The claim is directed to a set of three components for a load bearing harness. The central component is shown in FIGS. 1, 3 and 5. The left and right side components are shown in FIGS. 2, 4 and 5. The broken lines showing portions of straps extending from the claimed components in FIGS. 1 and 2 are for illustrative purposes only and do not form part of the claimed design. The broken lines shown on the surface of the claimed design in FIGS. 1 and 2 represent stitching that is part of the claimed design.
