(57) **CLAIM**

The ornamental design for the front and rear of a novelty cell phone, as shown and described.

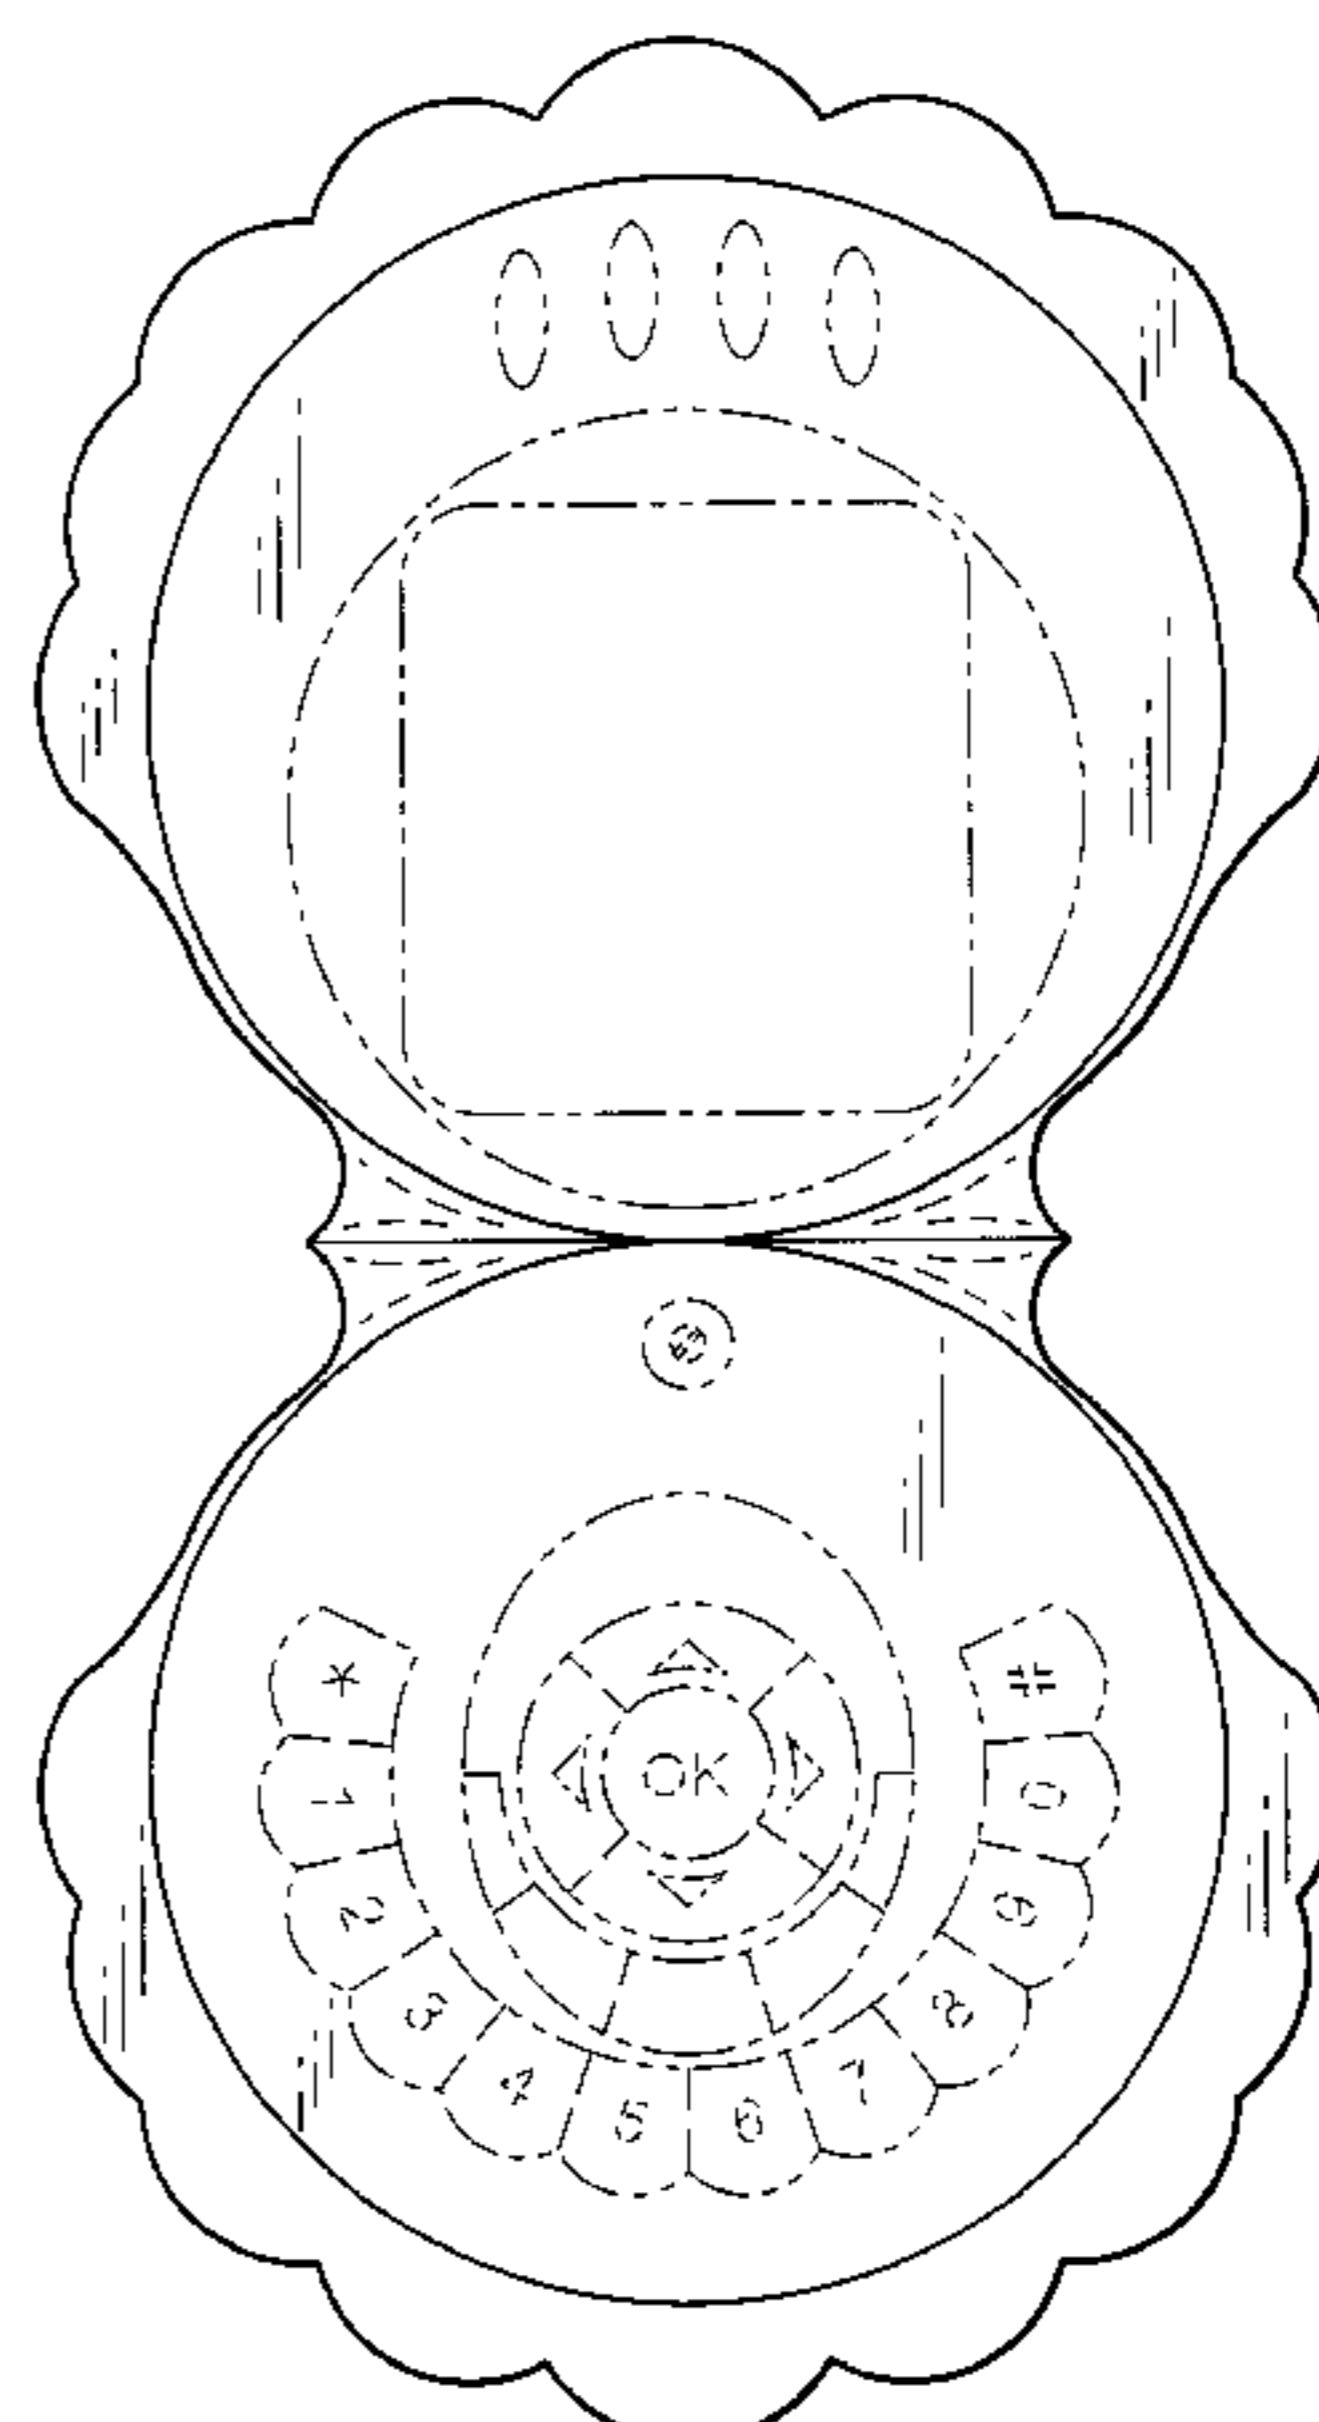

