(57) **CLAIM**

The ornamental design for an embossed panel, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevation view of an embossed panel showing a first embodiment of my new design, the design being particularly suited for imparting an ornamental appearance to a sheet metal face of an overhead door;

FIG. 2 is a front elevation view of an embossed panel showing a second embodiment of my new design;

FIG. 3 is a perspective view of the embossed panel of FIG. 1;

FIG. 4 is a cross-sectional view of the embossed panel of FIG. 1 taken along line 4—4 as shown in FIG. 1; and,

FIG. 5 is a front elevation view of the embossed panel of FIG. 1, the embossed panel being incorporated into a face of a section of a metal sectional overhead door shown in broken lines.

The views of the embossed panel not shown form no part of the claimed design.

The broken lines depicting doors, door sections, and other ornamental and functional elements of such doors and door sections represent environmental elements only and form no part of the claimed design.

**1 Claim, 5 Drawing Sheets**
