(57) **CLAIM**

The ornamental design for a “hanger hoop,” as shown and described.

**DESCRIPTION**

FIG. 1 is a top, left and front side perspective view of a hanger hoop according to my design, the dashed lines indicating a hook for hanging the hanger hoop and not forming part of the present design;

FIG. 2 is a top plan view of the hanger hoop hereof, the hook being illustrated in dashed lines and not forming part of the present design;

FIG. 3 is a bottom plan view of the hanger hoop, the hook being illustrated in dashed lines and not forming part of the present design;

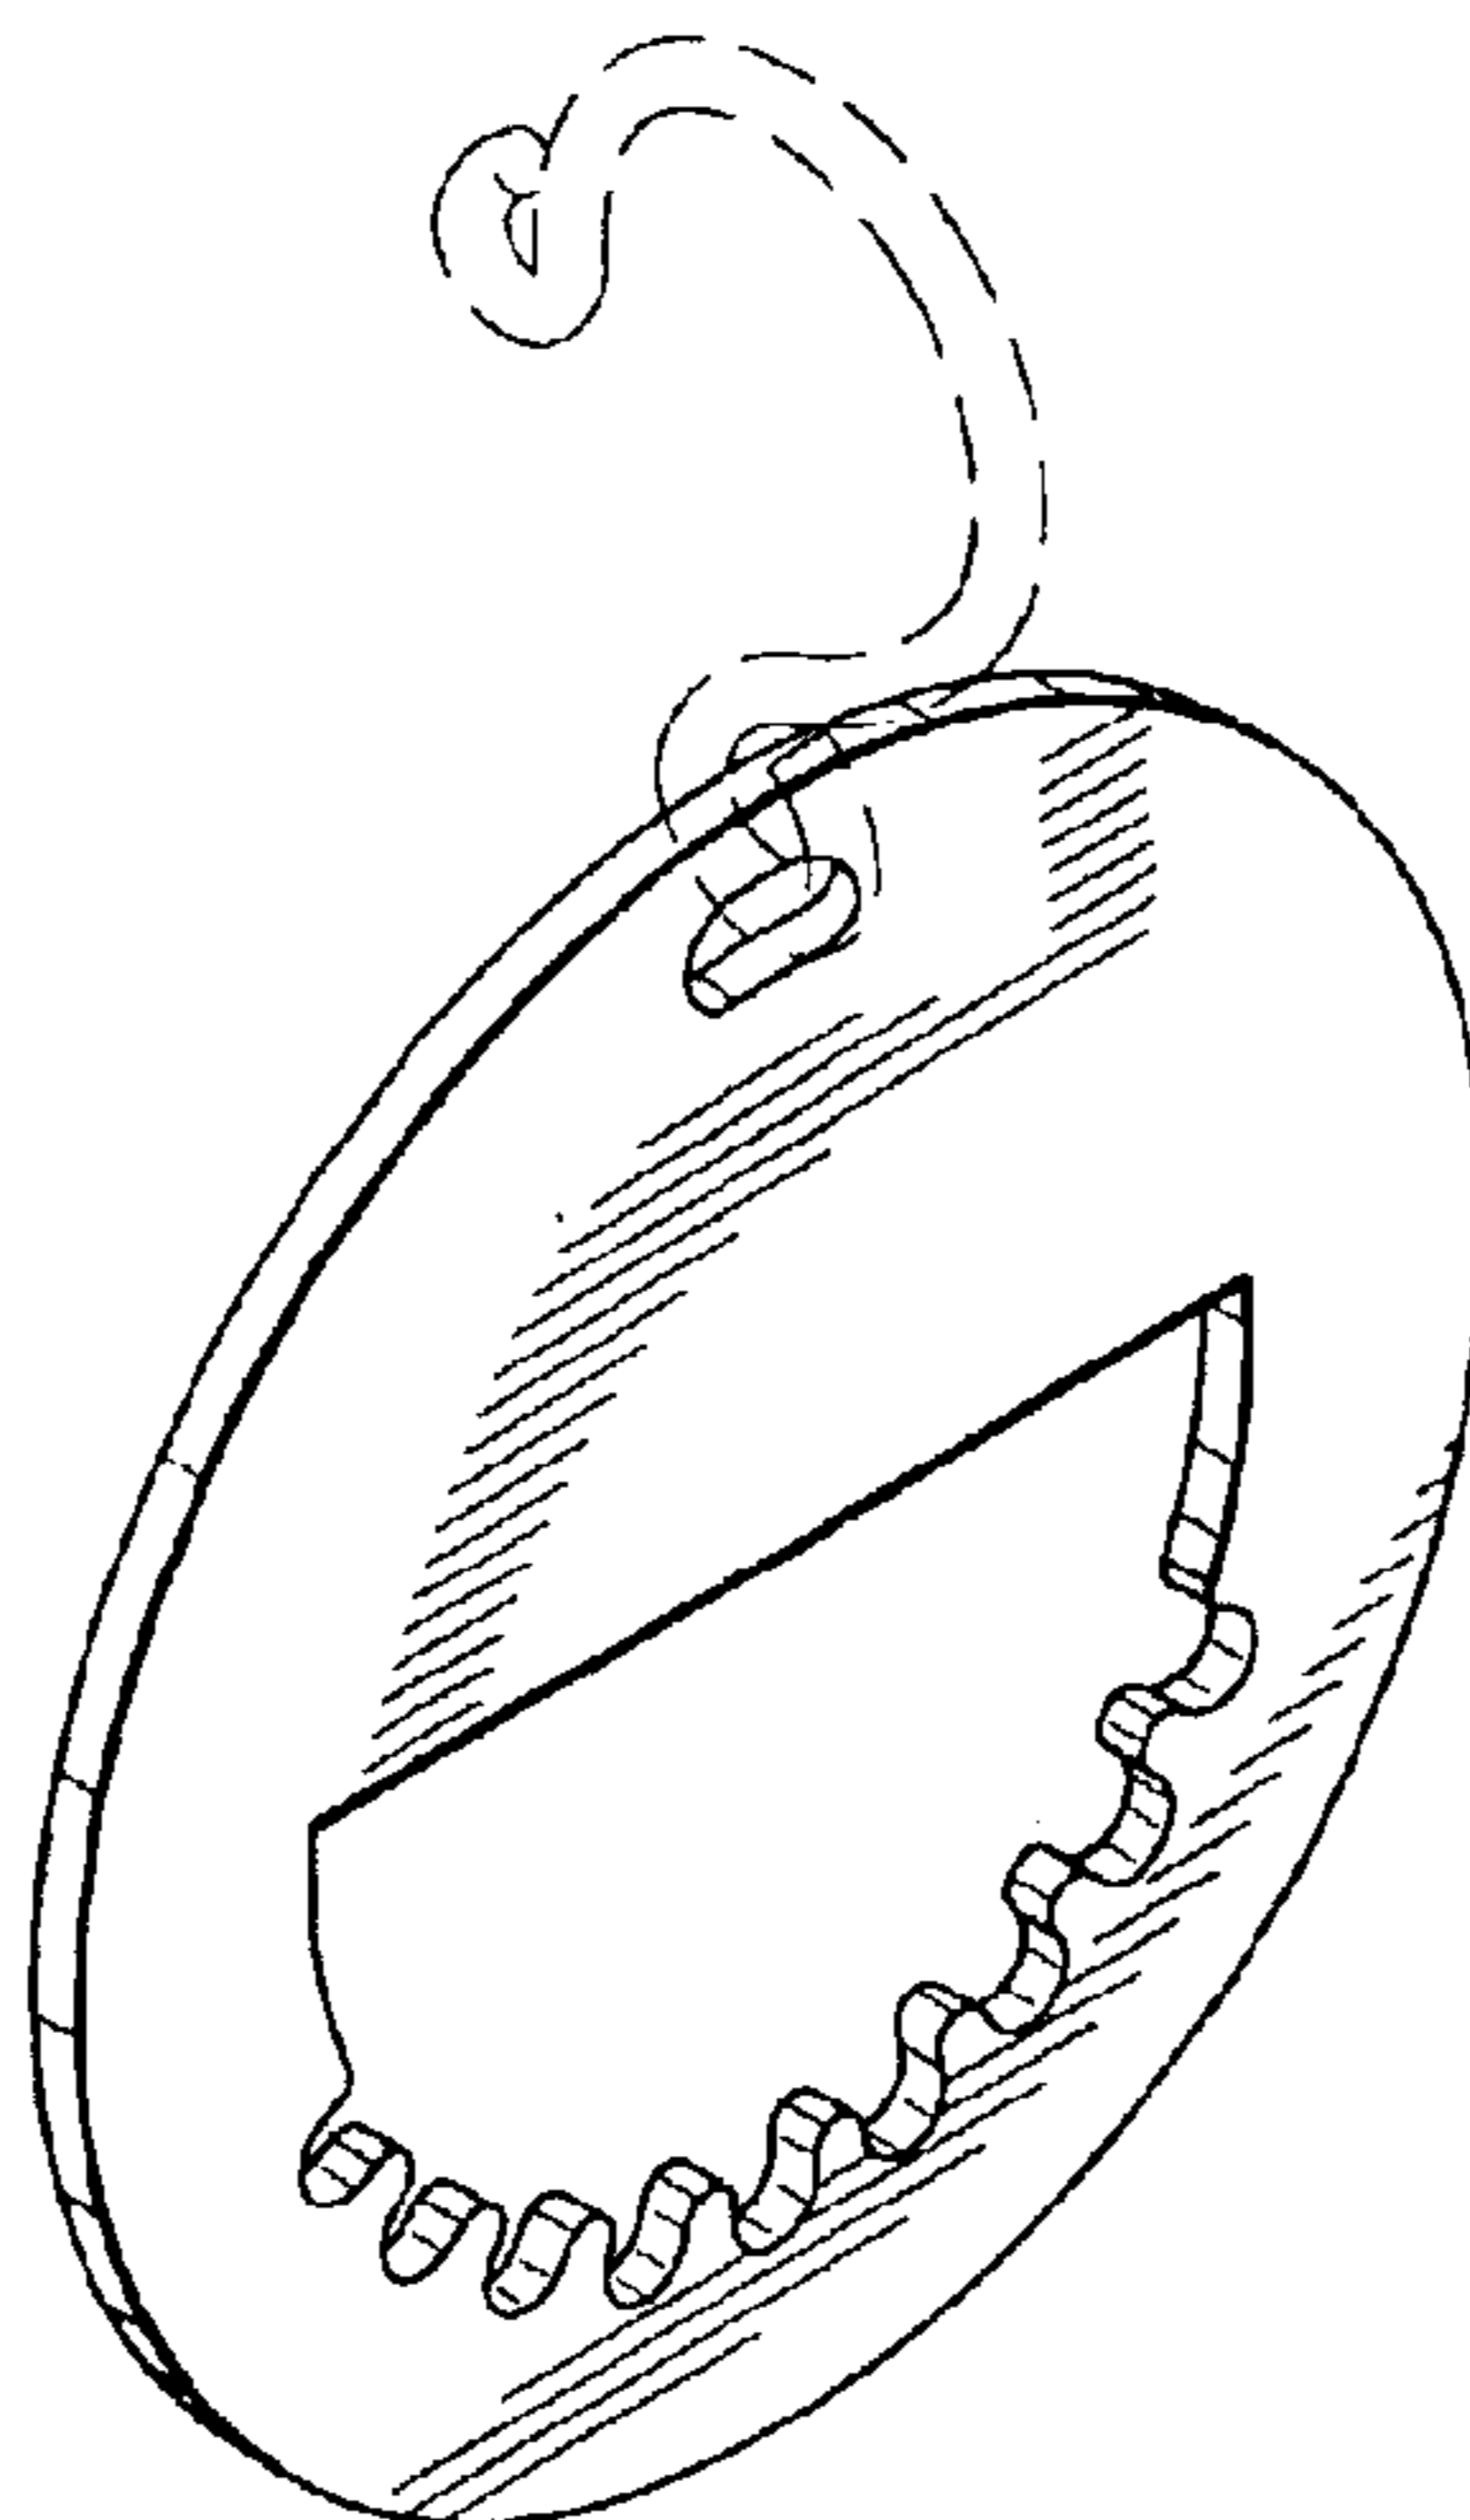

FIG. 4 is a front elevational view of the hanger hoop, the hook being illustrated in dashed lines and not forming part of the present design;

FIG. 5 is a rear elevational view of the hanger hoop, the hook being illustrated in dashed lines and not forming part of the present design;

FIG. 6 is a side elevational view illustrating the hanger hoop, the opposite side elevational view being a mirror image. A hook and a hanger are illustrated in dashed lines to show usage and do not form parts of the present design; and,

FIG. 7 is a view similar to FIG. 1 illustrating a hanger hook, a chain being illustrated in dashed lines and not forming part of the present design.
