FIG. 1 is a perspective view of the light emitting diode showing my new design;

FIG. 2 is a top plan view of the light emitting diode according to FIG. 1;

FIG. 3 is a left side elevational view of the light emitting diode according to FIG. 1;

FIG. 4 is a front elevational view of the light emitting diode according to FIG. 1;

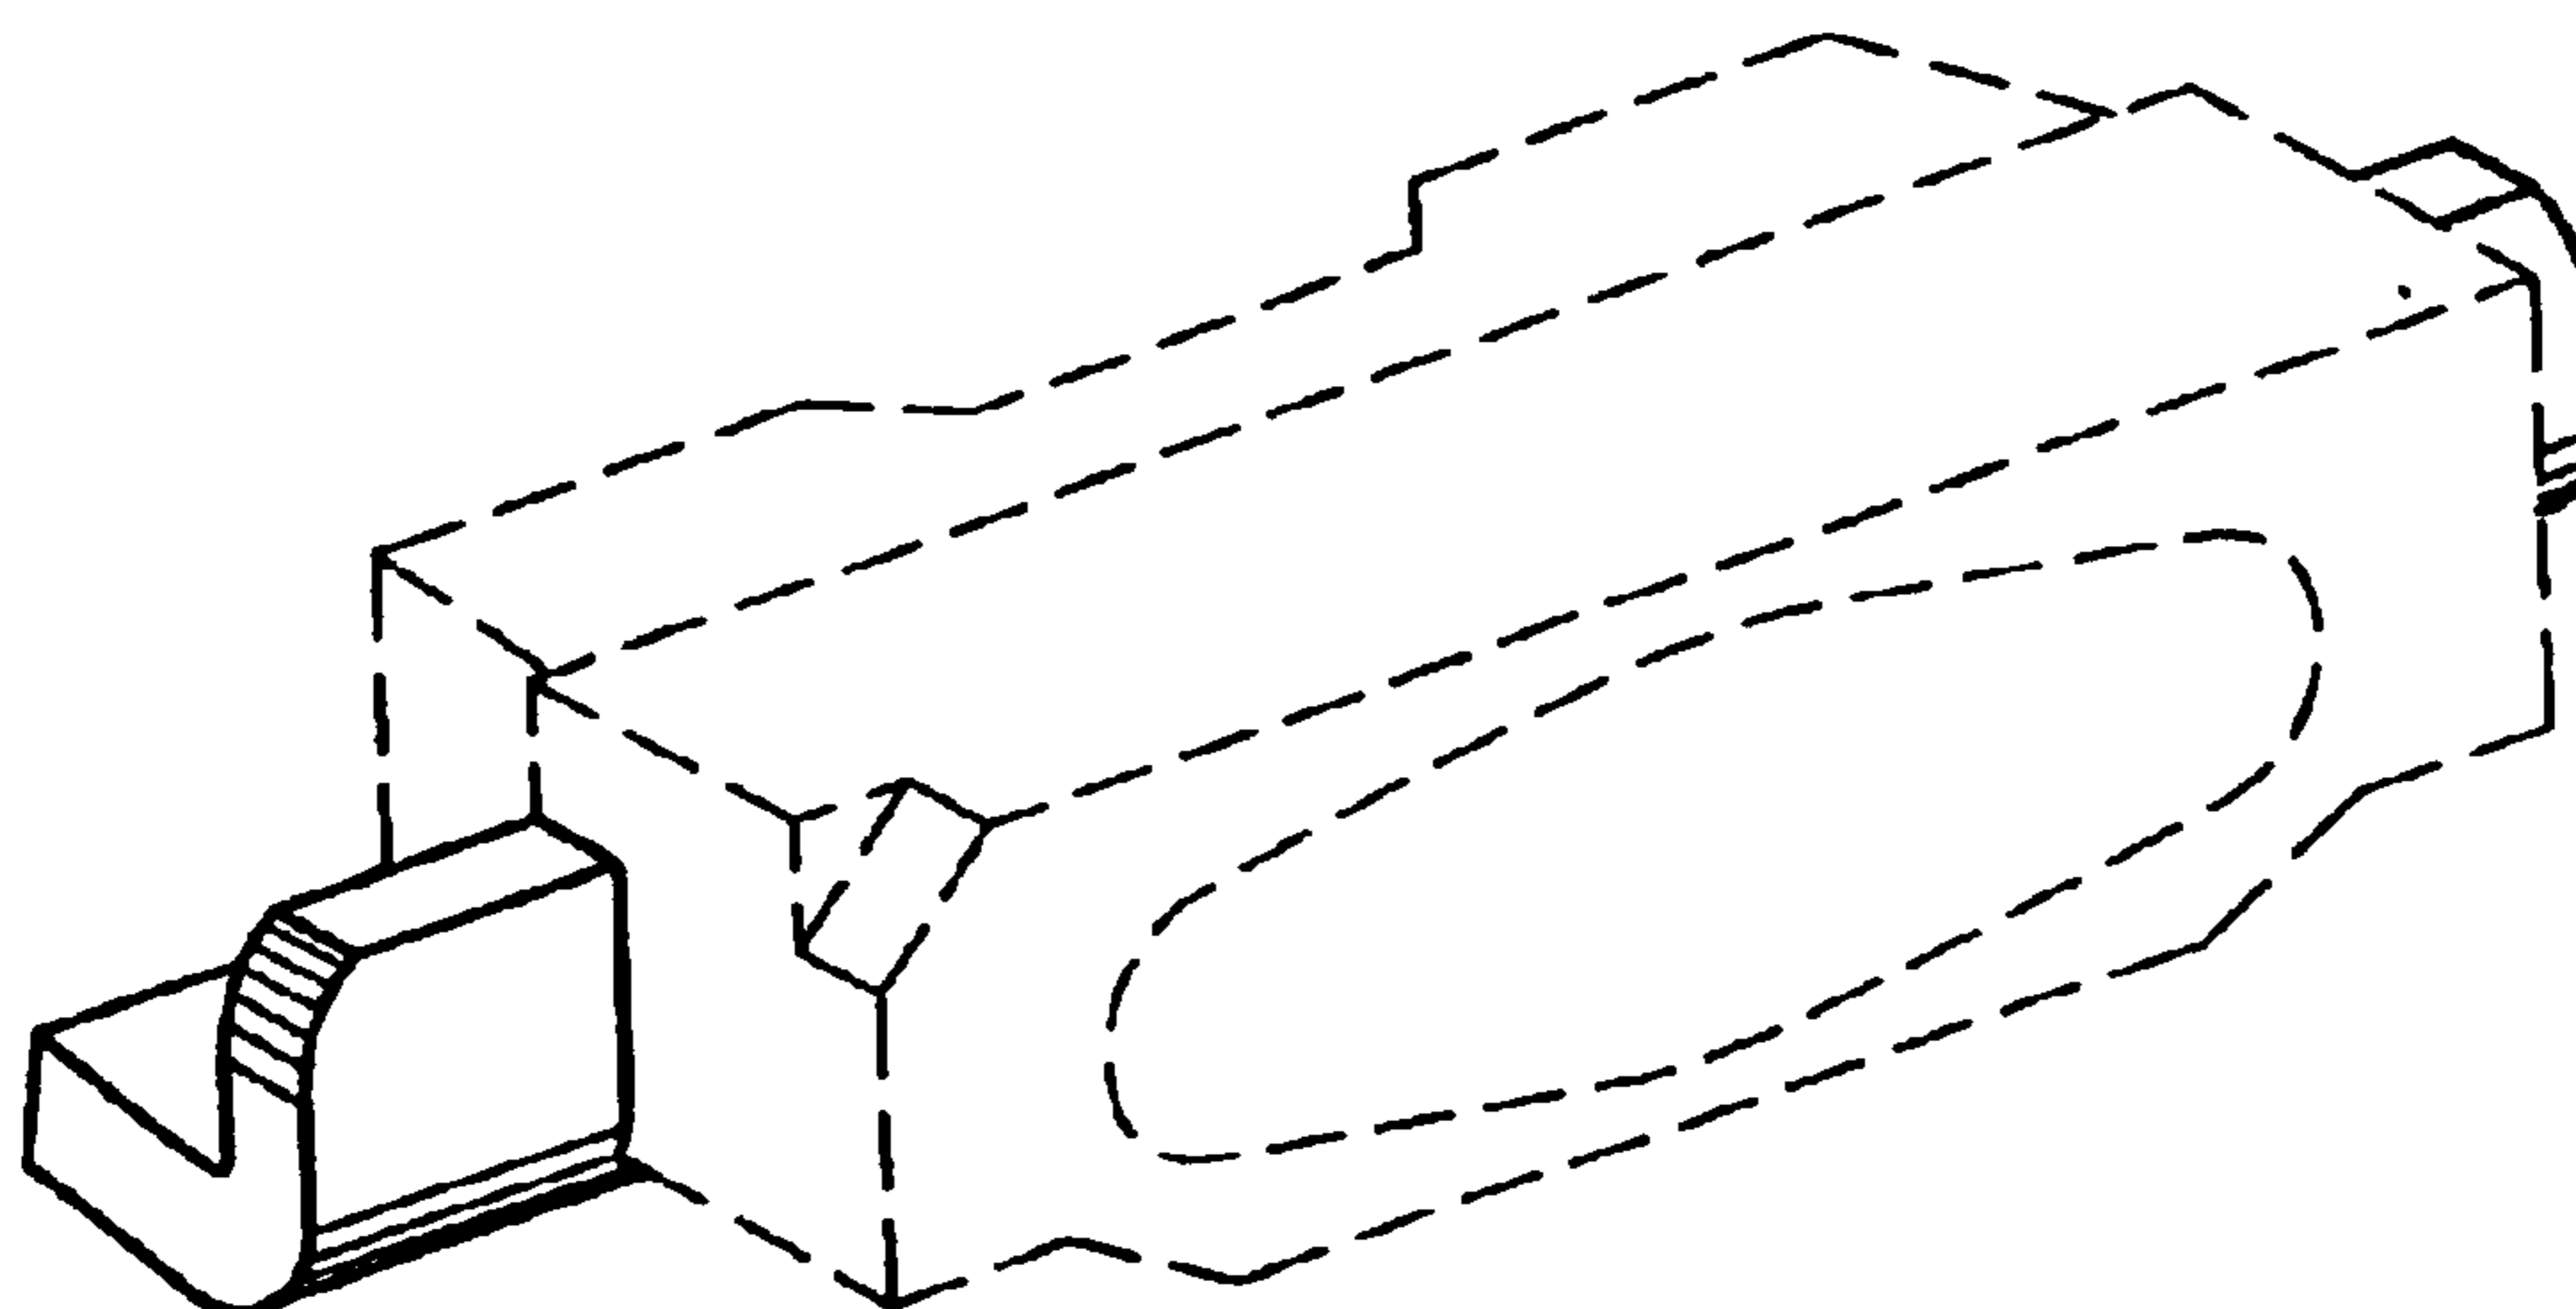

FIG. 5 is a right side elevational view of the light emitting diode according to FIG. 1;

FIG. 6 is a bottom plan of the light emitting diode according to FIG. 1; and,

FIG. 7 is a rear elevational view of the light emitting diode according to FIG. 1.

The broken line showing of the environment is for illustrative purpose only and forms no part of the claimed design.
