**DESCRIPTION**

FIG. 1 is front elevational view of a screen assembly for an electronic drawing device;  
FIG. 2 is a left side elevational view of the assembly of FIG. 1 (the right side being identical); and,  
FIG. 3 is a bottom plan view of the assembly of FIG. 1 (the top being identical).

The broken line disclosure illustrates the environment for the screen assembly for a hand-held electronic drawing device and forms no part of the claimed design. Any surface indicia or graphics also forms no part of the claimed design.
