(57) **CLAIM**

I claim the ornaments design for a power source for lighting track or busway, as shown and described herein.

DESCRIPTION

FIG. 1 is a perspective view of the power source for lighting track or busway.

FIG. 2 is a left side elevation of the power source for lighting track or busway shown in FIG. 1.

FIG. 3 is a right side elevation of the power source for lighting track or busway shown in FIG. 1.

FIG. 4 is a front elevation of the power source for lighting track or busway shown in FIG. 1.

FIG. 5 is a rear elevation of the power source for lighting track or busway shown in FIG. 1.

FIG. 6 is a top plan view of the power source for lighting track or busway shown in FIG. 1.

FIG. 7 is a bottom plan view of the power source for lighting track or busway shown in FIG. 1.

FIG. 8 is another left side elevation of the power source for lighting track or busway shown in FIG. 1, on a reduced scale, showing portions of a track and a track light fixture in broken lines. The broken line drawings are for illustrative purposes only and do not form a part of the claimed invention; and,

FIG. 9 is another front side elevation of the power source for lighting track or busway shown in FIG. 1, on a reduced scale, showing portions of a track and a track light fixture in broken lines. The broken line drawings are for illustrative purposes and do not form a part of the claimed design.
