(57) **CLAIM**

The ornamental design for an access point device, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an access point device showing our new design;
FIG. 2 is a right side view of the access point device;
FIG. 3 is a top plan view of the access point device;
FIG. 4 is a front elevational view of the access point device;
FIG. 5 is a bottom plan view of the access point device;
FIG. 6 is a left side view of the access point device; and,
FIG. 7 is a rear elevational view of the access point device.
