(57) **CLAIM**

The ornamental design for a surface configuration of a rear quarter panel for a vehicle, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a surface configuration of a rear quarter panel for a vehicle according to my novel design, the broken line representation of a portion of the vehicle being included solely for illustrative purposes, forming no part of the claimed design;

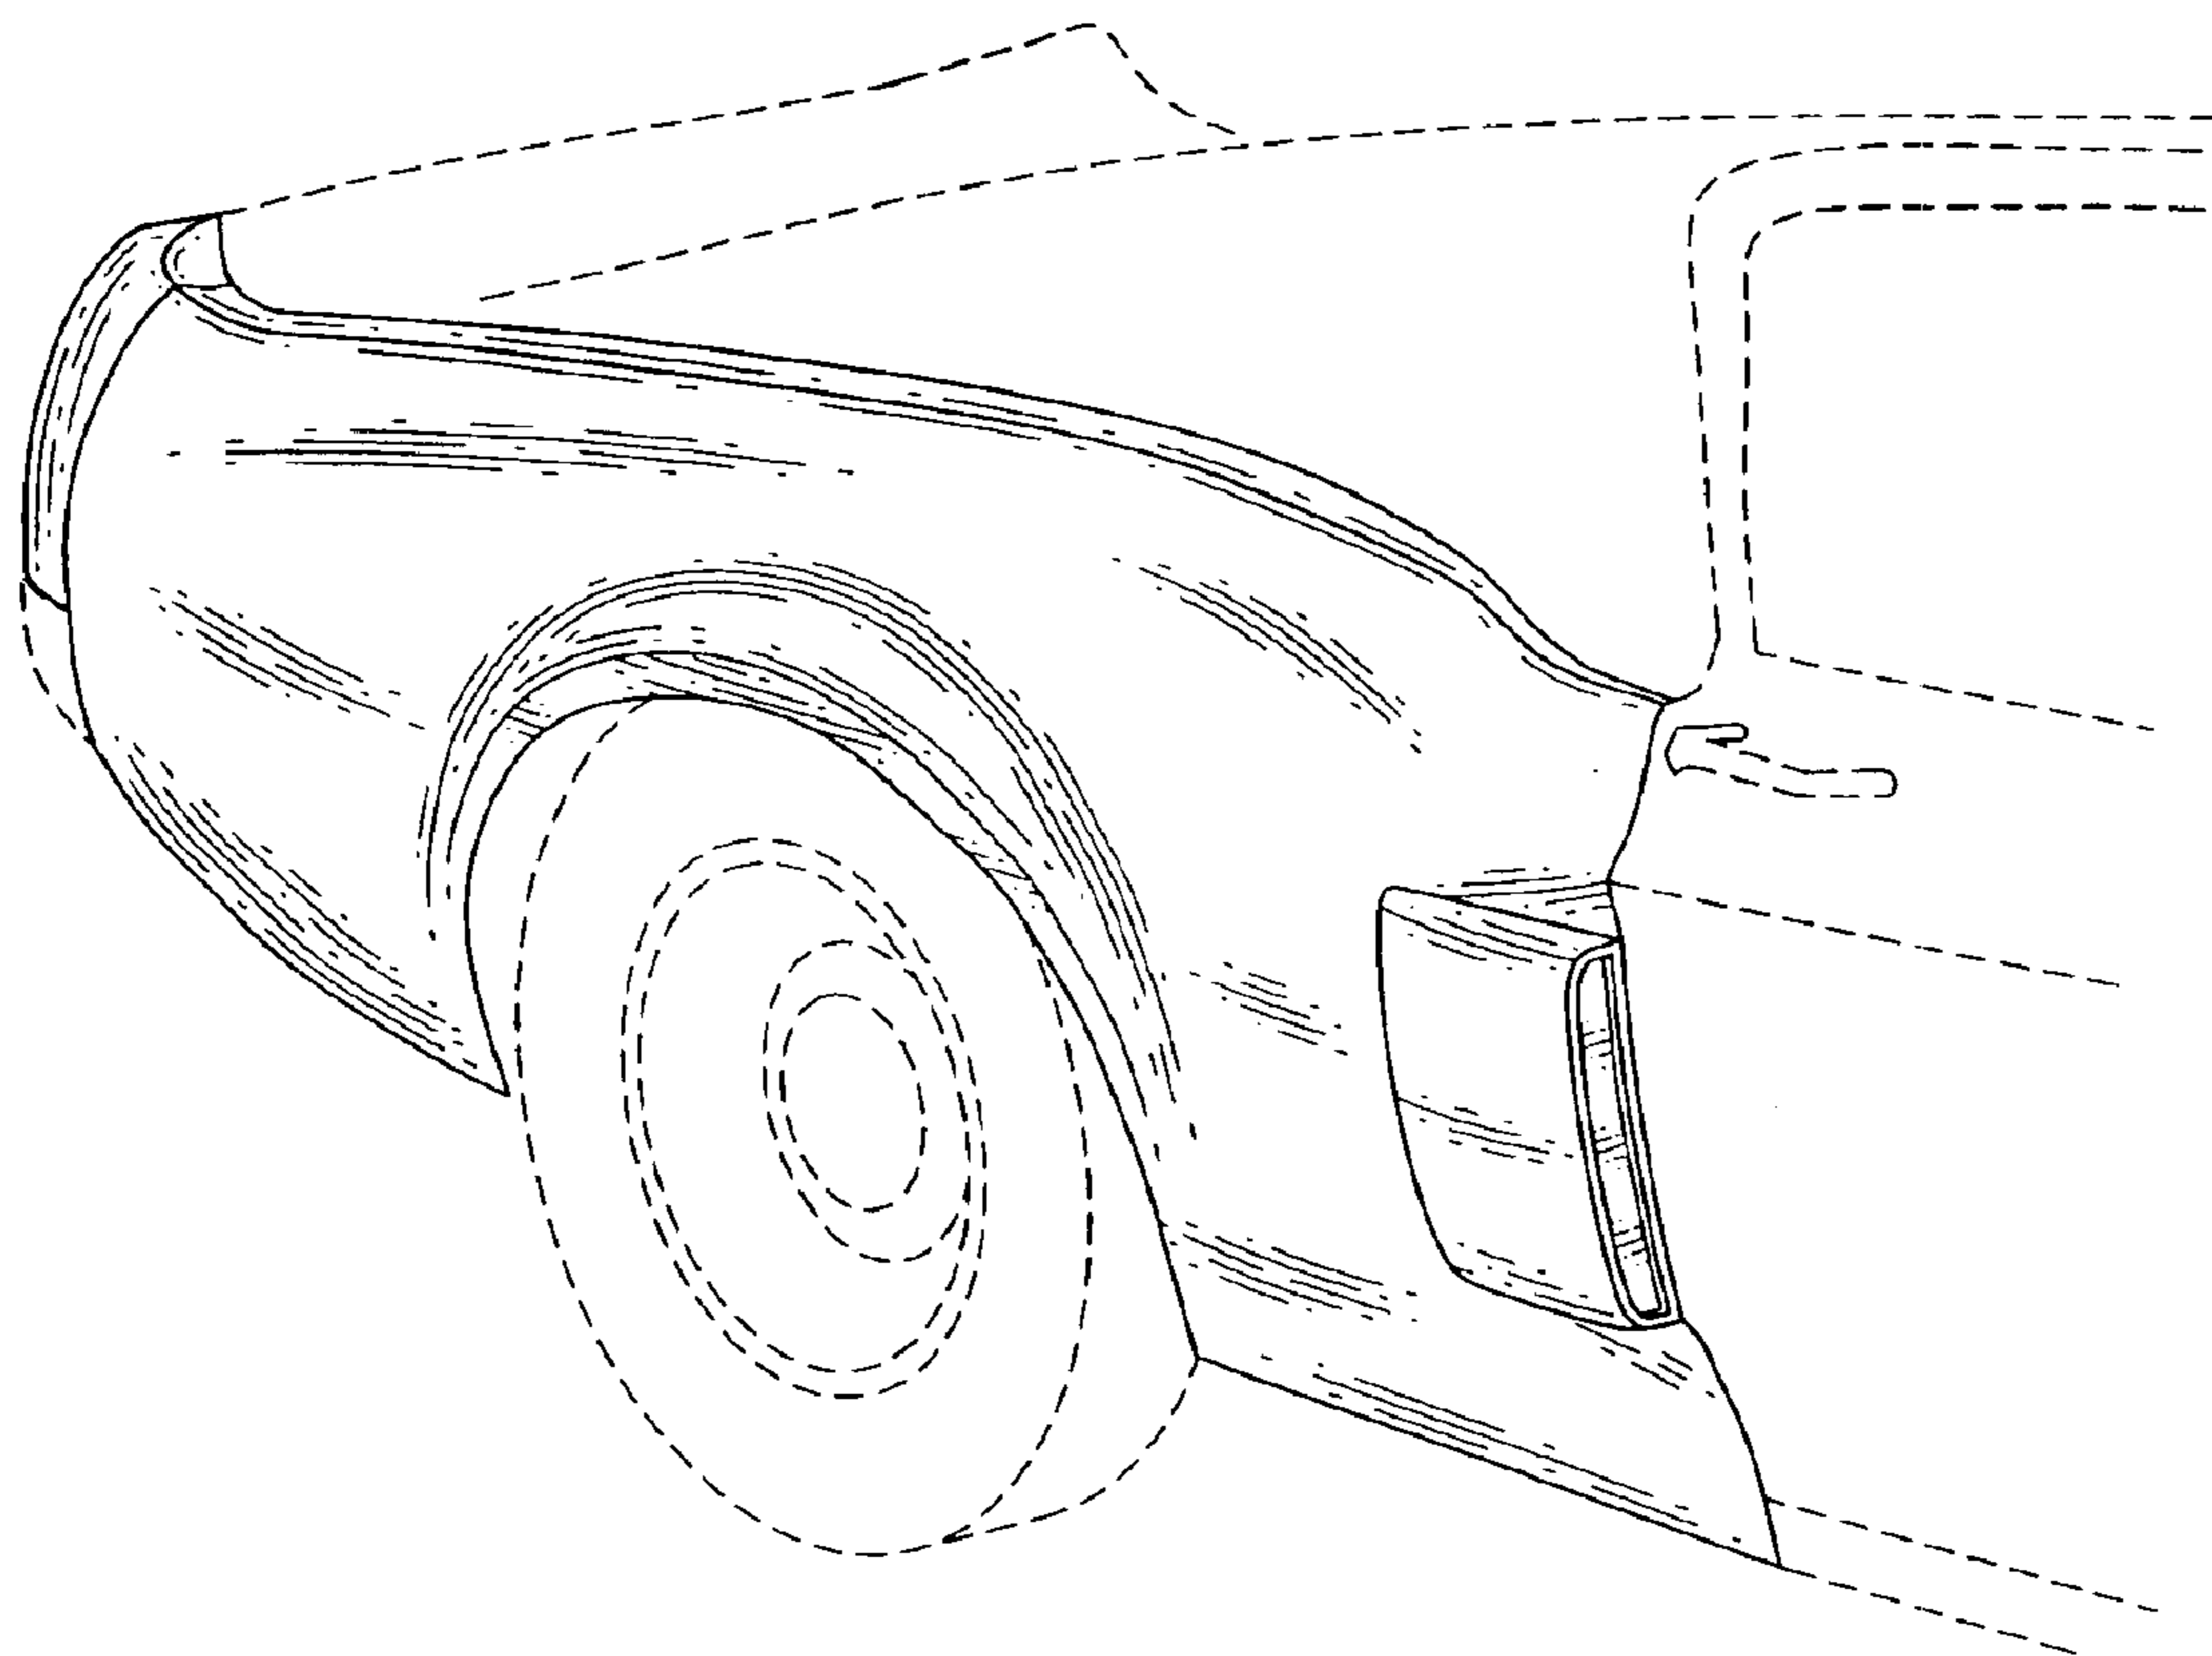

FIG. 2 is a front view of the surface configuration of a rear quarter