(57) **CLAIM**

The ornamental design for an escutcheon for a deadbolt, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an escutcheon for a deadbolt according to the present invention;

FIG. 2 is a front view of the escutcheon for a deadbolt shown in FIG. 1, the rear being unornamented;

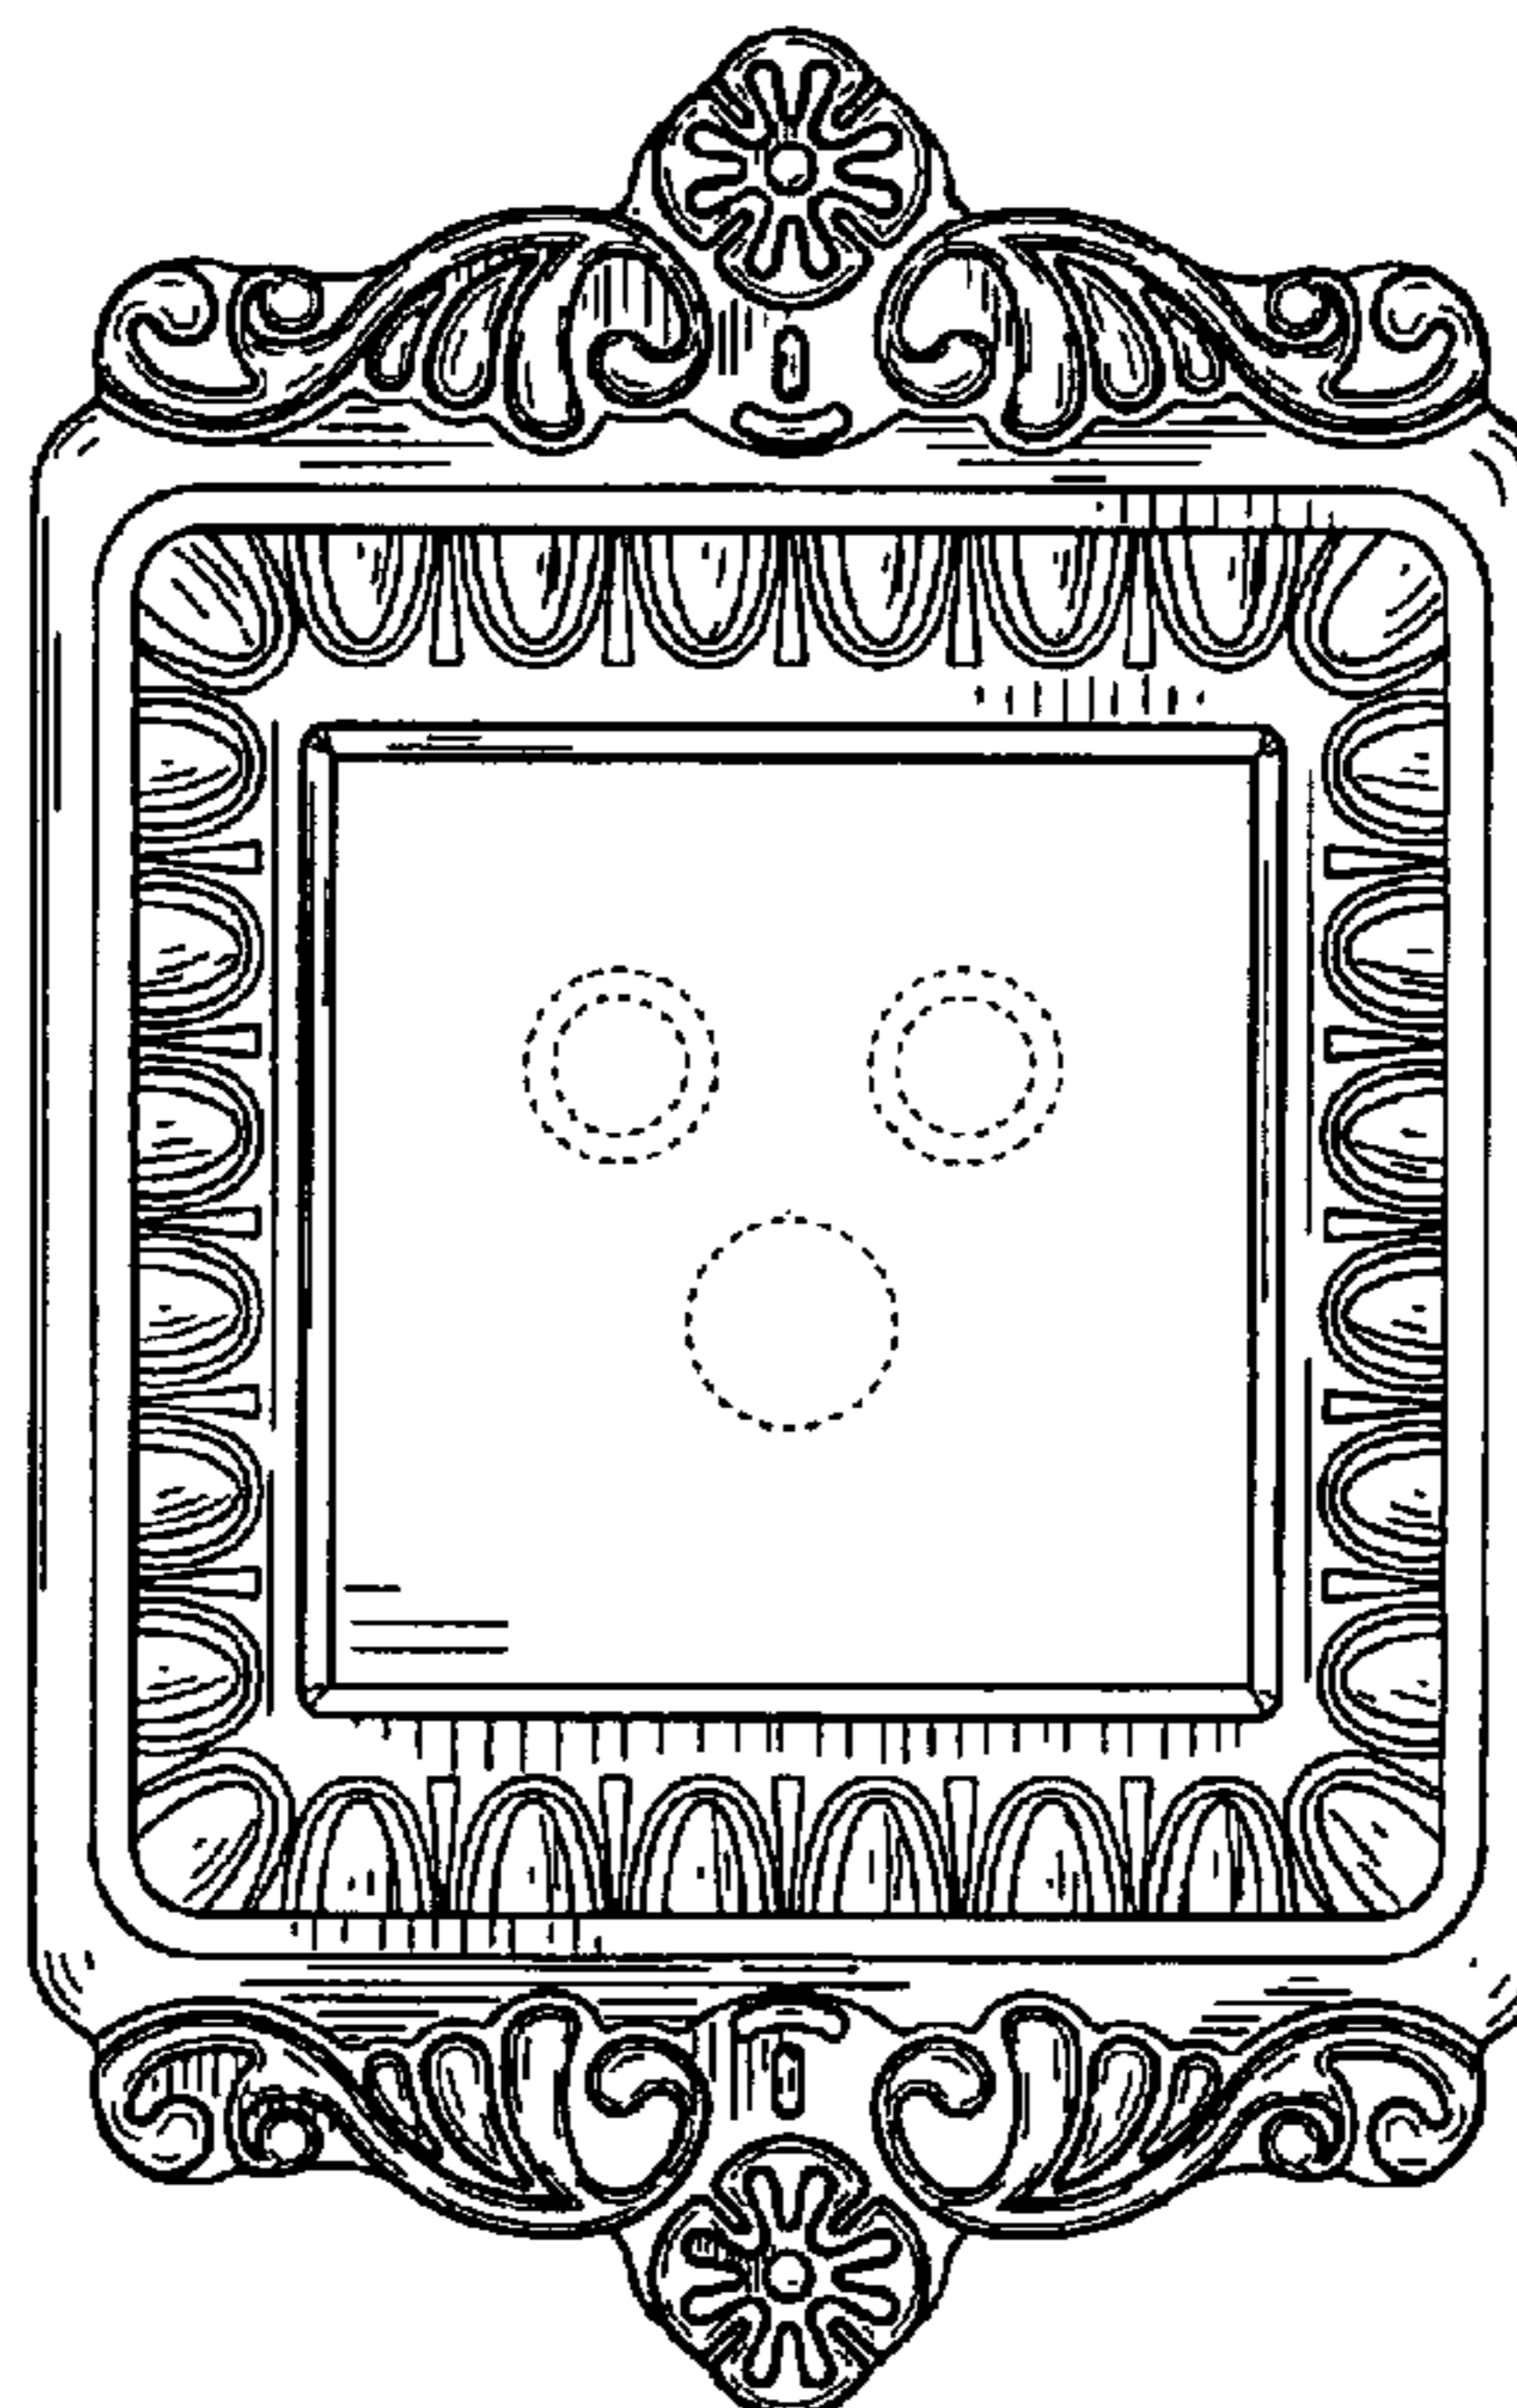

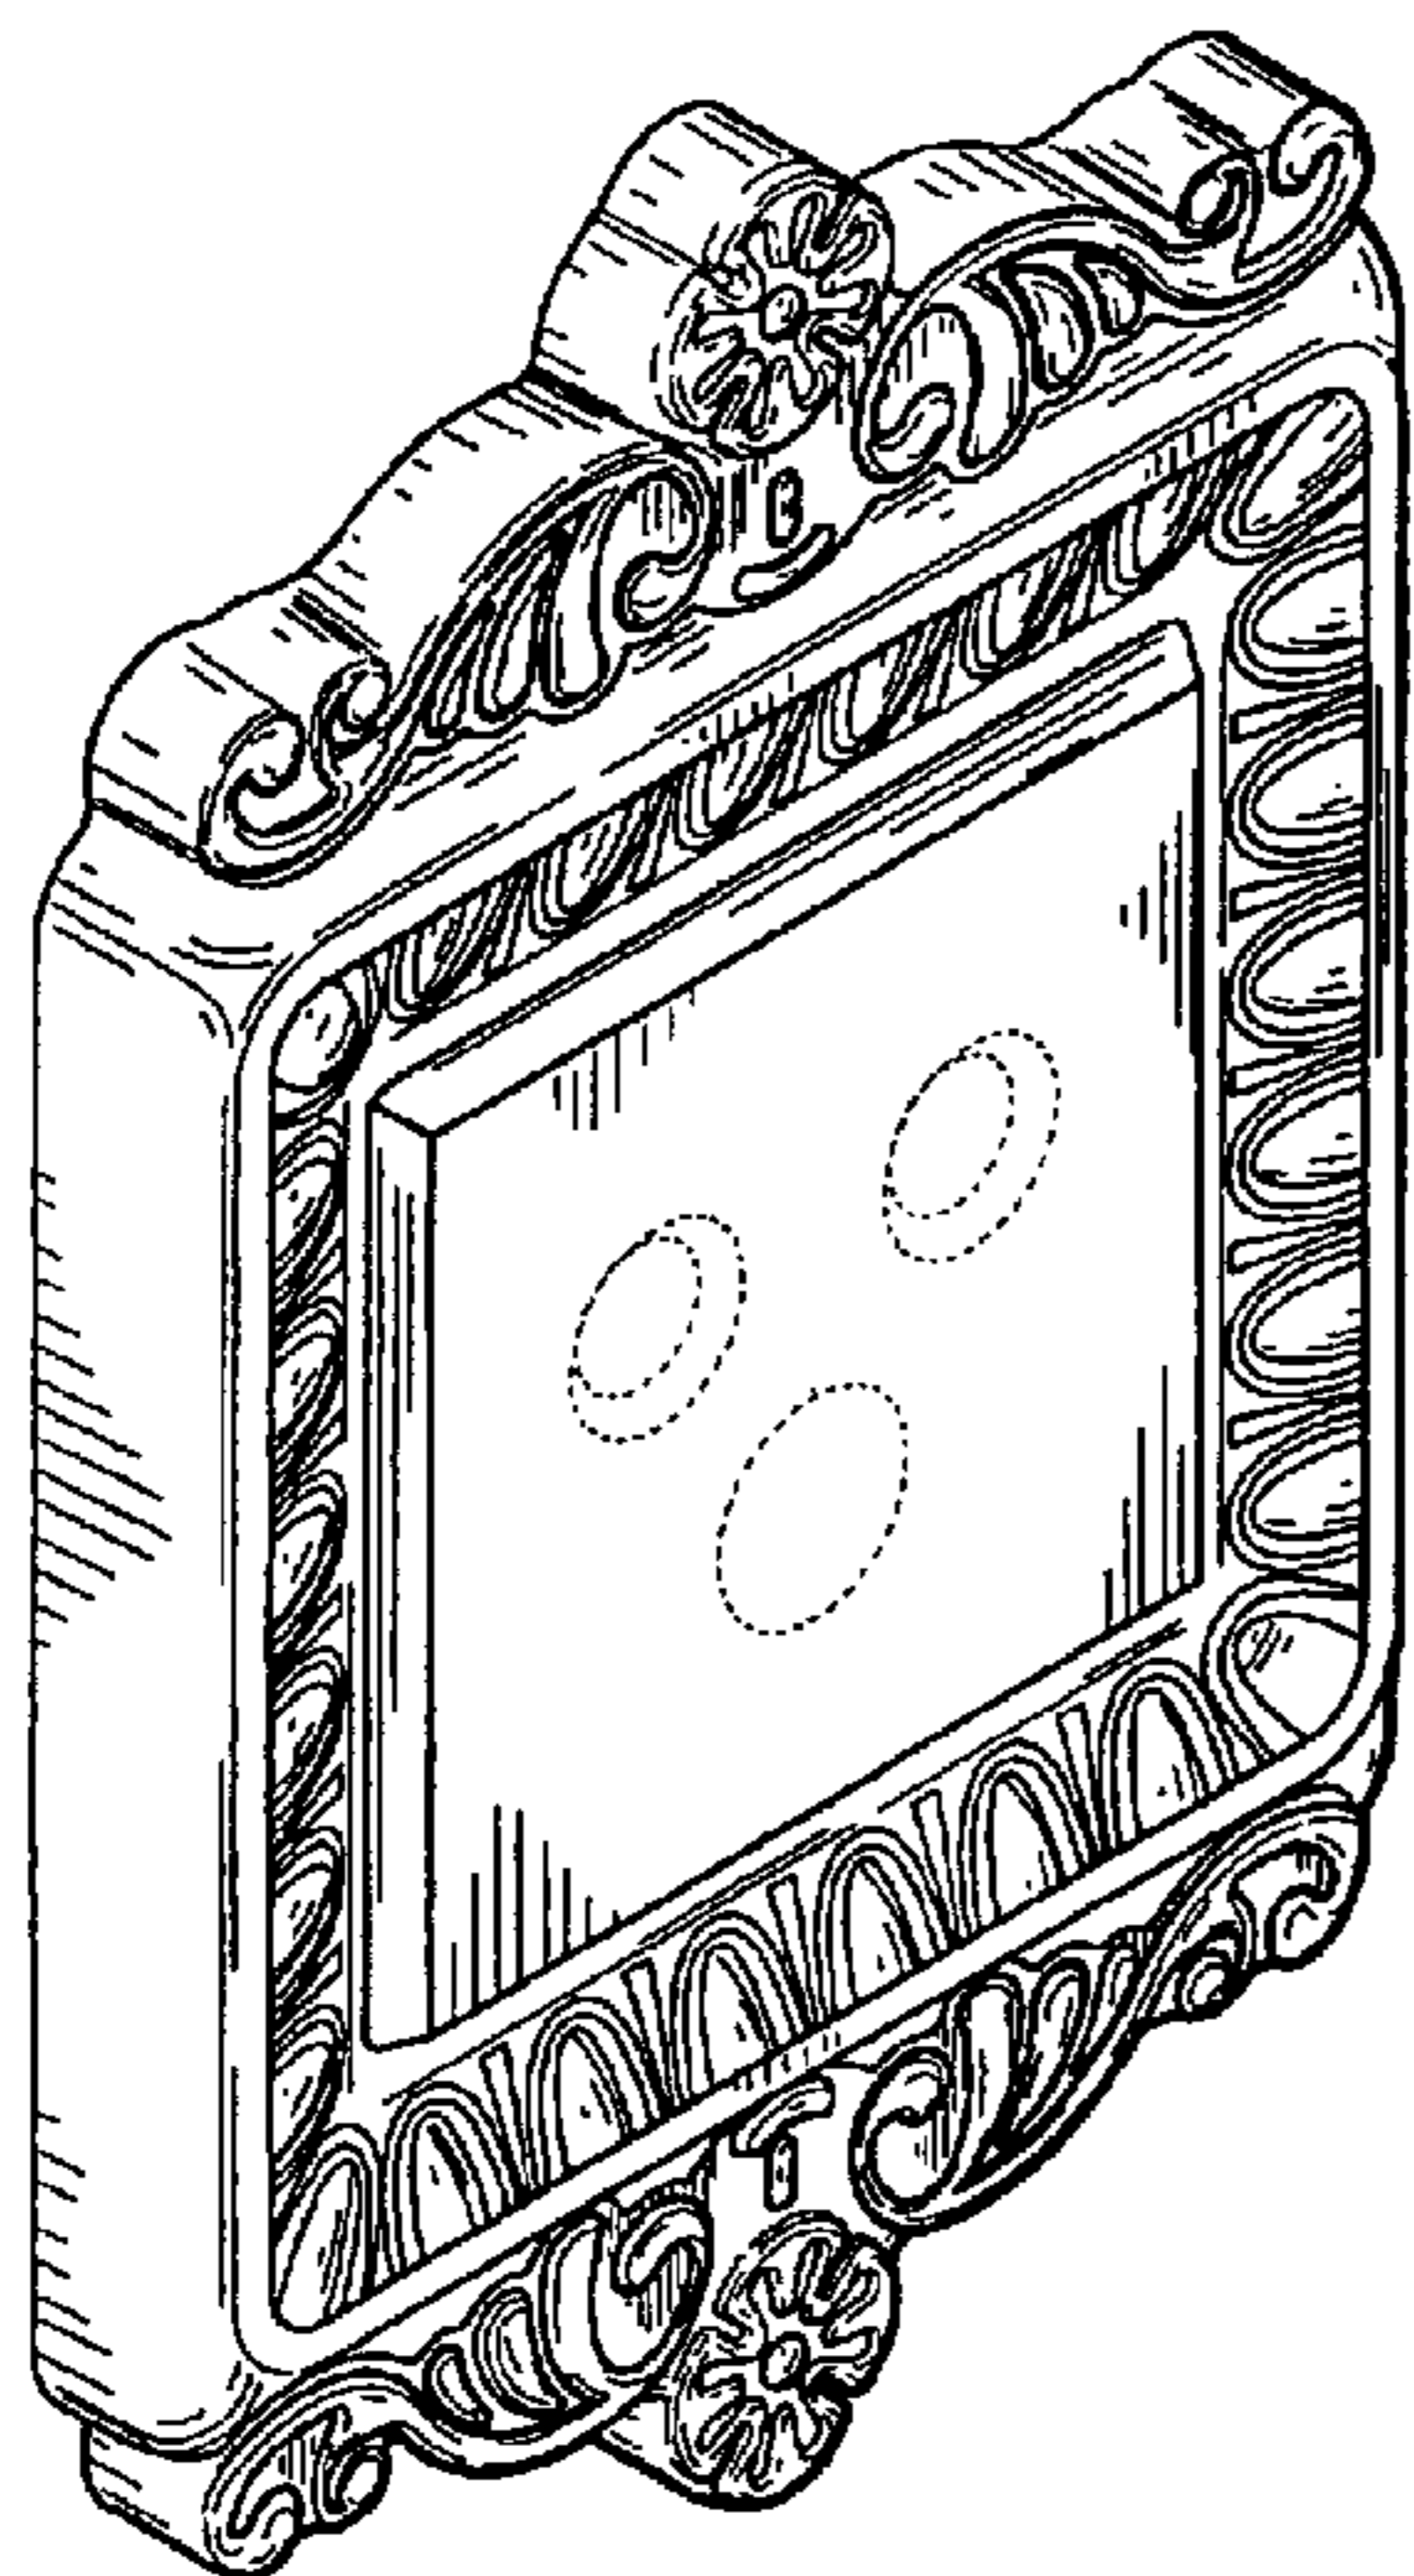

FIG. 3 is a top view of the escutcheon for a deadbolt shown in FIG. 1, the bottom view being identical;

FIG. 4 is a left side view of the escutcheon for a deadbolt shown in FIG. 1, the right side view being a mirror image of the left side view; and,

FIG. 5 is a front elevational view of an alternate embodiment wherein FIGS. 3 and 4 are consistent with said view and the only difference resides in the front side panel.

The broken lines represent the bounds of the claimed design and form no part thereof.
