(57) **CLAIM**

We claim the ornamental design for an extendable handle for oxygen concentrator unit including bracket for associated tubing and power cord, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of an extendable handle for oxygen concentrator unit including bracket for associated tubing and power cord showing our new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a side elevational view thereof, the elevational view of the opposing side being a mirror image thereof; FIG. 5 is a top plan view thereof; FIG. 6 is a bottom plan view thereof; and, FIG. 7 is a reduced side elevational view showing the extendable handle for oxygen concentrator unit including bracket for associated tubing and power cord in use; the broken lines depict environmental structure for illustrative purposes only and form no part of the claimed design.
