(57) **CLAIM**

I claim the ornamental design for the knitting/crochet needle caddy with integrated tape measure, as shown and described.

DESCRIPTION

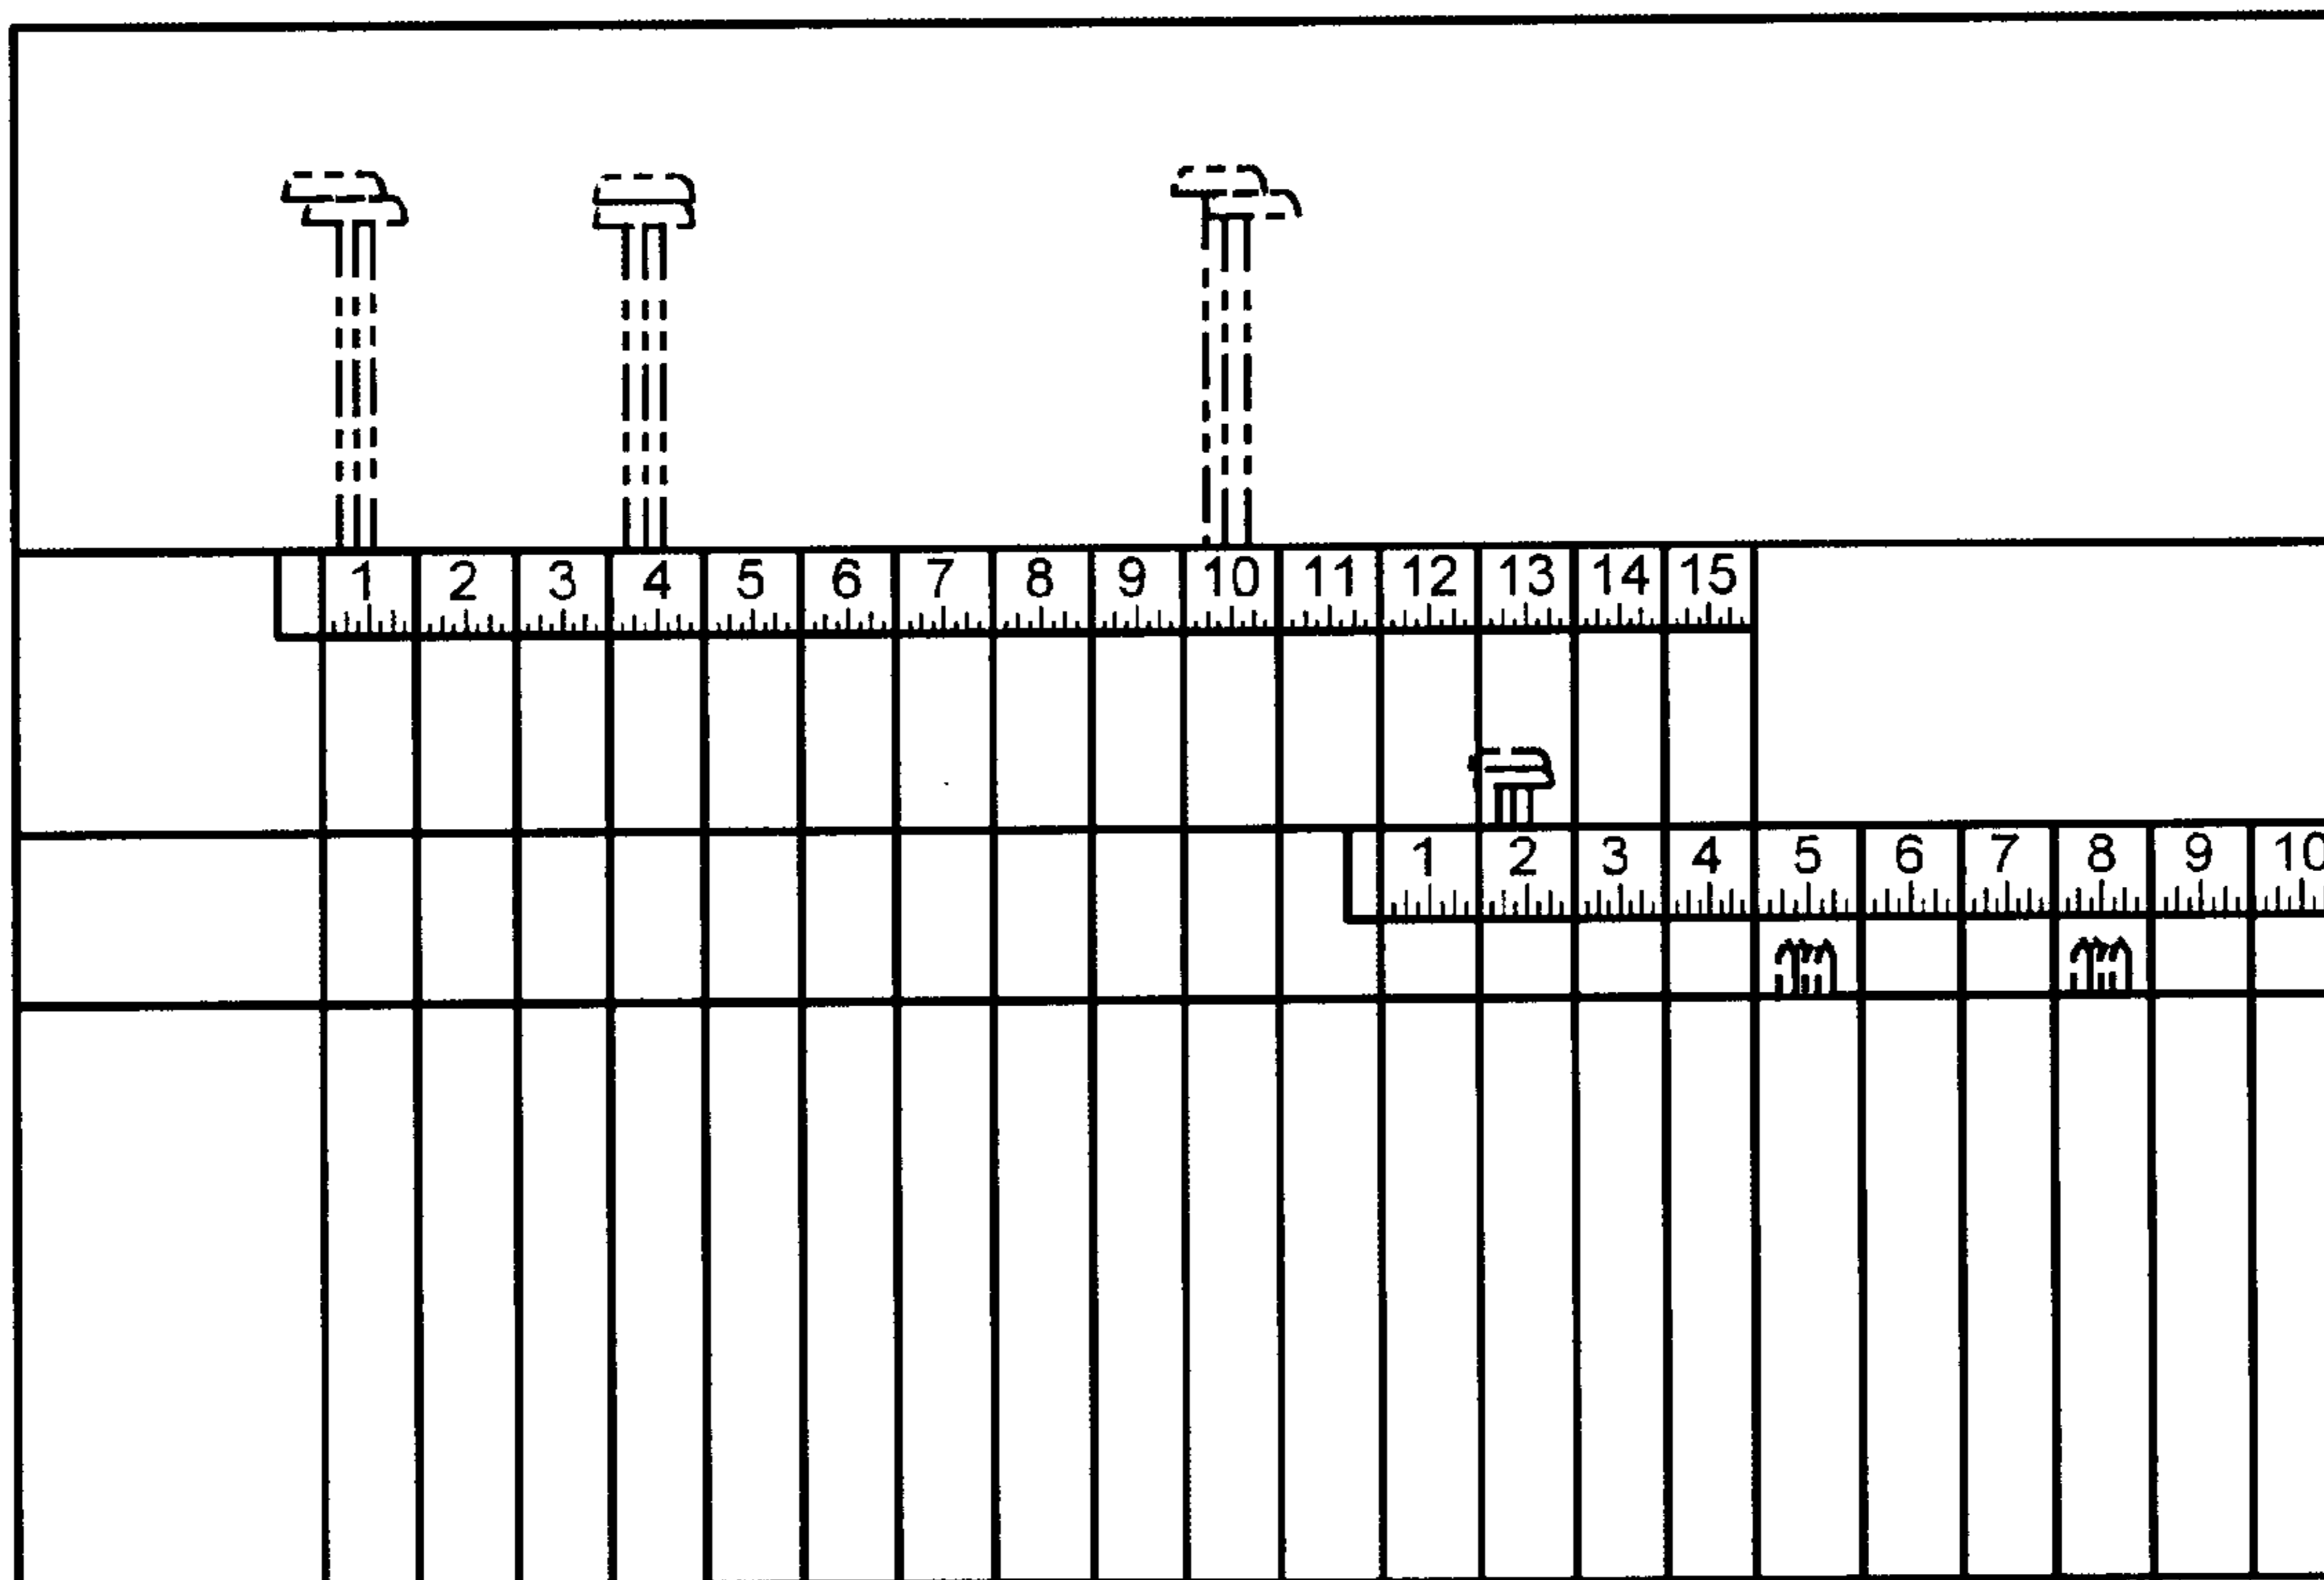

FIG. 1 is an open view of my knitting/crochet needle caddy with integrated tape measure showing numbered pockets using a tape measure with broken lines representing knitting needles. The broken line illustration of knitting needles in the drawing is not part of the design sought to be patented. FIG. 2 is a side view there of showing the ties.

FIG. 3 is an end view showing the knitting/crochet needle caddy with integrated tape measure tied.

FIG. 4 is a top view showing the knitting/crochet needle caddy with integrated tape measure tied; and,

FIG. 5 is a back view showing the knitting/crochet needle caddy with integrated tape measure loose ties.