panel for a vehicle according to my novel design;

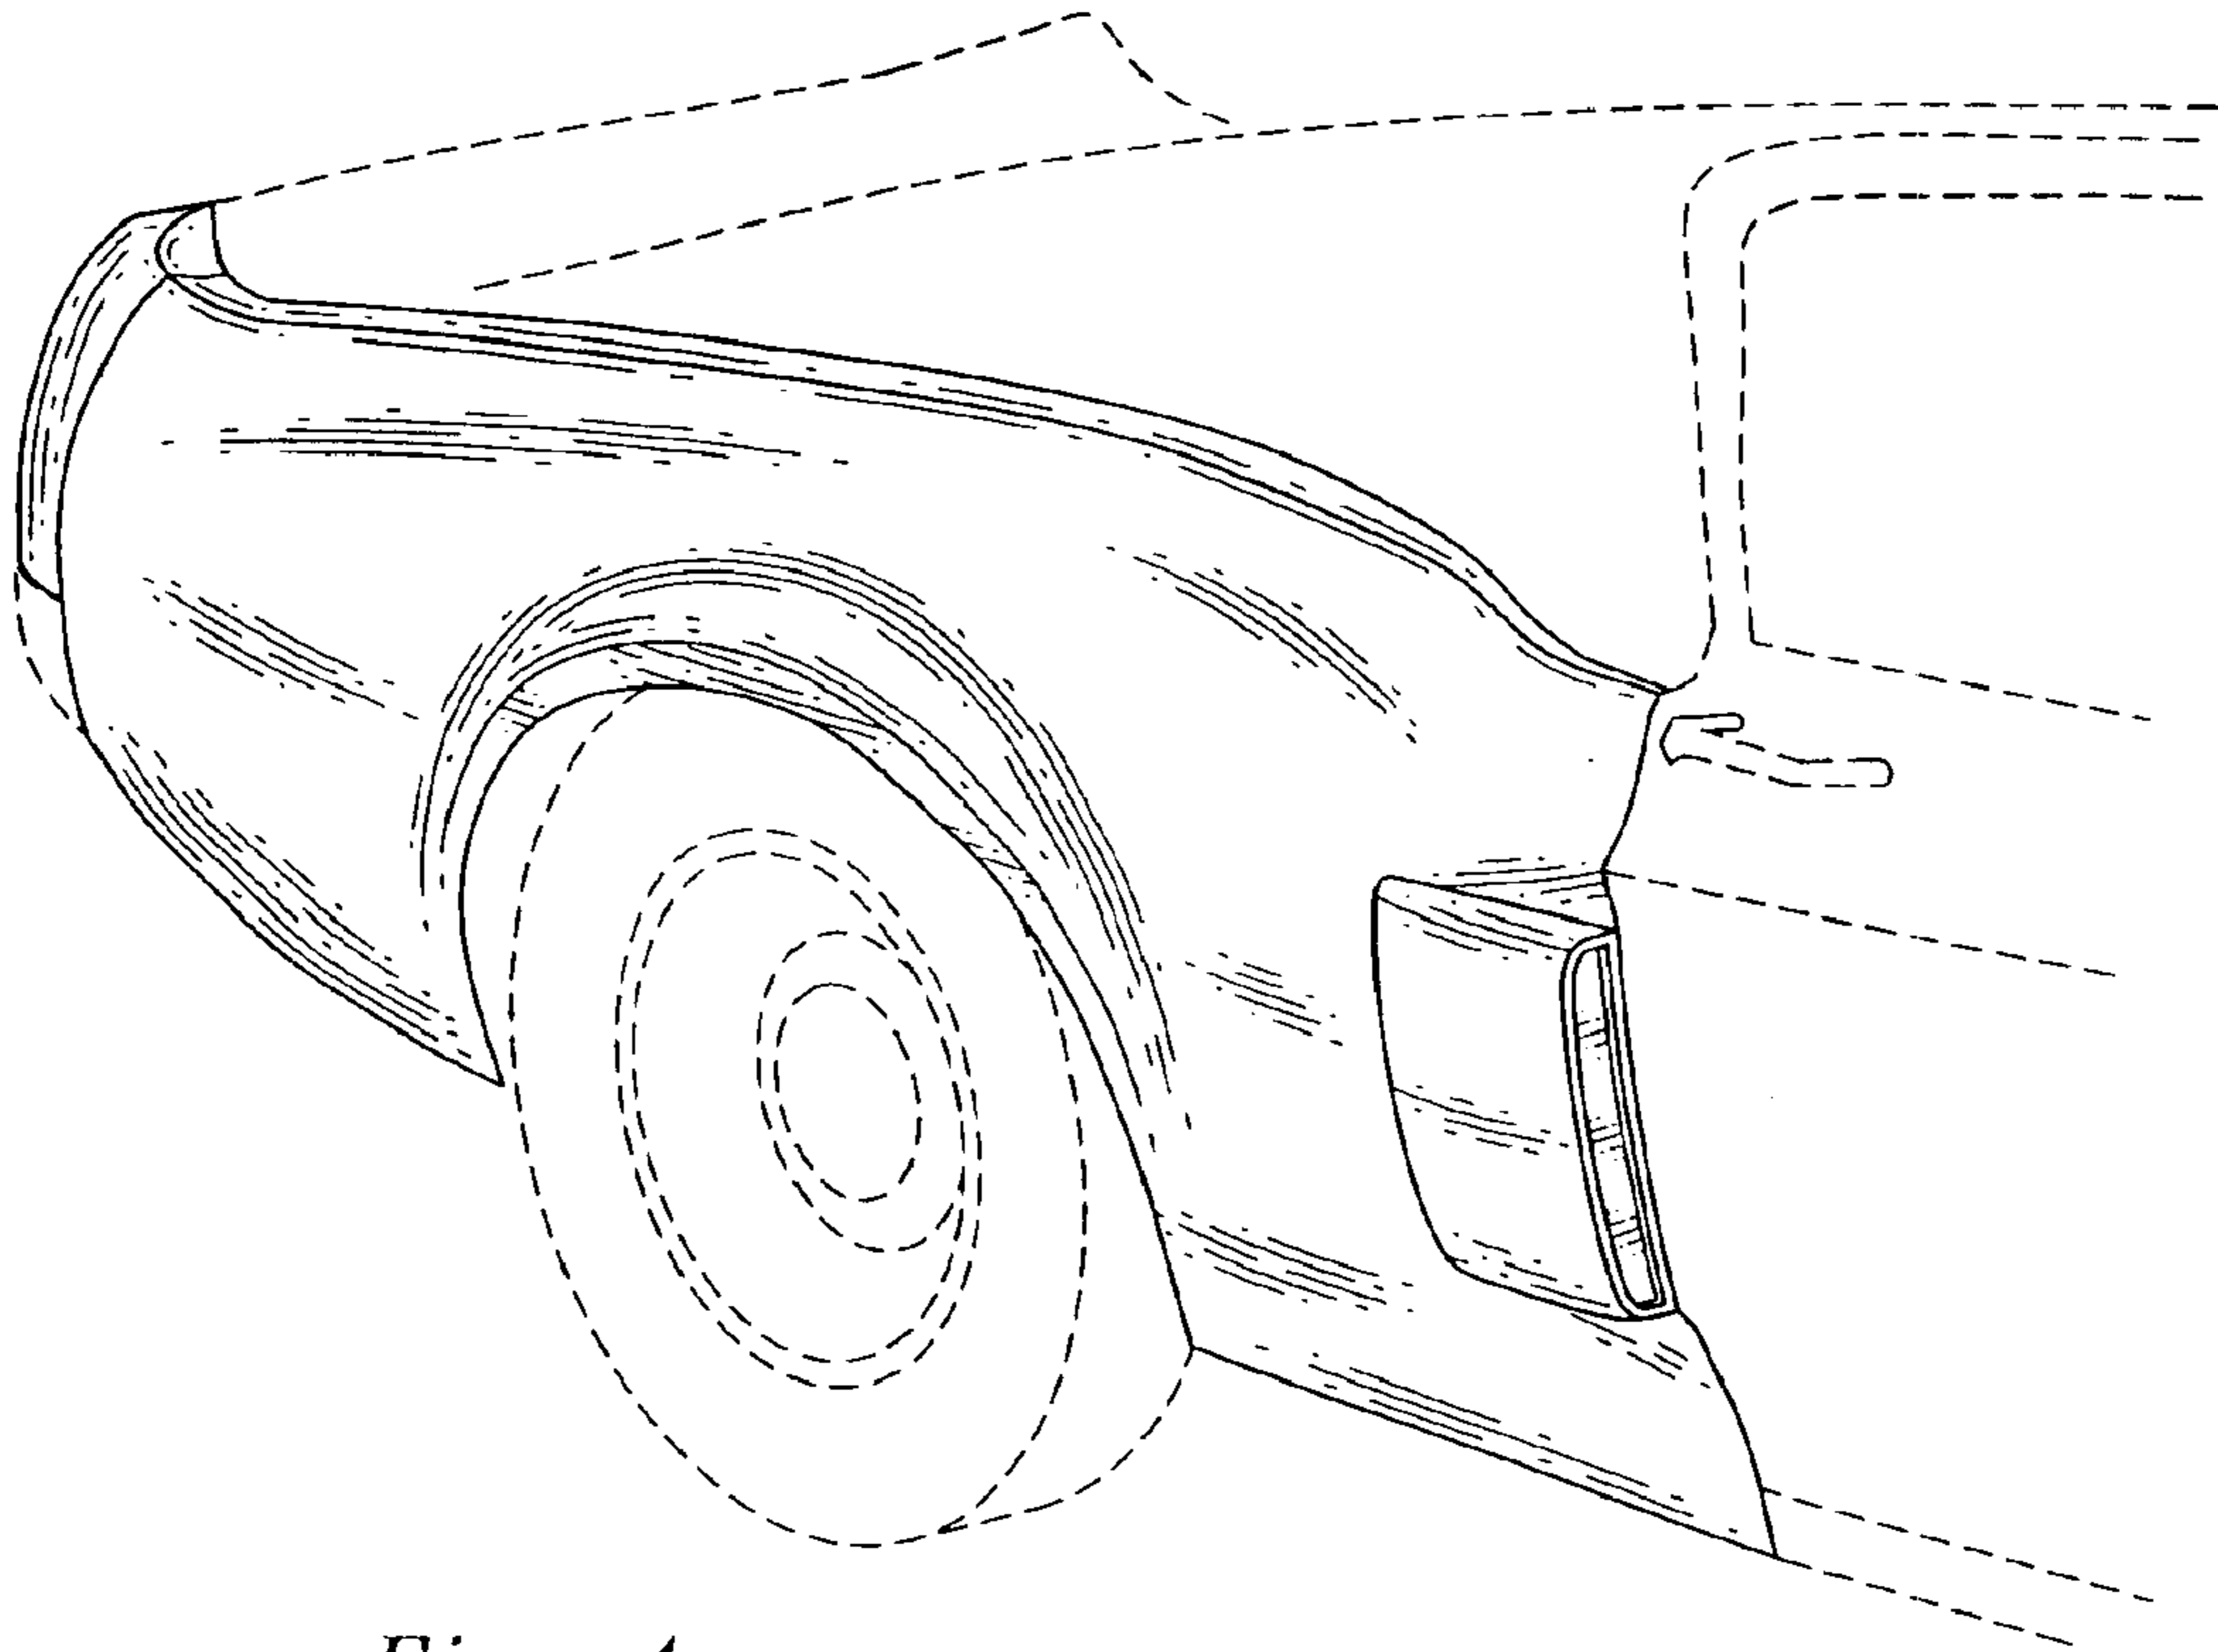

FIG. 3 is a top plan view of the surface