(57) **CLAIM**

The ornamental design for a baking template, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of the baking template of the present invention;

FIG. 2 is a top plan view of the baking template of FIG. 1;

FIG. 3 is a front side elevation view of the baking template of FIG. 1, the rear side view being a mirror image of the front side;

FIG. 4 is a right side elevation view of the baking template of FIG. 1, the left side view being a mirror image of the right side;

FIG. 5 is a bottom plan view of the baking template of FIG. 1;

FIG. 6 is a top front perspective view of a baking template according to a first additional embodiment of the present invention;

FIG. 7 is a top plan view of the baking template of FIG. 6; FIG. 8 is a front side elevation view of the baking template of FIG. 6, the rear side view being a mirror image of the front side;

FIG. 9 is a right side elevation view of the baking template of FIG. 6, the left side view being a mirror image of the right side;

FIG. 10 is a bottom plan view of the baking template of FIG. 6;

FIG. 11 is a magnified view of the portion of FIG. 7 indicated by reference numeral 11;

FIG. 12 is a top front perspective view of a baking template according to a second additional embodiment of the present invention;

FIG. 13 is a top plan view of the baking template of FIG. 12; FIG. 14 is a front side elevation view of the baking template of FIG. 12, the rear side view being a mirror image of the front side;

FIG. 15 is a right side elevation view of the baking template of FIG. 12, the left side view being a mirror image of the right side;

FIG. 16 is a bottom plan view of the baking template of FIG. 12;

FIG. 17 is a top front perspective view of a baking template according to a third additional embodiment of the present invention;

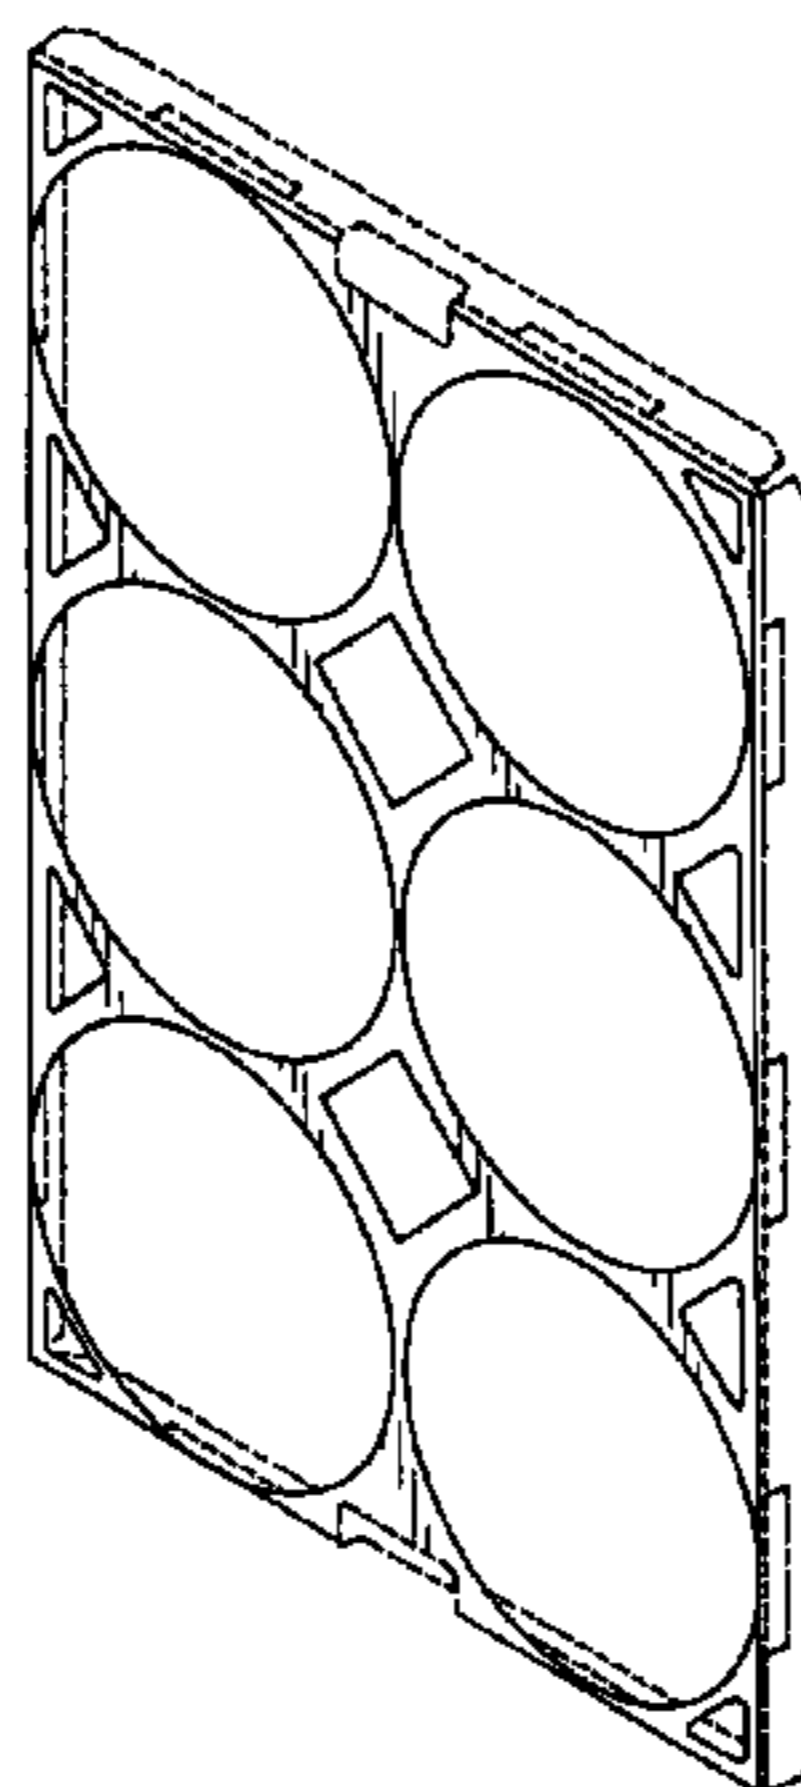

FIG. 18 is a top plan view of the baking template of FIG. 17; FIG. 19 is a front side elevation view of the baking template of FIG. 17, the rear side view being a mirror image of the front side;

FIG. 20 is a right side elevation view of the baking template of FIG. 17, the left side view being a mirror image of the right side; and,

FIG. 21 is a bottom plan view of the baking template of FIG. 17.

The broken lines are for illustrative purposes only and form no part of the claimed design.
