(57) **CLAIM**

The ornamental design for a trailer step, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a trailer step of my invention; FIG. 2 is a top plan view thereof, the bottom plan view being not visible in normal use and forming no part of the claimed design;

FIG. 3 is a front elevational view thereof, the rear elevational view forming no part of the claimed design;

FIG. 4 is a left side elevational view thereof, the right side elevational view being a mirror image thereof;

FIG. 5 is a top plan view thereof, shown in use attached to a trailer; and,

FIG. 6 is a side elevational view thereof.

The broken lines in the drawing represent environmental structure only and form no part of the claimed design.
