(57) **CLAIM**

I claim the ornamental design for a section of interlocking modular floor tile, as shown and described.

DESCRIPTION

The present invention relates to the ornamental design of a section of interlocking modular floor tile that may be installed in an existing floor.

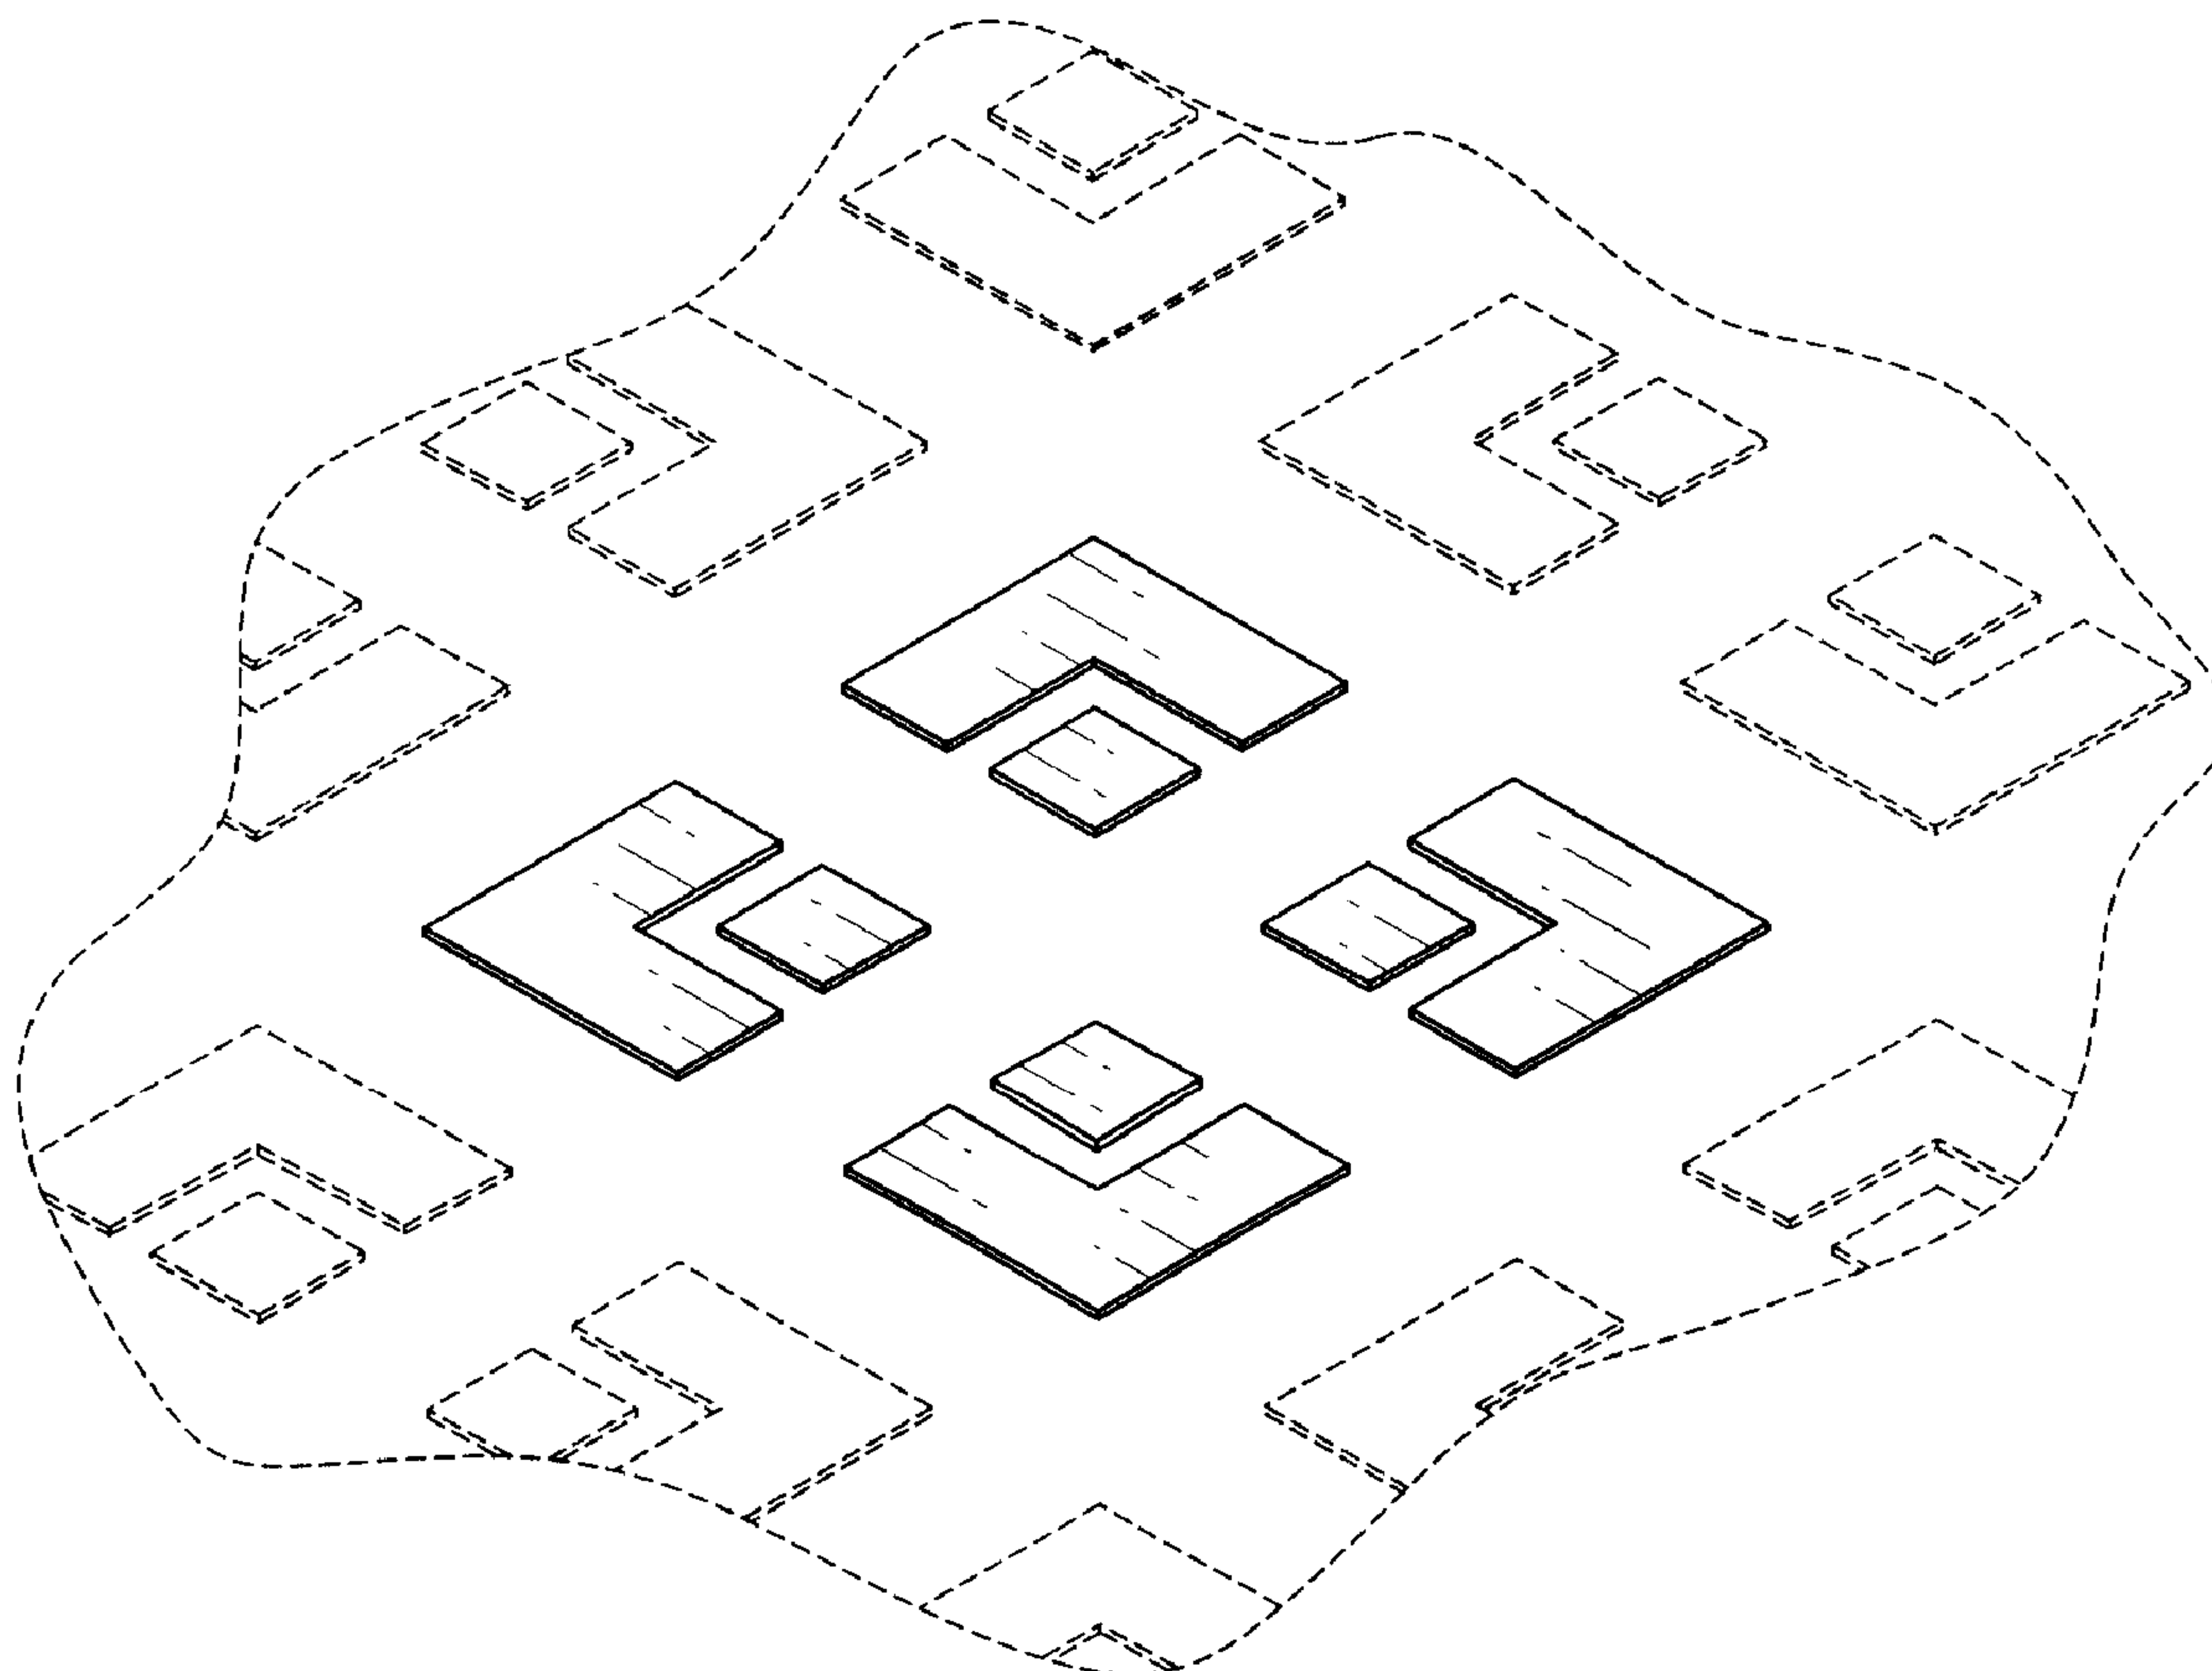

FIG. 1 is a top view of the top surface of the section of interlocking modular floor tile showing the design of the present invention in solid lines.

FIG. 2 is a perspective view of the top surface of a section of interlocking modular floor tile showing the design of the present invention in solid lines.

FIG. 3 is an enlarged view of the section shown in FIG. 2; and,

FIG. 4 is an enlarged view of the section shown in FIG. 2. The broken lines are for illustrative purposes only and form no part of the claimed design.
