(57) **CLAIM**

I claim the ornamental design for furniture article with quirked beading, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the furniture article with quirked beading of the present invention, it being understood that the surface is flat and two-dimensional except for the quirked beading areas, which are illustrated in FIGS. 2 and 3.

FIG. 2 is an enlarged perspective view of the quirked beading, shown separately for completeness of illustration, and to show the contours of the quirked beading; and, FIG. 3 is a top view of FIG. 2.

The broken lines shown are for illustrative purposes only and form no part of the claimed design.