configuration of a rear quarter panel for a vehicle according to my novel design;

FIG. 4 is a left side view of the surface configuration of a rear quarter panel for a vehicle according to my novel design; and,

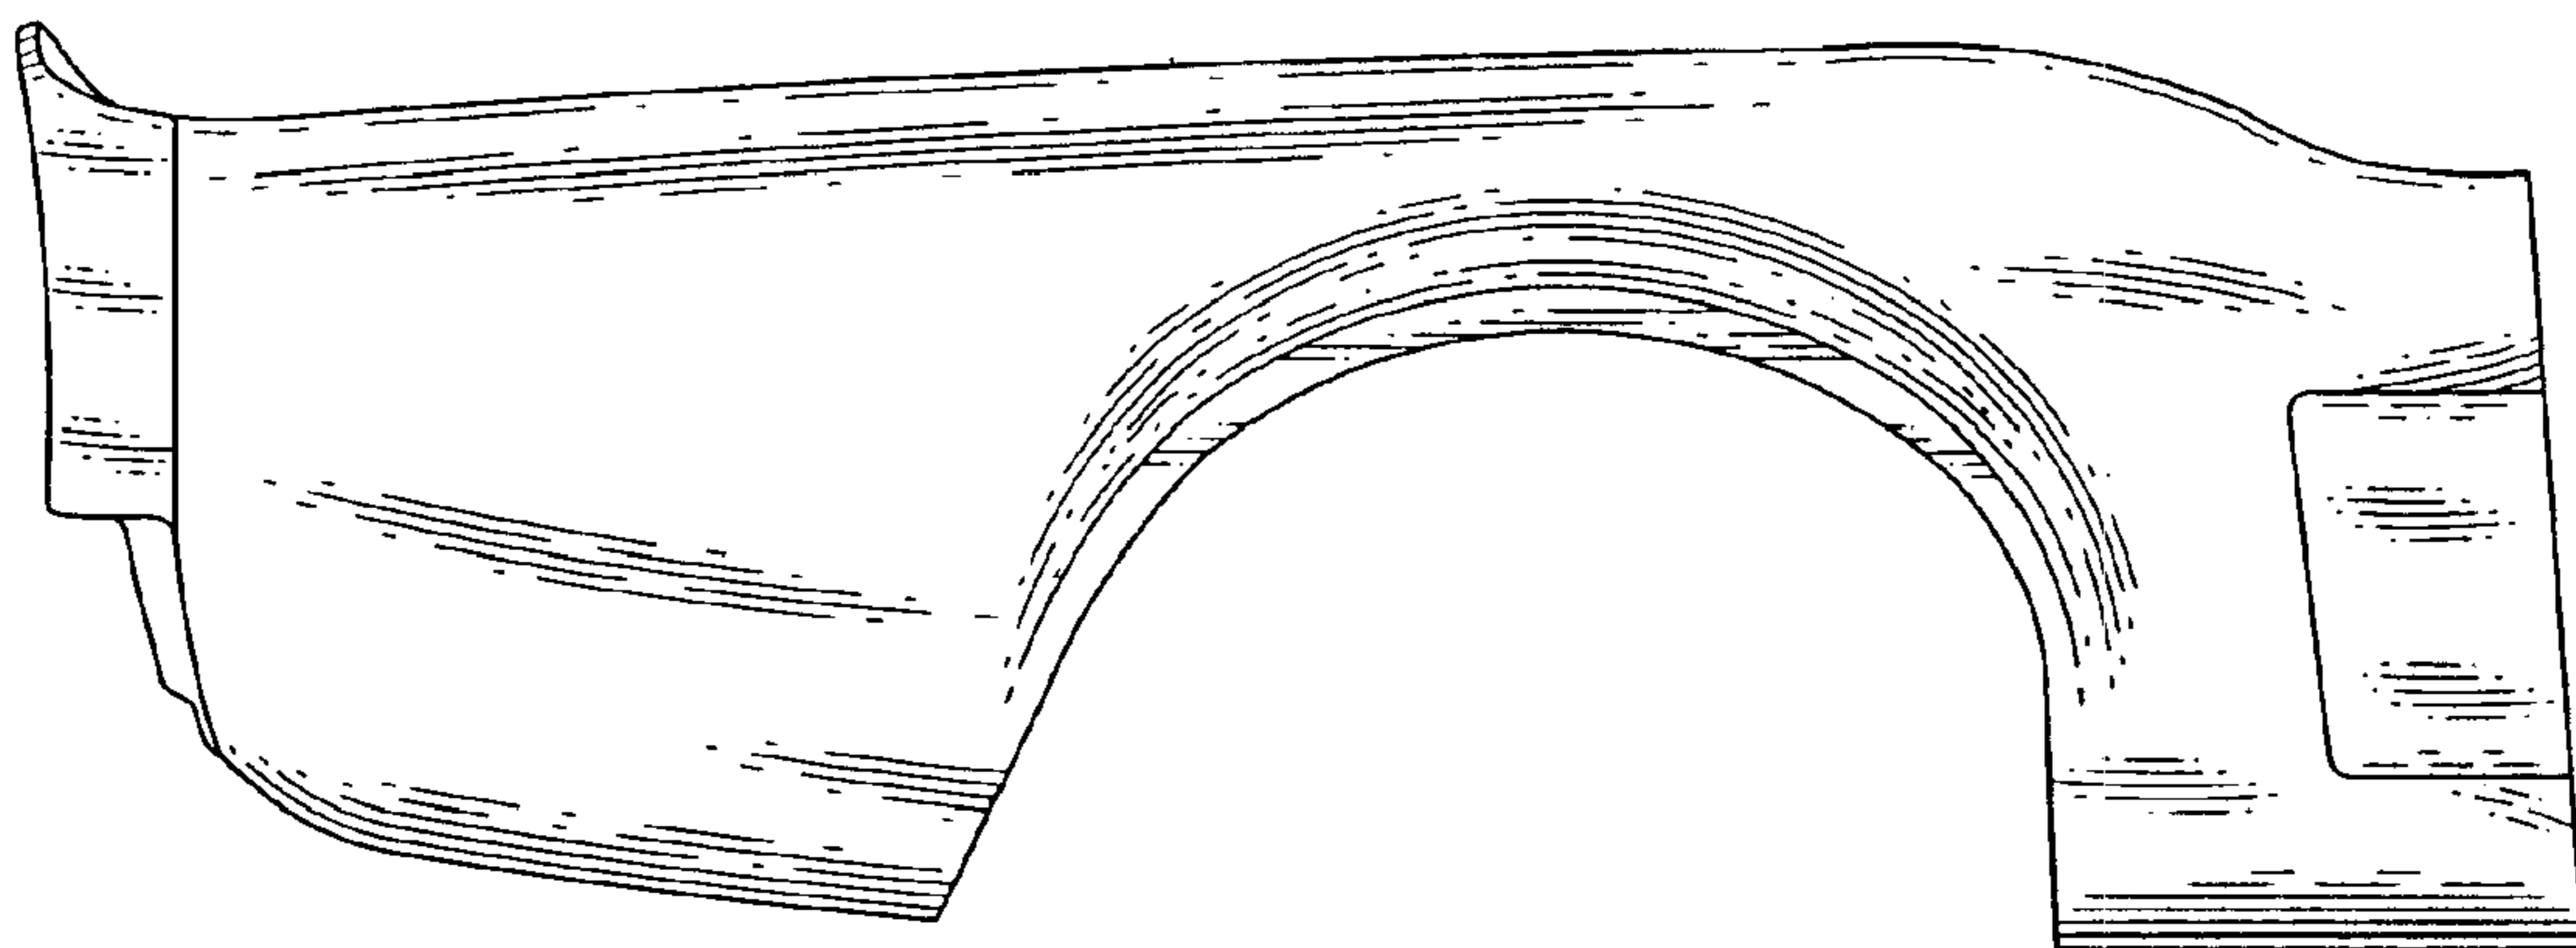

FIG. 5 is a right side view of the surface configuration of a rear quarter panel for a vehicle according to my novel design.
