(57) **CLAIM**

The ornamental design for a vehicle information sheet envelope dispenser, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the vehicle information sheet envelope dispenser.

FIG. 2 is a front view of the vehicle information sheet envelope dispenser.

FIG. 3 is a back view of the vehicle information sheet envelope dispenser.

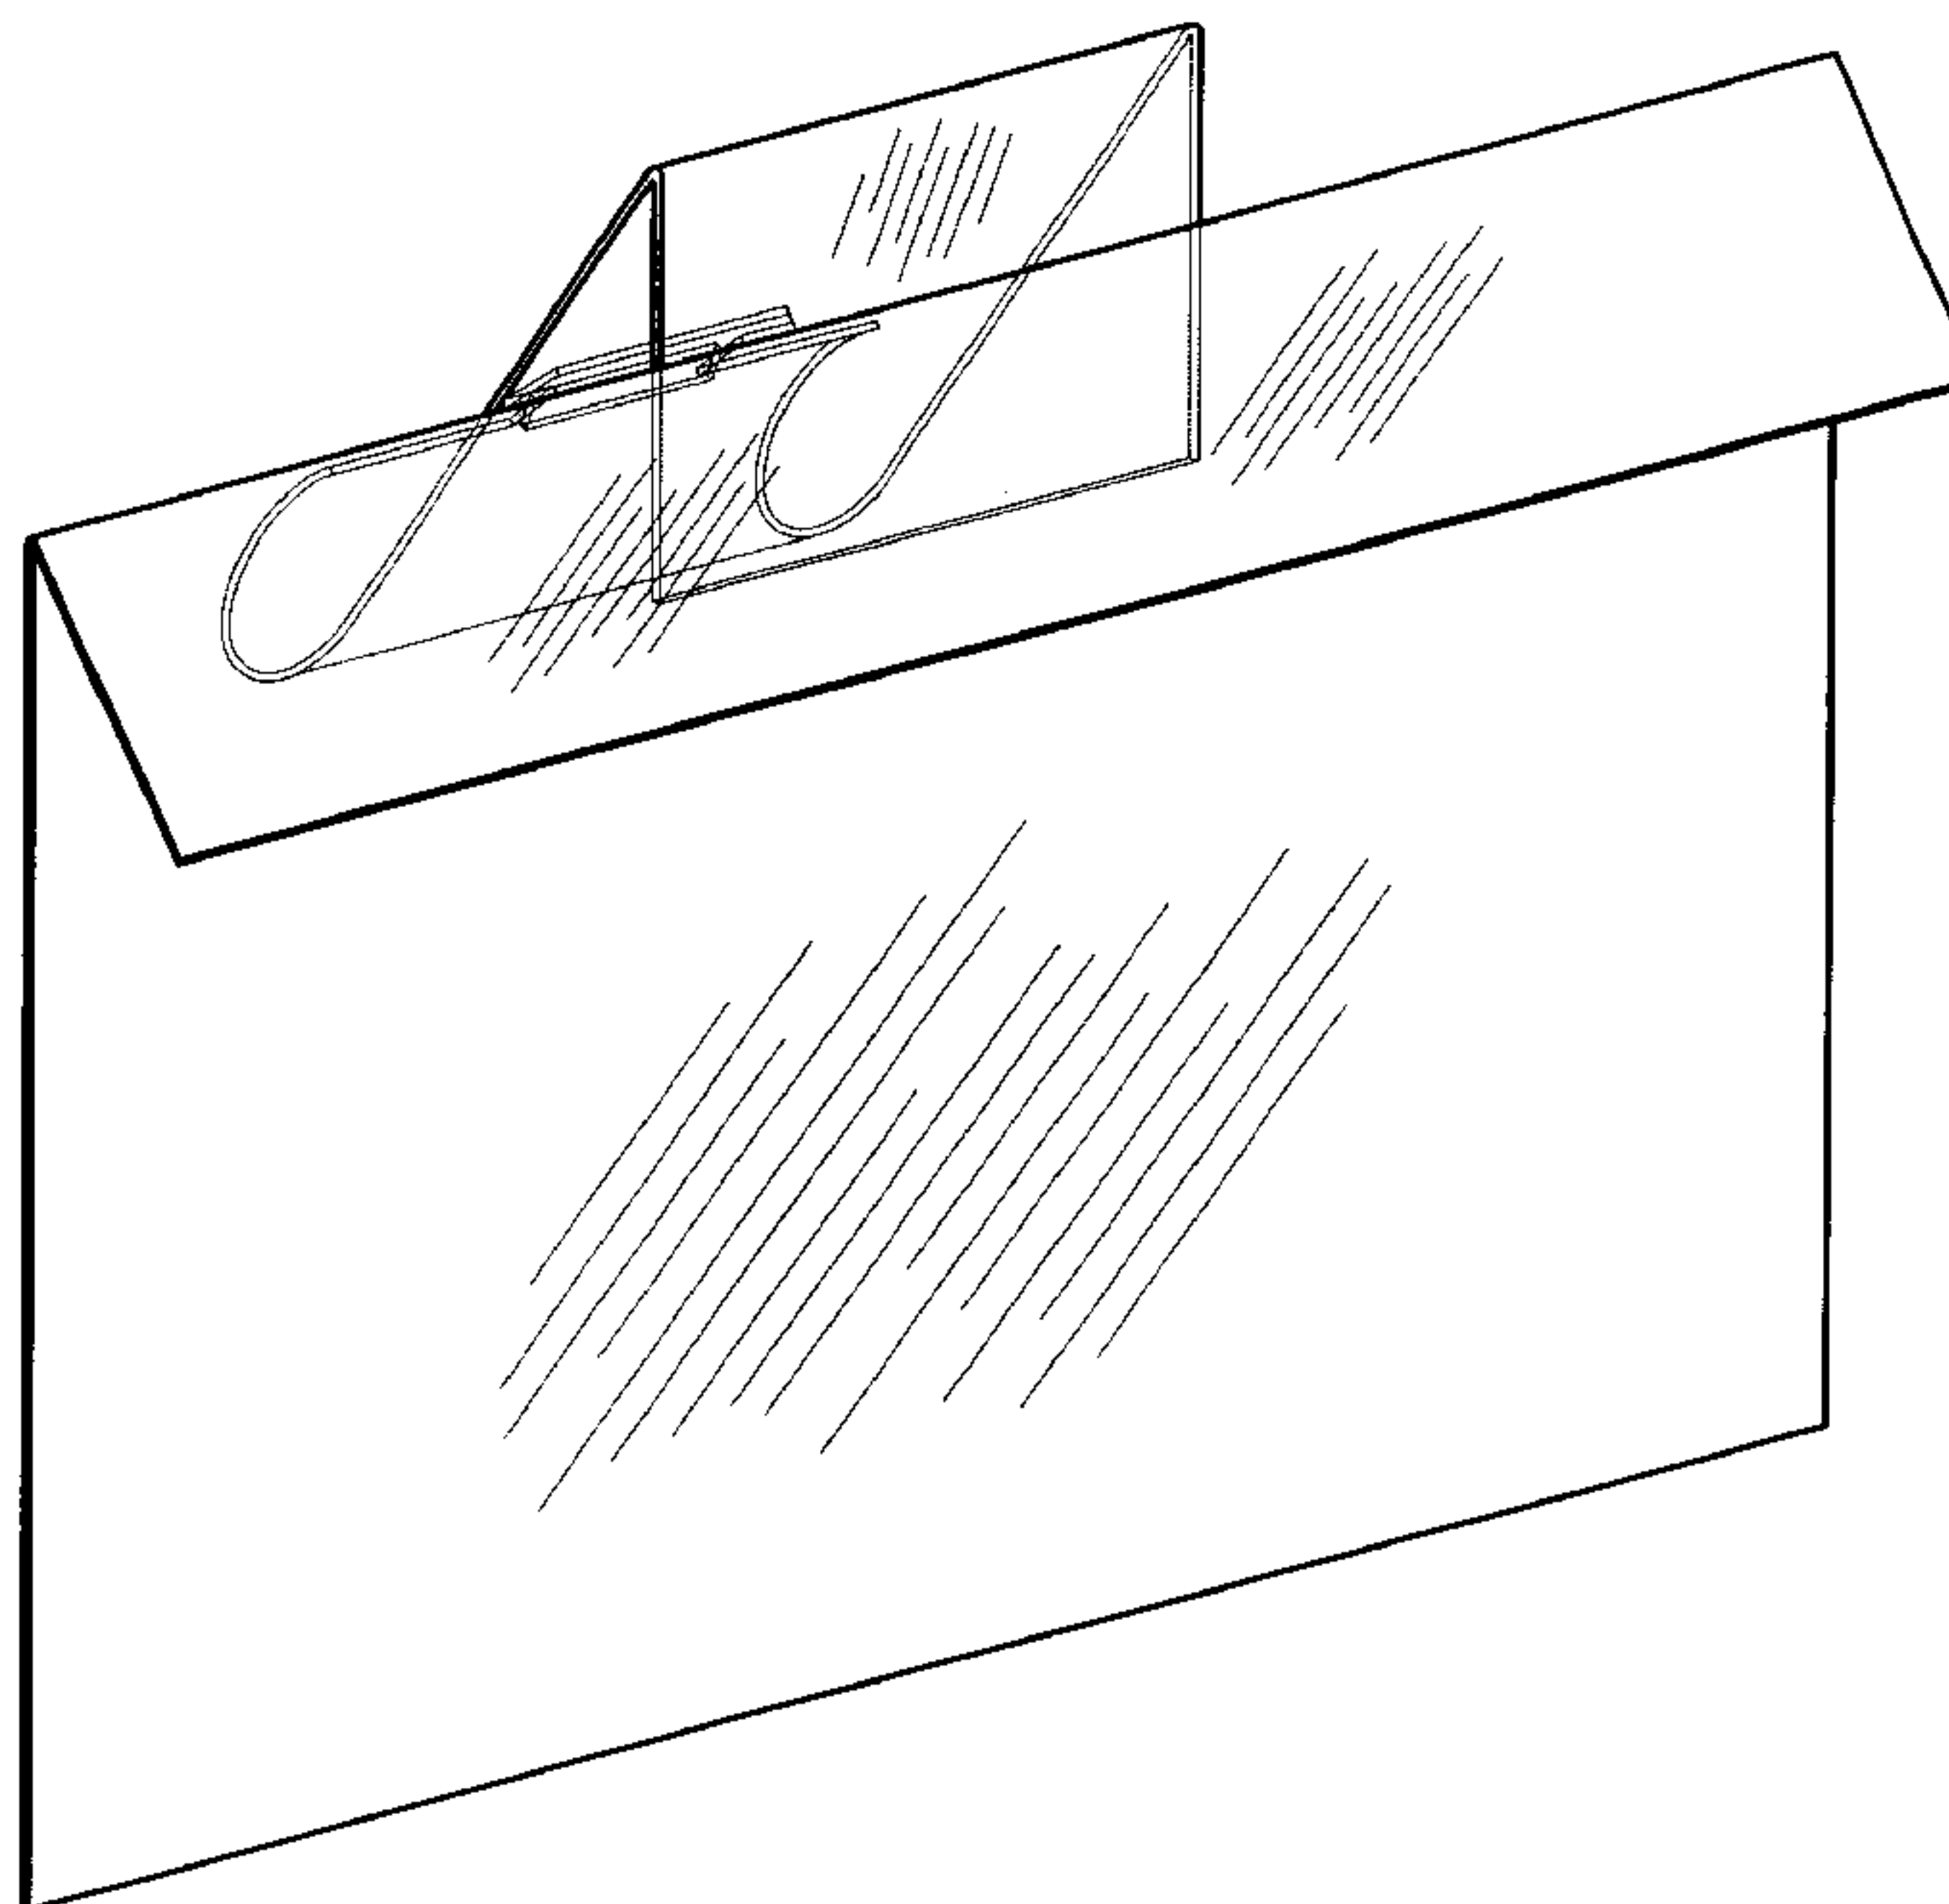

FIG. 4 is a left side view of the vehicle information sheet envelope dispenser. The right side view is omitted because it is a mirror image of the left side view.

FIG. 5 is a top view of the vehicle information sheet envelope dispenser.

FIG. 6 is a bottom view of the vehicle information sheet envelope dispenser; and,

FIG. 7 is a front view of the flap of the preferred vehicle information sheet envelope dispenser shown in planar disposition and removed from the dispenser for ease of disclosure.
