(57) **CLAIM**

We claim the ornamental design for a video editing keyboard, as shown and described.

DESCRIPTION

The patent or application file contains at least one photograph executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a top plan view of a video editing keyboard embodying our new design; and,

FIG. 2 is a top, front and left side perspective view thereof.

The rear and bottom sides of the video editing keyboard are flat and unornamented. Ornamentation on the gray/semi-transparent housing of the video editing keyboard is not considered part of the design.
