(57) **CLAIM**

The ornamental design for insect trap housing portion, as shown and described.

DESCRIPTION

The insect trap housing portion of this application is further described in the co-pending utility application filed Oct. 11, 1992, titled, Light Trap for Insects, having Application Ser. No. 10/270,095, which is incorporated herein by reference in its entirety.

FIG. 1 is a front and bottom perspective view of our new design for an insect trap housing portion;

FIG. 2 is a top plan view thereof;

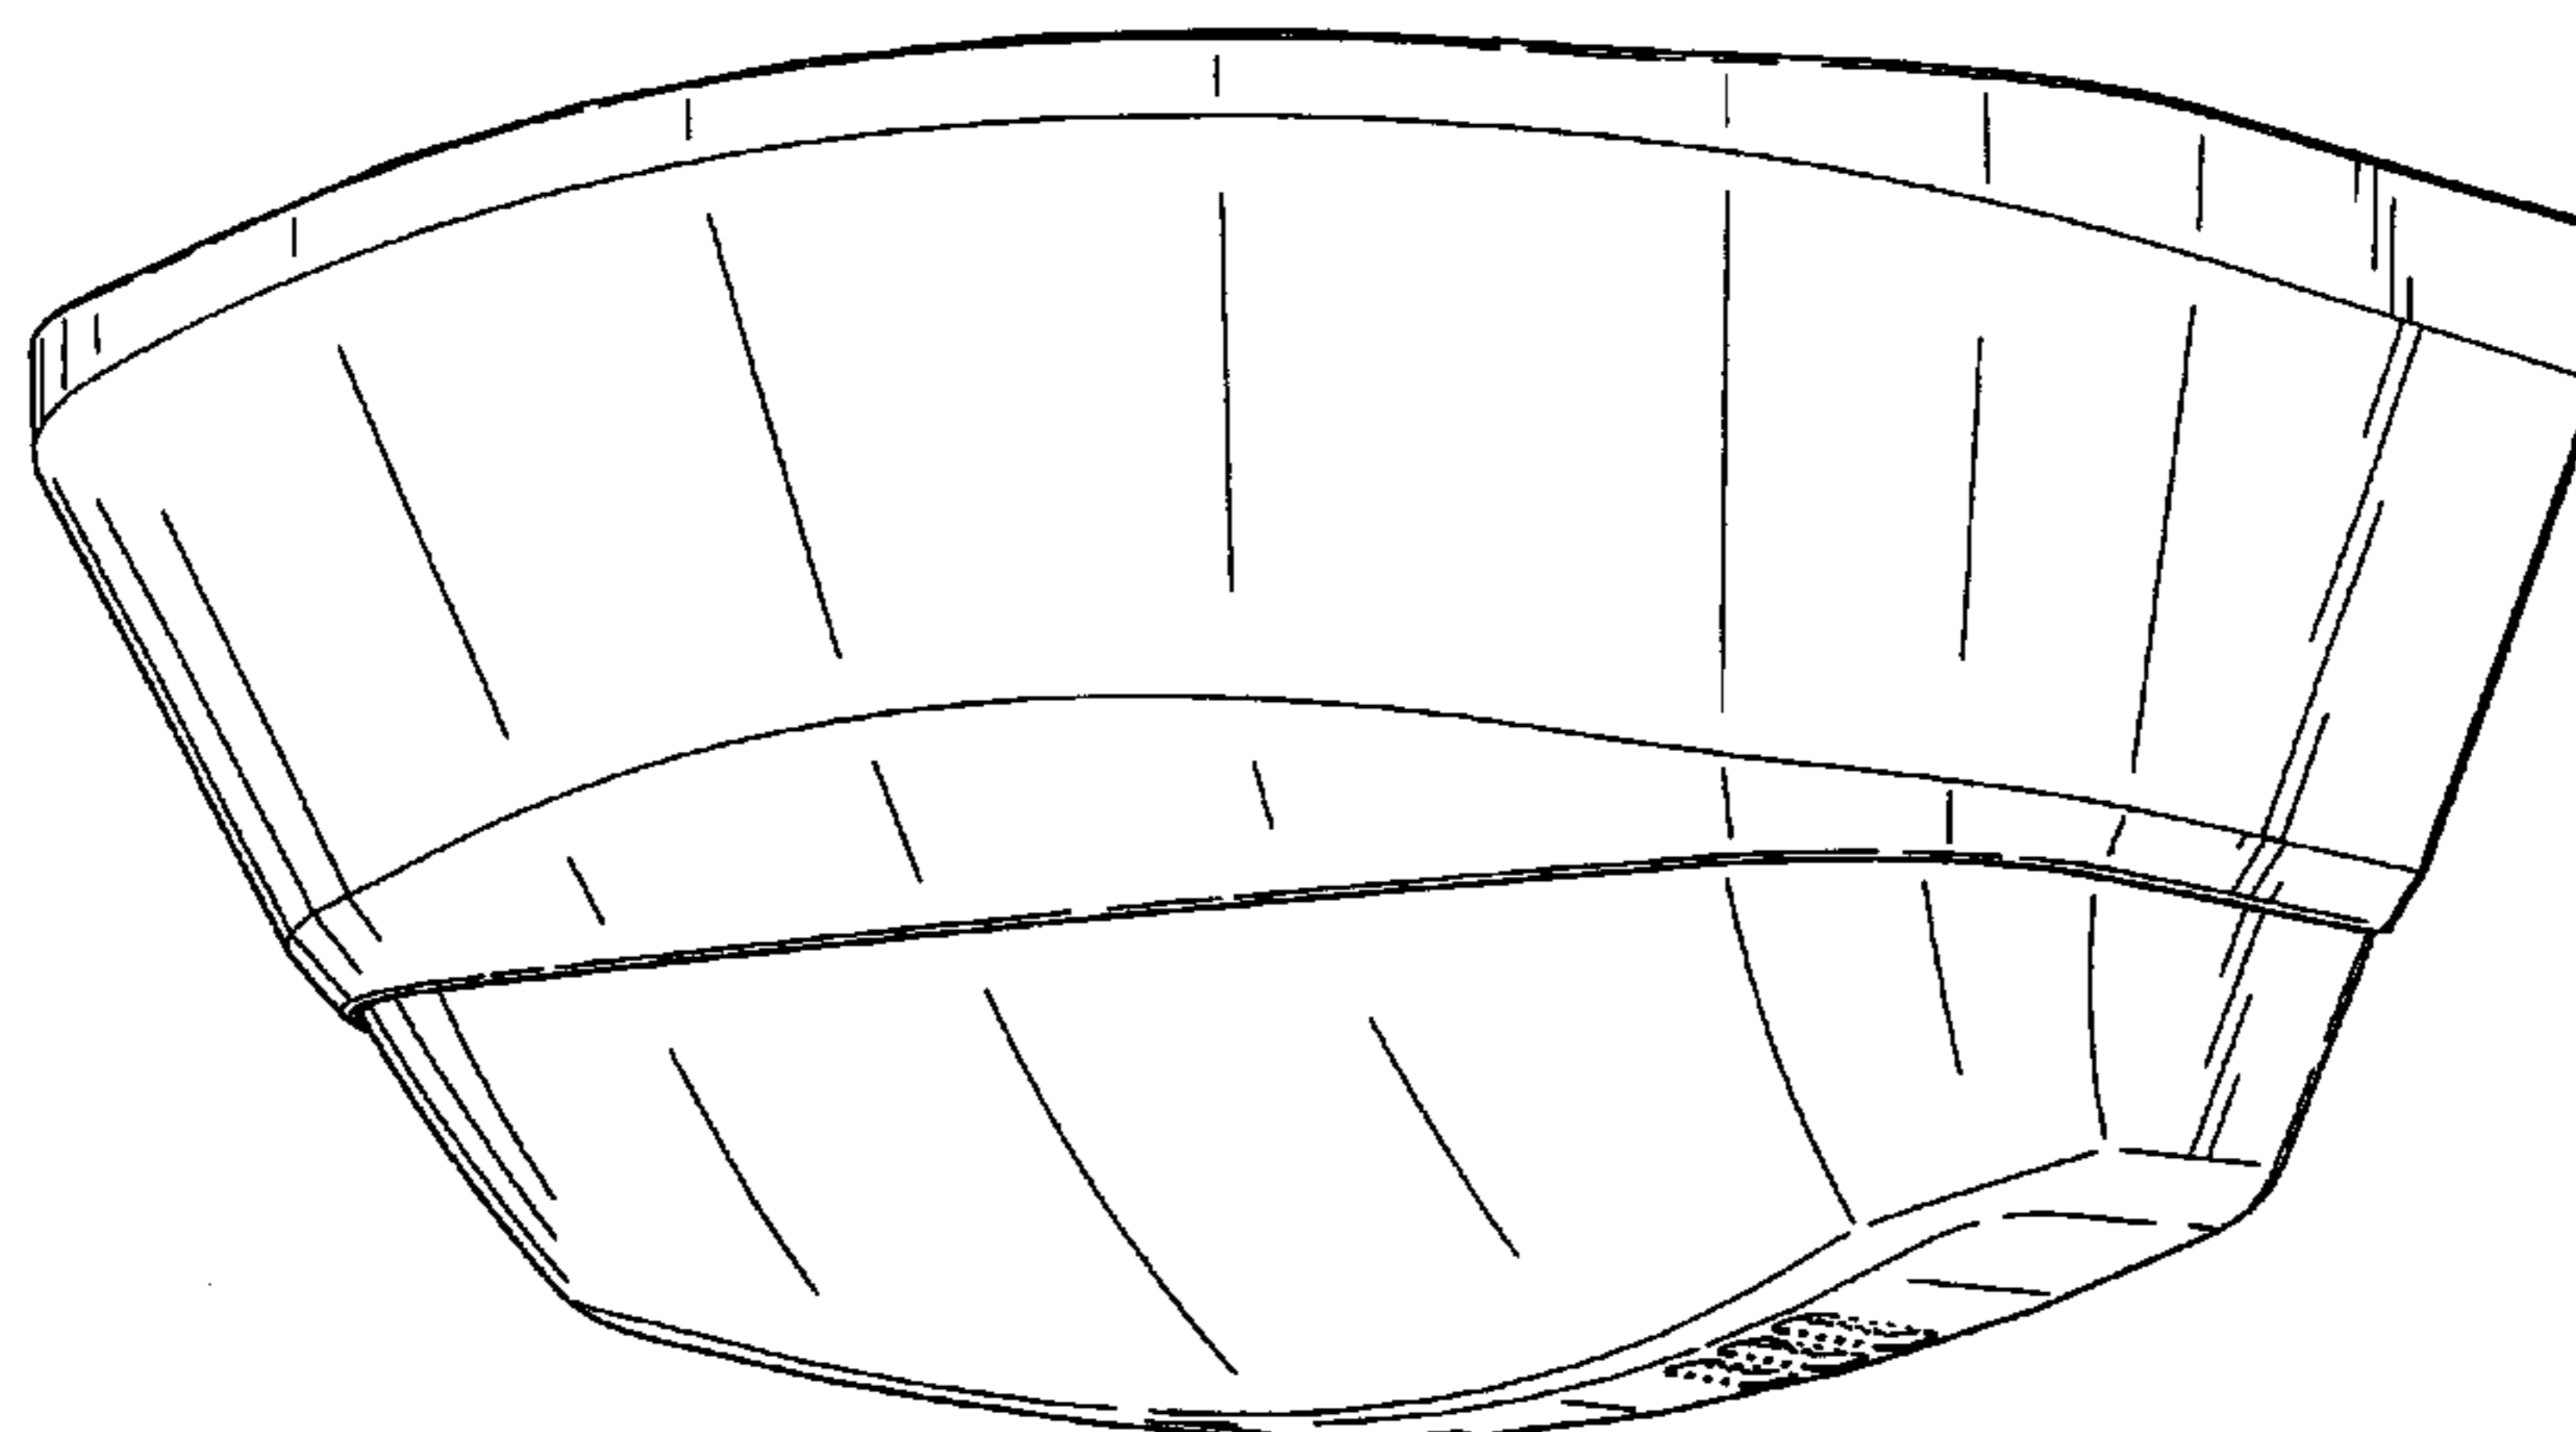

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a front elevation view thereof; and,

FIG. 5 is a left side elevation, with the right side elevation being a mirror image thereof.

The evenly broken lines on FIGS. 1-3 and 5 illustrate portions of an insect trap that do not form part of the claimed design for an insect trap housing portion.

1 Claim, 5 Drawing Sheets
