(57) **CLAIM**

The ornamental design for the rain chime, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the present invention showing the front, top and side of the invention; FIG. 2 is a side elevational view of the present invention, both sides being identical; and, FIG. 3 is a front elevational view of the present invention, the back being identical to the front. The broken-line showings of support brackets are for illustrative purposes only and form no part of the claimed design.