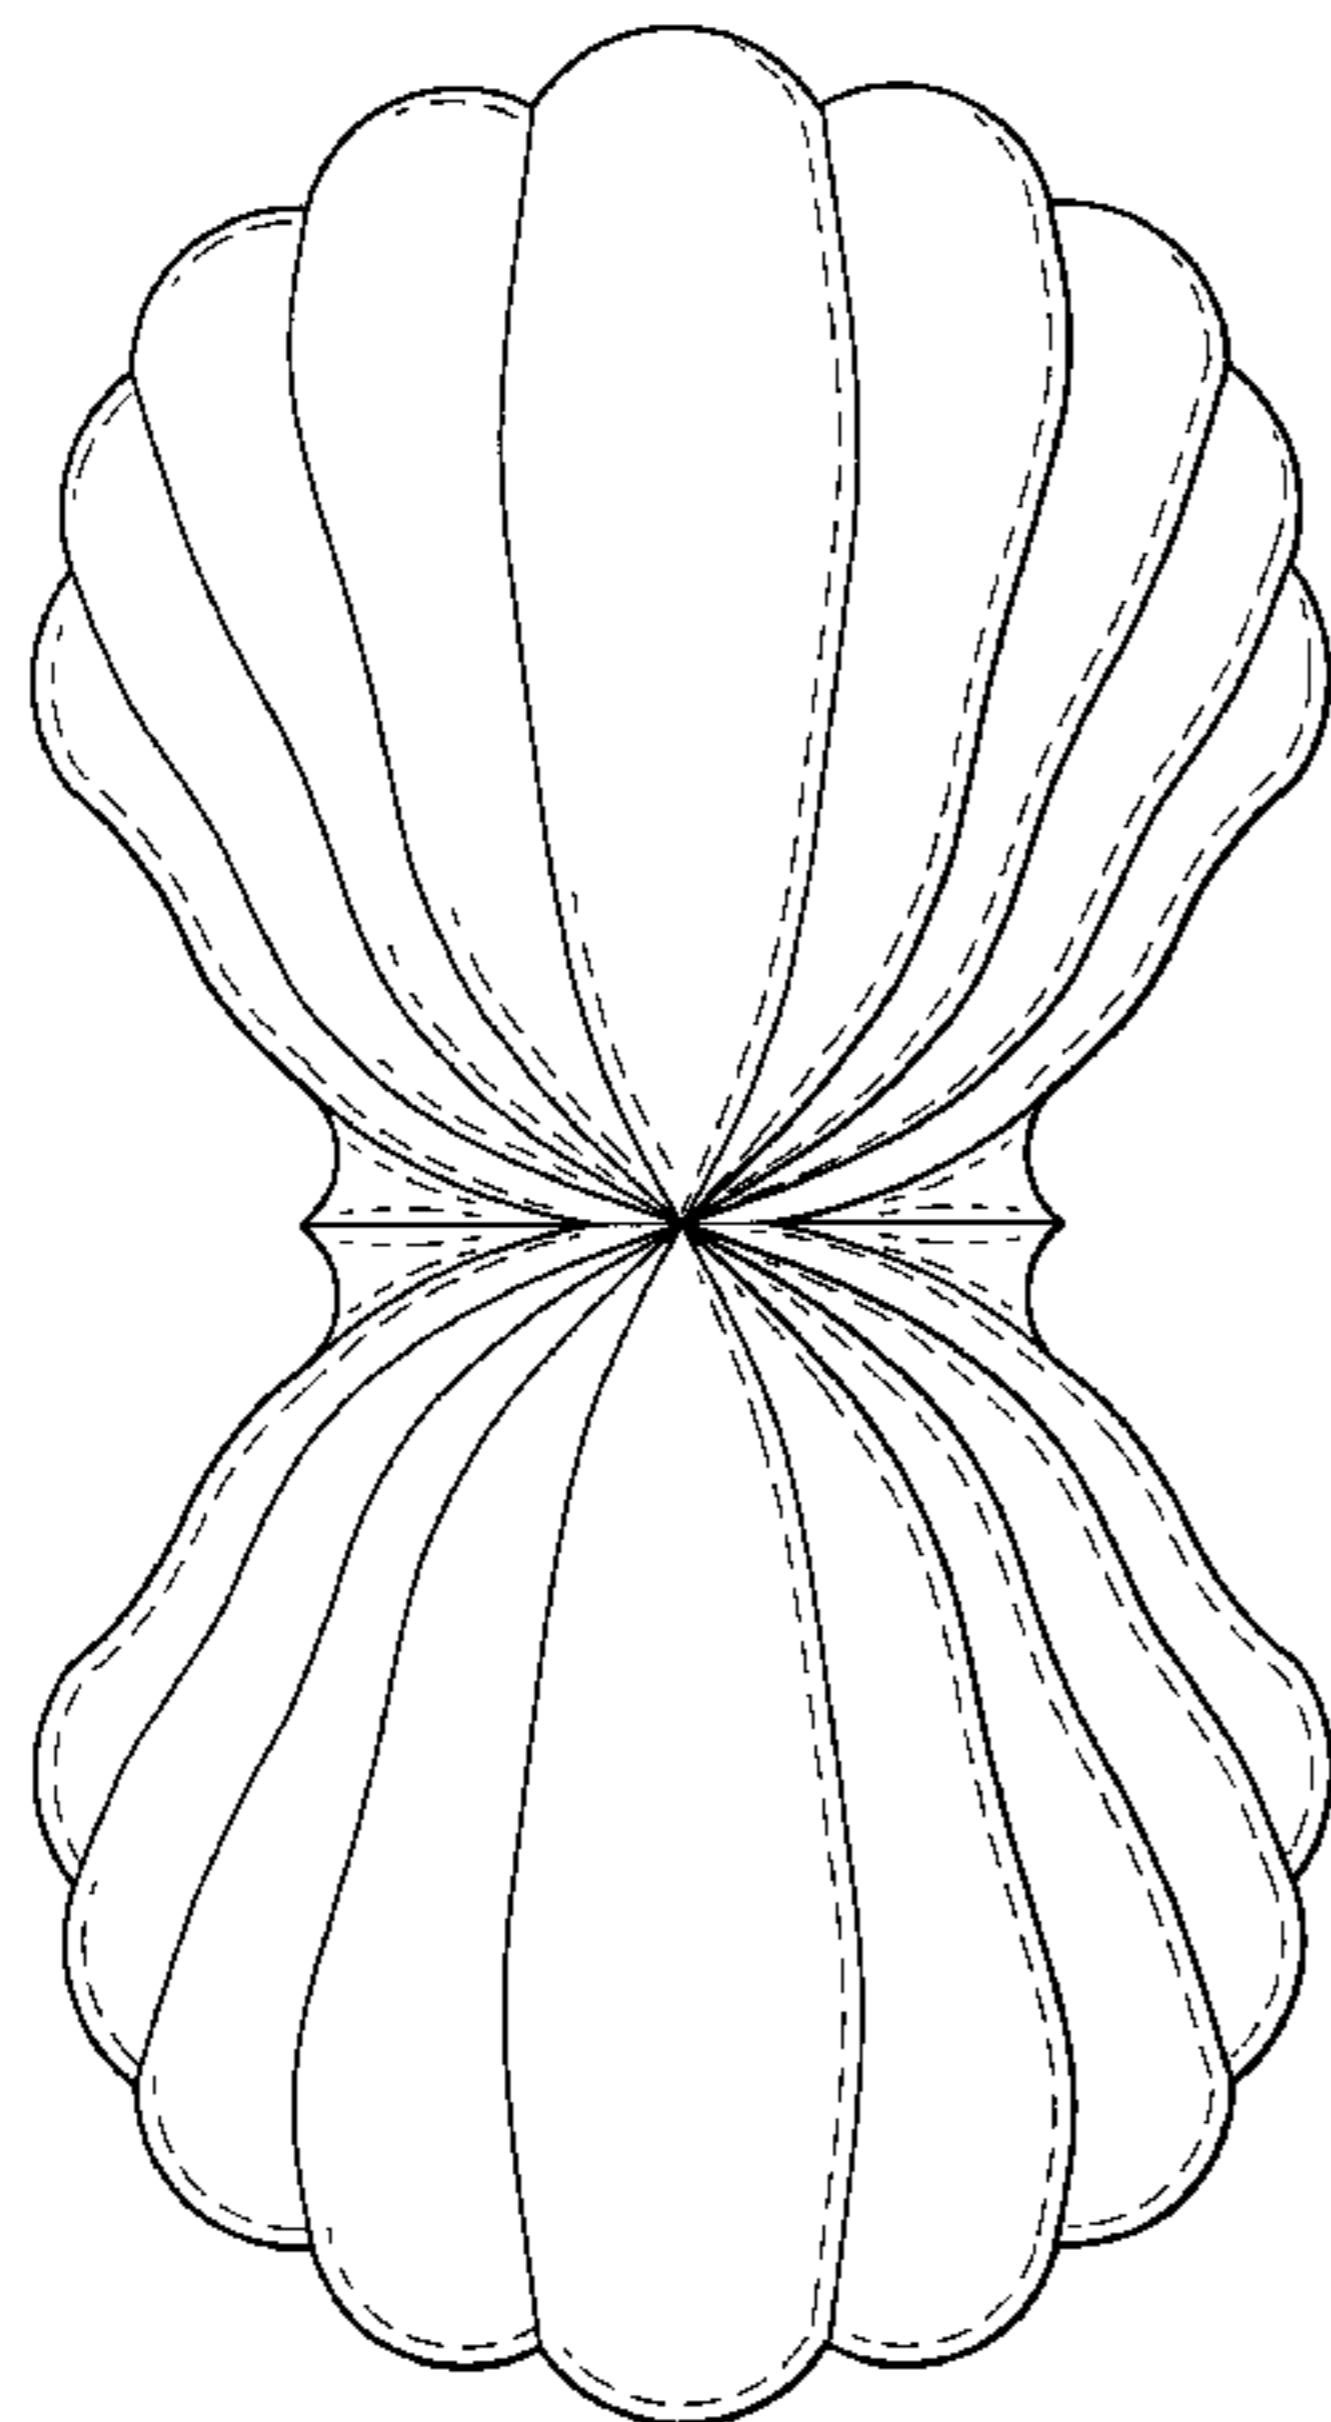

DESCRIPTION

FIG. 1 is a rear elevational view of the front and rear of a novelty cell phone showing my new design; and, FIG. 2 is a front elevational view thereof.

The broken lines showing surface shading meant to indicate three-dimensionality, are for illustrative purposes only and form no part of the claimed design.

The broken line showing of the keypad and display screen in FIG. 2 is for illustrative purposes only and forms no part of the claimed design.
