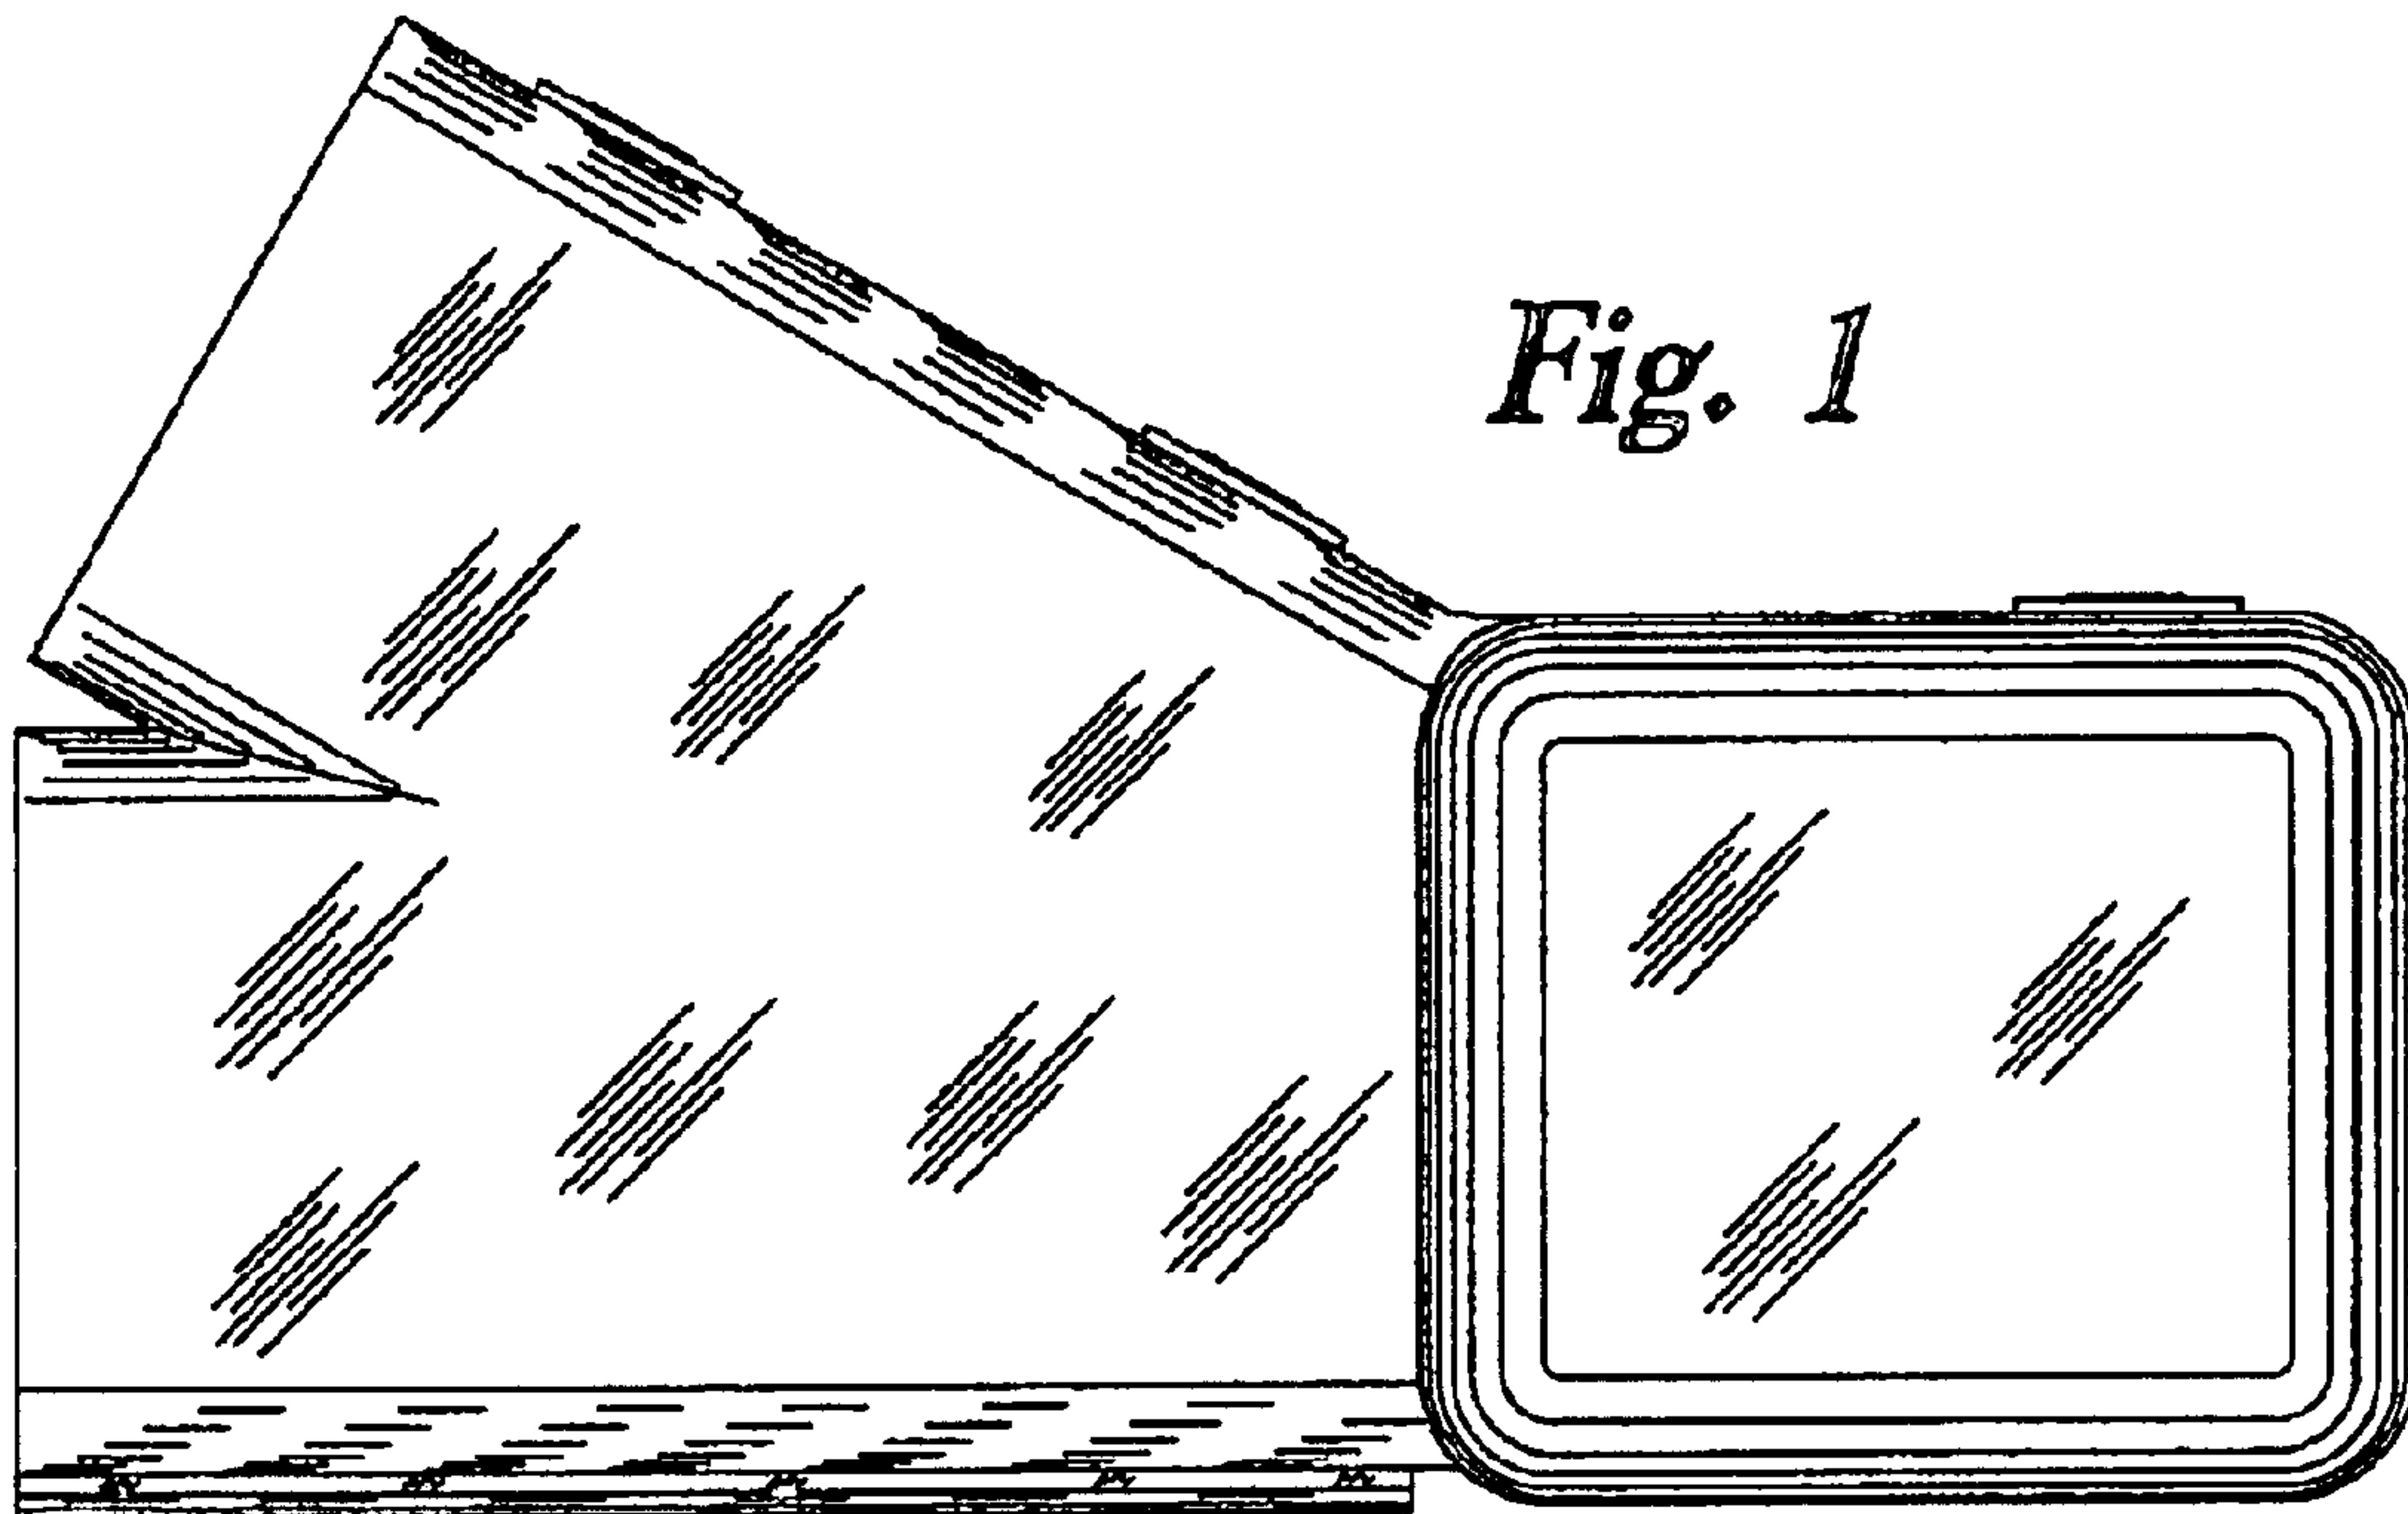

FIG. 3 is a top plan view of the seat-belt cover of the present design illustrating its two halves in an opened position.

FIG. 4 is a left side elevation view of the seat-belt cover of the present design; and,

FIG. 5 is a right side elevation view of the seat-belt cover of the present design.
