(57) **CLAIM**

The ornamental design for a “an electronic thermometer,” as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an electronic thermometer according to the present invention.

FIG. 2 is a front view of an electric thermometer according to the present invention.

FIG. 3 is a rear view of an electronic thermometer according to the present invention.

FIG. 4 is a left side view of an electronic thermometer according to the present invention.

FIG. 5 is a right side view of an electronic thermometer according to the present invention.

FIG. 6 is a top plan view of an electronic thermometer according to the present invention; and,

FIG. 7 is a bottom plan view of an electronic thermometer according to the present invention.
